Chapter 1: Background

The information contained in this publication is intended as a quick reference guide only. To the extent that this handbook covers material beyond that contained in law or rule, the Florida Division of Elections offers such material to candidates merely as guidelines. It is the responsibility of the person seeking to qualify to read, understand, and comply with applicable federal and state law requirements, procedures and timelines for qualifying. [Chapters 97-106](#), Florida Statutes, the [Constitution of the State of Florida](#), and Division of Elections' advisory [opinions](#) and [rules](#), the texts of which control, should be reviewed in their entirety for complete information regarding qualifying.

This handbook explains the qualifying procedures for state candidates who qualify with the Florida Department of State's Division of Elections (Division) as party candidates, no party affiliation candidates, nonpartisan candidates, or write-in candidates. It gives the qualifications for each office, with both the regular and petition methods of qualifying, along with write-in procedures.

All applicable forms and publications are available on the Division of Elections' website at dos.myflorida.com/elections/forms-publications.

Please direct any questions to the Bureau of Election Records help desk at **850.245.6280**.
