Hello, my name is Kate Duong (pronounced "dwong," in case you're wondering) and I am the Youth Services Librarian for the Columbia County Public Library. I received my undergraduate degree in English from the University of Florida, and my Graduate MLIS Degree from the University of North Carolina at Greensboro. I've been with CCPL since 2015 and I absolutely love what I do. In my previous professional life I was a high school English teacher, which has left me with an enormous amount of respect for educators and what they do as well as a personal goal to engage with and build connections with my local schools.

I hate sitting at my desk and much prefer building LEGO towers, reading books in a funny voice, or making a huge mess that I promise to clean up later. I am especially happy when I get to do more than one of these things all on the same day.
