**Información:** Sírvase llamar a la oficina del Supervisor de Elecciones de su condado si le interesa obtener este formulario en español.

## How to Register

- Complete and submit this form by mail or in person to:
  - Supervisor of Elections' office (mailing addresses are on back of form),
  - Any office that issues driver licenses,
  - Any voter registration agency (public assistance office, center for independent living, office serving persons with disabilities, public library, or armed forces recruitment office), or
  - The Division of Elections
- Register online: [RegistertoVoteFlorida.gov](https://registertovote.florida.gov) (or QR code).

**Note:** If a third-party voter registration organization (3Pvro) collects your application, the 3Pvro must give you a receipt. The 3Pvro might not deliver your application within the 10 days or by the registration deadline. You can choose instead to mail or deliver your application to your Supervisor of Elections or register online.

## Voter Registration Requirements

- U.S. citizen and resident of Florida and county
- At least 18 years old (or 16 for pre-registration)
- Not adjudicated mentally incapacitated, or if so, voting rights restored.
- Not be convicted of a felony, or if so, voting rights restored.
- Do not complete this form if you do not meet all of these requirements.**

## When to Register

- Deadline to register is 29 days before an election.
- Deadline to change party is 29 days before a primary election.

## Registration Status

- If application is accepted, your Supervisor will mail a voter information card.
- If your application is incomplete or denied, your Supervisor will contact you.
- Contact your Supervisor if you have any additional questions.

## Identification (ID) Requirements to Register or Update Record

- A current and valid Florida driver license (FL DL#), or Florida ID card number (FL ID#), or last four digits of your Social Security number (SSN).
- Special requirements apply if registering by mail for the first time, never previously voted in Florida, and never issued a FL DL or ID card or SSN. You will be required to provide identification prior to voting.

## Florida has Closed Primaries/Political Party Affiliation

- You must be registered with a political party to vote in that party's primary elections. However, in primary elections, all voters can vote on nonpartisan issues and for candidates in that partisan primary race if the candidates face no opposition in the general election.
- If registering for first time and you do not choose a party, you will be registered with no party affiliation (NPA). If you are already registered and do not choose a party, your party choice on record will remain the same.

## Public Record

- Most voter information, including phone number and email address is public. Your signature may be viewed but not copied.
- The following is not public: FL DL#, FL ID#, SSN, where you registered to vote, and whether you declined to register or update your voter registration record at a voter registration agency or office that issues FL DL or FL ID cards.
