Tool Library Collection

- Collection consists of 408 total items that were either purchased or donated. We have an annual line item in the budget for tools.
- All items are either electric, battery, or hand-powered.
- No gas-powered tools for safety reasons.

Ladders, wheelbarrows, air compressors, sawhorses, carpet cleaners, shovels, pressure washers, clamps, farm/utility jack, levels, and so much more.

We use myTurn.com to catalog our tool collection rather than our countywide ILS. It's easy to use for both staff and patrons and is customizable.

First year subscription = \$500.00 (200 users)

Current subscription = \$1080.00 (no limit)
