Re: Response to Request for Advisory Opinion – F-24-4

Dear [REDACTED],

We received your request for an advisory opinion. You indicate that you have one or more felony convictions and request whether you are eligible to vote, including whether you have any outstanding legal financial obligations under section 98.0751, Florida Statutes, which would otherwise make you ineligible to vote and, if so, a statement of the amount that must be paid to make you eligible to vote, and an explanation of how the amount was calculated.

The Division hereby responds to your request pursuant to its legal authority under section 106.23(2), Florida Statutes, and Florida Administrative Code Rule 1S-2.010, to provide an advisory opinion to you as an individual seeking to be involved in a political activity (voting) and the particular activity in your inquiry (eligibility to vote).

Per Rule 1S-2.010(4)(f), the requestor must provide the precise factual circumstances giving rise to the request. In your request, you identify yourself as [REDACTED] and give information about various convictions you have received. You do not provide us with your birthdate. In your request, you have provided several case numbers, the courts that these charges arose in, and your current address. However, you have not confirmed whether you have used other names for identification. As such, our review is based only on the information that you provided to us. The Division was able to determine the following:
