

Skinamarinky Dink lyrics (with actions)

Skinamarinky dinky-dink (*put left elbow in right hand, wave*)

Skinamarinky Doo (*right elbow in left hand, wave*)

I (*point to eye*)

Love (*cross arms over heart*)

You! (*point to audience*)

Skinamarinky dinky-dink (*left elbow in right hand, wave*)

Skinamarinky Doo (*right elbow in left hand, wave*)

I (*point to your eye*)

Love (*cross arms in front of heart*)

You! (*point to audience*)

I love you in the morning (*cross arms above your head*)

And in the afternoon (*cross arms around your chest*)

I love you in the evening (*cross arms around your tummy*)

And underneath the moon! (*cross arms above head again*)

Skinamarinky dinky-dink (*left arm in right hand, wave*)

Skinamarinky doo (*right arm in left hand, wave*)

I (*point to your eye*)

Love (*cross arms in front of heart*)

You (*point to audience*)

Too (*show two fingers*)

Boo boop we doo! (*wave and kiss*)
