## MEMORANDUM

TO: Supervisors of Elections

FROM: Maria I. Matthews   
Director, Division of Elections

DATE: June 2, 2023

SUBJECT: Voting System Certification # 230602-ES&S

---

The Division of Elections has examined Election Systems and Software, LLC's "EVS, Release 6.3.1.0, Version 1" voting system in accordance with Section 101.5605 (3)(b), Fla. Stat., and offered its notice of certification as #230602-ES&S.

This release is a complete revision of earlier versions of EVS. Highlights of new or modified components and functionality include:

- NEW DS300® precinct tabulator
- NEW DS950® central high-speed scanner
- Incorporating Touch Screen Ballot module into the election management system (EMS) for coding accessible ballots
- Audit mark imprinting on scanned ballots
- Ballot image review and electronic adjudication
- Operating systems updates
- Incorporating the election reporting module into the EMS
- Incorporating the voter's selected language on the ExpressVote® vote summary card
- Enhanced batch management functionality on the central count scanners
- Results modeming supported through Verizon Zero Tunnel configuration, a 4G wireless private network

Under this certification, all counties and municipalities in Florida may purchase or use this system. A copy of the certificate is enclosed for your records.
