Program Description

The Cultural Facilities Program is intended for organizations whose mission is cultural programming in one of the disciplines as defined in (section 265.283(7), Florida Statutes). The Cultural Facilities Program coordinates and guides the State of Florida's support and funding of renovation, new construction, or acquisition of cultural facilities.

The applicant's mission must be to directly conduct arts and cultural programming. By program definition, a cultural facility is a building where the programming, production, presentation, exhibition of any of the arts and cultural disciplines are carried out (section 265.283(7), Florida Statutes). These disciplines are music, dance, theatre, creative writing, literature, architecture, painting, sculpture, folk arts, photography, crafts, media arts, visual arts, and programs of museums and must comprise at least 85% of facility use. The Program is intended for bricks and mortar construction, renovation, or for acquisition (**not any combination of the three**). State funding shall not be used for parking facilities, sidewalks, walkways, and trails that are the entire scope of work; landscaping; fabrication or design of exhibits (not permanently affixed to the building); nor commercial projects.

Eligibility

All applicants must meet the following requirements. **All** documentation must be provided by the application deadline.

1. Must **not** have multiple active Cultural Facilities projects under contract at one time. Cultural Facilities projects have a grant period of 23 months. Unless a grantee has a smaller project that will be completed in a single year, grantees should submit new applications every other year. Subject to Legislative appropriation, Cultural Facilities recommendations approved by the Secretary of State will be funded top-down until the appropriation is depleted. Any applicant on the ranked list that has not completed a previously-funded Cultural Facilities project by July 1 of the award year will be passed over and the funds will be allocated to the next grantee on the list without an active Cultural Facilities project under contract. A previously funded project is considered complete when it has reached 100% completion as supported by contractor documentation or if the contract has reached its end date and all funds have been expended.
2. **Must** have the required [legal status](#).
3. Agree to comply with all [application requirements](#):

- a. Complete all proposal activities within the [grant period](#);
 - b. Make programming and activities open and accessible to all members of the public (see [accessibility and nondiscrimination](#));

 5. **Must have unrestricted use** of the land and buildings associated with the project which means you **MUST** be able to record a Restrictive Covenant on the property with the Clerk of Court for ten (10) years or provide a 10 year surety bond. See [Unrestricted Use of Land and/or Buildings](#) for additional information.
 6. **Must retain ownership** of all improvements made under the grant (unless the land or buildings are owned by the State of Florida and leased to an eligible applicant).
 7. If the property is leased, **the lease agreement must be dated, signed, and submitted** at the time of the application submission.

In addition to these eligibility requirements, all applicants in noncompliance at the time of the deadline will be deemed ineligible to apply.

You may request up to \$500,000 for the renovation, acquisition, or construction of a cultural facility. There is no minimum request amount.

Match Requirements

Applicants must provide at least one dollar in cash or in-kind (donated goods or services) for every dollar requested from the division. This is called match. Some expenses can only be included in the Proposal Budget as match.

Total Proposal Expenses are defined as match (cash and in-kind) + request amount. No more than 25% of the total match may be in-kind. See the [in-kind](#) section of the guidelines for more details.

25% of the match must be cash on hand at the time of application. Remaining matching funds may be anticipated at the time of application, but must be received by the end of the grant period. All expenses (both state grant and match) must be paid out (not merely encumbered) by the grant end date of June 1..

Applicants must match the request amount with non-state funds specific to the construction, renovation, or acquisition project. The amount provided as match depends on Total Support and Revenue statement (comprehensive income, revenue and expense) and REDI eligibility. Operating expenses cannot be used as match.

Summary of Match Requirements	Required Match
Last completed FY total support and revenue less than \$1,000,001	1:1

Summary of Match Requirements	Required Match
Last completed FY total support and revenue of \$1,000,001 or more with a REDI waiver	1:1
Last completed FY total support and revenue Over \$1,000,001 or more without a REDI waiver	2:1

Exception: The [Rural Economic Development Initiative](http://www.floridajobs.org/business-growth-and-partnerships/rural-and-economic-development-initiative/rural-definition) (REDI) recognizes those rural or economically distressed counties or communities designated pursuant to sections 288.0656 and 288.06561, Florida Statutes, as REDI qualified. The REDI program is administered by the Florida Department of Economic Opportunity. You can find more information and a list of economically distressed counties and communities at <http://www.floridajobs.org/business-growth-and-partnerships/rural-and-economic-development-initiative/rural-definition>.

Applicants in a REDI designated area must only provide \$1 of required match for every \$1 requested from the state regardless of their Total Support and Revenue. The Division cannot waive all matching funds.

Types of Match

Three types of match (**MUST** be on hand at the time of the application submission):

- Cash on Hand (Liquid Assets) At Least 25% of total request amount match must be cash on hand at the time of the application, documented by bank statements showing restricted funds or city or county resolution*. Cash on hand may exceed 25% of the total match, but may never be less than 25% of the total match.
- Irrevocable Pledges (No more than 75% of the match) must be auditable and received by the Grantee by the end of the grant period.
- Documented In-Kind Contributions (No more than 25% of the match). In-kind contributions must be itemized at the time of application, and the goods and services received and utilized by the end of the grant period. In-Kind Contributions by the applicant are **not eligible** for match.

In-kind (Donated Goods and Services)

The value of all professionally skilled services used as in-kind must be documented in writing by the volunteer. The value of donated goods must also be documented. Records of such documentation must be available upon request.

The value of volunteer services may be calculated using the federal minimum wage or wage rates normally paid for professionals skilled in the service provided (such as a supplier donating construction materials services or an electrician providing pro bono work). For information on the current federal minimum wage, see the Wage and Hour Division of the US Department of Labor at <https://www.dol.gov/whd/minimumwage.htm>.

Organizations must have all match complete and confirmed at the time of application.

***Municipalities and counties (public entities)** must submit an executed copy of an approved resolution by a city or county commission with the application materials. The resolution **must** include the dollar amount dedicated and available to the project if the grant is awarded and the date the funds will be available. The submitted resolution **must be dated and signed by an authorizing official**. Funding, as indicated by the resolution, must be made available within 90 days of the start of the grant award period.

Restrictions on Matching Funds

- Funds that are for General Operating Expenses (i.e. the unrestricted column on the Statement of Activity page of the organization's audit) will not be acceptable as match

- Matching funds will be designated only to the Scope of Work presented in this application and may not have been used in previous Division or Department of State grants

Review Criteria and Scoring

Each eligible application will be evaluated on three (3) competitive criteria

Criteria	Application Section(s)	Worth
Scope of Work	Scope of Work: Project Description	up to 30 points
Project Budget and Matching Funds	Proposal Budget Detail: Expenses Proposal Budget Detail: Income Matching Funds Statement Project Team	up to 30 points
Need for Project and Project Impact	Need for Project, Operating Forecast Detail and Project Impact	up to 40 points

The total possible number of points the panel can award to an application is 100. The panel's evaluation will be based on the information contained in the application, required attachments and support materials submitted with the application. The panel's individual scores will be averaged to determine a final score for each application.

Applications must receive a minimum average score of 80 or higher to be *recommended* for funding. Applications receiving an average score of 80 or higher will be recommended to the Secretary of State and forwarded to the Florida Legislature for funding consideration.

Applications with a tied average score will be ranked by application number order (lowest to highest).

Review Process

1. Division staff will conduct a technical review to determine eligibility. Eligible applications will then be submitted to the Florida Council on Arts and Culture who serve as the grant review panel.
2. The Florida Council on Arts and Culture will evaluate each application on the review criteria and assign a score.
3. The Florida Council on Arts and Culture approves a list for submission to the Secretary of State.
4. The Division forwards a ranked list to the Secretary of State.
5. The Secretary of State approves the ranked list for submission to the Legislature for funding consideration.

Staff Review

The technical review of applications verifies:

1. That the applicant has the correct **legal status** (public entity governed by either a municipality or county or not-for-profit, tax-exempt, Florida Corporation);
2. That the applicant has **unrestricted use** of the land and buildings associated with the project. The applicant **MUST** be able to file a Restrictive Covenant on the property with the Clerk of Court for ten (10) years or provide a 10 year surety bond. See [Unrestricted Use of Land and/or Buildings](#) for additional information;
3. That **the lease agreement is dated and signed**;
4. That documentation of **Total Support and Revenue** for the last completed fiscal year has been provided;
5. That appropriate **matching** funds ratio has been identified and documentation has been provided;
6. That **current architectural plans** signed by a licensed architect or engineer clearly indicating scope of work have been provided. **If architectural plans are not required for project, contractor project proposals or working drawings must be provided**;
7. That **current project support** of local officials (city and county government), community groups, and community members —for this project— has been provided;
8. That applicants **with structures 50 years or older have submitted a determination letter from the Division of Historical Resources (DHR)** (For additional information, please contact the Bureau of Historic Preservation (BHP) at 850.245-6333);
9. That documentation supporting at least 85% of facility use is for cultural purposes as it pertains to the organization’s mission per section 265.283(7), Florida Statutes has been provided. If project is for a NEW space without previous programming, programming examples **must** be provided;
10. For applicants with acquisition projects only: That **appraisal and purchase documents** have been provided.

Only documents that provide clarification to staff will be considered after the application deadline. If necessary, a request for clarification will be sent with a certain response deadline. Such requests will be made in writing to the Applicant Organization using the contact information provided in the application. These requests are not for additional information, but to clarify the information already submitted in the application. Responses received after the established deadline will not be accepted. Clarifications will become an official part of the application.

Information Provided to the Florida Council on Arts and Culture Review Panel

The Division shall make available a staff report on each eligible application that provides an assessment of the information provided in the grant application. The staff report will include:

1. A synopsis of the proposed Scope of Work;
2. A summary of all previously awarded Cultural Facilities grants and Fixed Capital Outlay line item grants and their completion status and history of management by the applicant;
3. Any clarification requested from an Applicant Organization and received by the specified deadline;
4. An assessment of the proposed Scope of Work and timeline in regards to the grant period and comparison to previously funded Cultural Facilities projects;
5. An assessment of the proposed estimated budget including eligibility of claimed match contributions, with recommendations for any grant funding level adjustments that may be justified by the findings of the staff technical review. Examples of the need for such adjustment would be a recommendation to delete work related to non-allowable costs, work not consistent with the Cultural Facilities guidelines, or to reduce the grant award in an amount commensurate with inadequately documented or non-allowable match contributions;
6. Other information regarding the Applicant Organization and its compliance with previous Division grants, if relevant.

Florida Council on Arts and Culture Review Panel

Panel meetings are a public process and anyone can participate by attending in person or by calling in via a toll-free number. Participation instructions will be emailed to applicants and posted on the Division's web site and in the online grant system. The Division strongly encourages applicants to participate in the grant panel meeting, however it is not required. Participating in the panel process can be very helpful for those that intend to apply for future grants.

Members Florida Council on Arts and Culture serve as the grant review panel for the Cultural Facilities program. A Division staff member will serve as the panel Chair. Chairs do not vote on applications being reviewed.

A typical panel meeting will include the following:

1. Call to Order;
2. Introduction of Panelists and Staff;
3. Panel Instructions from the Chair;
4. Preliminary scoring of applications. For each application:
 - the Chair will announce the application number and applicant name;
 - applicants may provide a *brief* update on the application. Updates may only include new proposal information;
 - applicants will be permitted to respond to panelist questions;
 - each panelist will voice his or her score; and
 - Division staff will calculate and voice the total points and the average panel score.
5. Public comment prior to panel consensus on scores:
 - During public comment, anyone (including applicants) may speak about the applications under consideration. After public comment, panelists may adjust their scores before the final vote to accept all scores.
6. Panel Recommendations;
7. General discussion from the panel (policies, procedures);
8. General comments from the public (limited to 3 minutes or at the Chair's discretion);
9. Closing remarks from the Chair; and
10. Adjournment.

The panel chair will request discussion and a vote on the recommended funding list, ranked in order of total average score (highest to lowest). The Council may amend the recommendations based on new or existing pertinent information about the application or panel proceedings such as:

- Score calculation errors by the Division;
- Applicant noncompliance with administrative requirements of previous grants from the Department of State;
- Bankruptcy or other fiscal concerns;
- Changes in the applicant's staff that would impair implementation of the proposed grant activity;
- Typographical errors in the Committee's recommendations.

Funding Process

The Secretary of State will provide the Legislature with an approved list, ranked in order of total average score, with funding recommendations for all projects that received a total average score of 80 and above. The Legislature may use this list to make funding decisions.

Any applicant on the ranked list that has not completed a previously-funded Cultural Facilities project by July 1 of the award year will be passed over and the funds will be allocated to the next grantee on the list without an active Cultural Facilities project under contract.

What if an application is not funded?

If the Legislature does not fund **any** application on the list presented in a given year, the applications on that list are eligible for “rollover” for the following year (only). Applications may only be on the rollover list once. If your application is not funded on the rollover, you must submit a new application.

Why Rollover?

As a rollover, your application:

- Is guaranteed a place on the next recommended funding list if you submit a Rollover Update;
- Will not be re-scored, but will be ranked by the original score on a list that includes new applications; and
- Will be recommended for the amount of funding that was originally requested.

A single list (of both rollover and new applications) ranked in order by average score, highest to lowest, will be submitted to the next session of the Legislature. Rollover application recommendations will be identified as such on the ranked list.

Rollover Update

Applicants wishing to rollover must submit a Rollover Update. The Rollover update should provide updated information pertinent to the application since its original submission in the following application sections:

- Scope of Work (Project Description) as recommended by the Council and approved by the Secretary of State;
- Project Budgets;
- Matching Funds Statement; and
- Contact information.

A specific deadline will be established and posted on the Division's website. When you submit the Rollover Application, Division staff will:

- Verify Basic Eligibility;
- Verify that the Project Description in the Rollover application has **NOT** changed from the Project Description in the original application that was recommended by the Council and approved by the Secretary of State; and
- Verify match percentages and documentation.

Removal from the Rollover List

An organization will be removed from the rollover list for the following:

- Failing to submit the updated information by the rollover deadline announced on the Division's website; and
- Failing to maintain basic eligibility, required match, or undisturbed use of the building or land or both.

Changes in Scope of Work (Project Description) Note: The project that was recommended for funding by the Florida Council on Arts and Culture and approved by the Secretary of State must not change.
