

Florida Voter Registration Application

Part 1 – Instructions (DS-DE 39, R1S-2.040, F.A.C.)(eff. MM/YYYY)

Información en español: Sirvase llamar a la oficina del supervisor de elecciones de su condado si le interesa obtener este formulario en español.

Eligibility to register: You must be a United States citizen, a Florida resident, and at least 18 year old. You may pre-register at 16 or 17, but you cannot vote until you are 18). If you have been convicted of a felony, or if a court has found you to be mentally incapacitated as to your right to vote, you cannot register or vote until your right to vote is restored.

Where to Register: 1. Online at RegistertoVoteFlorida.gov or 2. By submitting a paper application by mail or in person at any supervisor of elections' office, any office that issues driver's licenses (tax collector's office), any voter registration agency (public assistance office, center for independent living, office serving persons with disabilities, public library, or armed forces recruitment office) or the Division of Elections. Please note that if you provide a third-party voter registration organization (3Pvro) your application, the 3Pvro might not be able to deliver the application to your supervisor of elections or the Division of Elections within 14 days or by the registration deadline. You may instead opt to register online or mail or deliver the application to your supervisor of elections. To find out if your application was delivered, contact your Supervisor of Elections or check your voter status at registration.elections.myflorida.com/en/CheckVoterStatus. Supervisor of Elections' mailing addresses are on page 2.

When to Register: The deadline to register to vote is 29 days before any election. You can update your registration record at any time. However, for a Primary Election, party changes must be completed 29 days before that election. Your Supervisor of Elections will let you know if your application is incomplete or denied and reason why. If accepted, a Voter Information Card will be mailed to you.

Identification (ID): For an application (new or update) to be processed, all applicants must provide a current and valid Florida driver's license number (FL DL#) or Florida identification card number (FL ID#). If you have never been issued a FL DL# or FL ID#, then you must provide the last four digits of your Social Security number (SSN). *If you have never been issued either number, check NONE. You will still need to provide a copy of the following current, valid and unexpired IDs with this application or before you vote for your ballot to count: 1) An ID that shows your name and photo (*acceptable IDs*--U.S. Passport, debit or credit card, military ID, student ID, retirement center ID, neighborhood association ID, or public assistance ID); or 2) An ID that shows your name and current residence address (*acceptable documents*--utility bill, bank statement, government check, paycheck, or other government document).

Political Party Affiliation: Florida is a closed primary election state. A party change must be made before the registration deadline in order to vote the party races in the primary election. All voters can vote in a primary election on any issue, nonpartisan race, and race where a candidate faces no opposition in the General Election. For a current list of political parties, visit the Division of Elections' website at: www.dos.myflorida.com/elections/

Notices: 1. Voter information is public record once filed, including phone number and email address. The exceptions are FL DL#, FL ID#, SSN, where you registered to vote, and whether you declined to register or to update your voter registration record at a voter registration agency. Your signature can be viewed but not copied. (§97.0585, F.S.) 2. It is a 3rd degree felony to submit false information. Maximum penalty is 5 years in prison and/or \$5,000 fine.
