All grantees wishing to receive their award through EFT must submit a Vendor Direct Deposit Authorization form (form number DFS-AI-26E rev 3/2022), incorporated by reference, to the Florida Department of Financial Services. This is done by submitting a Change Request. Changes within a budget category that are more than 10% of the award, or moving funds from one budget category to another, require submission of a Change Request. Approval must be obtained from the Division before the changes are implemented in the project. Approval will be granted for changes that are consistent with the intent of the approved application or prior Change Requests. Changes to the project must be requested using the Change Request in the DOS Grants System at dosgrants.com.
- 9. Amendment to Contract.** Either party may request modification of the provisions of this Agreement by filing a Change Request with the Division. The Change Request must be submitted on the DOS Grants System at dosgrants.com. Changes that are agreed upon shall be valid only when amended in writing, signed by each of the parties and attached to the original of this Agreement. If changes are implemented without the Division's written approval, the organization is subject to noncompliance, the grant award is subject to partial or complete refund to the State of Florida and this agreement is subject to termination.
- 10. Financial Consequences.** The Department shall apply the following financial consequences for failure to perform the minimum level of services required by this Agreement in accordance with Sections 215.971 and 287.058, *Florida Statutes*:

14. Credit Line(s) to Acknowledge Grant Funding. The Division requires public acknowledgement of Library Cooperative Grant funding for activities and publications supported by grant funds. Any announcements, information, press releases, publications, brochures, videos, webpages, programs, etc., created as part of a Library Cooperative Grant project must include an acknowledgment that Library Cooperative Grant funds were used to create them.

17. Unobligated and Unearned Funds and Allowable Costs. In accordance with Section 215.971, *Florida Statutes*, the Grantee shall refund to the State of Florida any balance of unobligated funds which has been advanced or paid to the Grantee. In addition, funds paid in

excess of the amount to which the Grantee is entitled under the terms and conditions of the agreement must be refunded to the state agency. Further, the Grantee may expend grant and matching funds only for allowable costs resulting from obligations incurred during the specified agreement period. - 19. Single Audit Act.** Each Grantee, other than a Grantee that is a State agency, shall submit to an audit pursuant to Section 215.97, *Florida Statutes*. See Attachment B for additional information regarding this requirement. If a Grantee is not required by law to conduct an audit in accordance with the Florida Single Audit Act because it did not expend at least \$750,000 in state financial assistance, it must submit a Financial Report on its operations pursuant to Section 218.39, *Florida Statutes*, within nine months of the close of its fiscal year. Audits must be submitted on the DOS Grants System at dosgrants.com.

- 21. Obligation to Provide State Access to Grant Records.** The Grantee must make all grant records of expenditures, copies of reports, books, and related documentation available to the Division or a duly authorized representative of the State of Florida for inspection at reasonable times for the purpose of making audits, examinations, excerpts and transcripts.
- 22. Obligation to Provide Public Access to Grant Records.** The Division reserves the right to unilaterally cancel this Agreement in the event that the Grantee refuses public access to all documents or other materials made or received by the Grantee that are subject to the provisions of Chapter 119, *Florida Statutes*, known as the *Florida Public Records Act*. The Grantee must immediately contact the Division's Contract Manager for assistance if it receives a public records request related to this Agreement.

23. Noncompliance. Any Grantee that is not following Florida statutes or rules, the terms of the grant agreement, Florida Department of State (DOS) policies and guidance, local policies or other applicable law, or that has not submitted required reports or satisfied other administrative requirements for other Division of Library and Information Services grants or grants from any other DOS Division will be in noncompliance status and subject to the DOS Grants Compliance Procedure. DOS Divisions include the Division of Arts and Culture, the Division of Elections, the Division of Historical Resources and the Division of Library and Information Services. Grant compliance issues must be resolved before a grant award agreement may be executed and before grant payments for any DOS grant may be released.

24. Accounting Requirements. The Grantee must maintain an accounting system that provides a complete record of the use of all grant and matching funds as follows:

- a) The accounting system must be able to specifically identify and provide audit trails that trace the receipt, maintenance and expenditure of grant and matching funds.
- b) Accounting records must adequately identify the sources and application of funds for all grant activities and must classify and identify grant and matching funds by using the same budget categories that were approved in the grant application. If Grantee's accounting system accumulates data in a different format than the one in the grant application, subsidiary records must document and reconcile the amounts shown in the Grantee's accounting records to those amounts reported to the Division.
- c) An interest-bearing checking account or accounts in a state or federally chartered institution may be used for revenues and expenses described in the Scope of Work and detailed in the Estimated Project Budget.
- d) The name of the account(s) must include the grant award number.
- e) The Grantee's accounting records must have effective control over and accountability for all funds, property and other assets.
- f) Accounting records must be supported by source documentation and be in sufficient detail to allow for a proper pre-audit and post-audit (such as invoices, bills and canceled checks).

25. Availability of State Funds. The State of Florida's performance and obligation to pay under this Agreement are contingent upon an annual appropriation by the Florida Legislature. In the event that the state funds upon which this Agreement is dependent are withdrawn, this Agreement will be automatically terminated, and the Division shall have no further liability to the Grantee beyond those amounts already expended prior to the termination date. Such termination will not affect the responsibility of the Grantee under this Agreement as to those funds previously distributed. In the event of a state revenue shortfall, the total grant may be reduced accordingly.

- 26. Lobbying.** The Grantee will not use any project (grant or matching) funds for lobbying the state legislature, the state judicial branch or any state agency.
- 27. Independent Contractor Status of Grantee.** The Grantee, if not a state agency, agrees that its officers, agents and employees, in performance of this Agreement, shall act in the capacity of independent contractors and not as officers, agents or employees of the state. The Grantee is not entitled to accrue any benefits of state employment, including retirement benefits and any other rights or privileges connected with employment by the State of Florida.
- 28. Grantee's Subcontractors.** The Grantee shall be responsible for all work performed and all expenses incurred in connection with this Agreement. The Grantee may subcontract, as necessary, to perform the services and to provide commodities required by this Agreement. The Division shall not be liable to any subcontractor(s) for any expenses or liabilities incurred under the Grantee's subcontract(s), and the Grantee shall be solely liable to its subcontractor(s) for all expenses and liabilities incurred under its subcontract(s). The Grantee must take the necessary steps to ensure that each of its subcontractors will be deemed to be independent contractors and will not be considered or permitted to be agents, servants, joint venturers or partners of the Division.
- 29. Liability.** The Division will not assume any liability for the acts, omissions to act or negligence of the Grantee, its agents, servants or employees; nor may the Grantee exclude liability for its own acts, omissions to act or negligence to the Division.
- a) The Grantee shall be responsible for claims of any nature, including but not limited to injury, death and property damage arising out of activities related to this Agreement by the Grantee, its agents, servants, employees and subcontractors. The Grantee shall indemnify and hold the Division harmless from any and all claims of any nature and shall investigate all such claims at its own expense. If the Grantee is governed by Section 768.28, *Florida Statutes*, it shall only be obligated in accordance with this Section.
 - b) Neither the state nor any agency or subdivision of the state waives any defense of sovereign immunity or increases the limits of its liability by entering into this Agreement.
 - c) The Division shall not be liable for attorney fees, interest, late charges or service fees, or cost of collection related to this Agreement.
 - d) The Grantee shall be responsible for all work performed and all expenses incurred in connection with the project. The Grantee may subcontract as necessary to perform the services set forth in this Agreement, including entering into subcontracts with vendors for services and commodities, provided that such subcontract has been approved in writing by the Department prior to its execution and provided that it is understood by the Grantee that the Department shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.

30. Strict Compliance with Laws. The Grantee shall perform all acts required by this Agreement in strict conformity with all applicable laws and regulations of the local, state and federal law. For consequences of noncompliance, see Section 23, Noncompliance.

31. Prohibition of Expenditures to a Library Association. Expenditure of project funds (grant funds and local match funds) must not be used for an activity related to a library association. This prohibition does not apply to expenditure of project funds related to a library cooperative that receives state moneys under Sections 257.40-257.42, *Florida Statutes*. The Grantee shall perform all acts required by this Agreement in strict conformity with all applicable local, state and federal laws and regulations. The Grantee shall during the term of this Agreement be in strict conformity with all applicable local, state and federal laws and regulations.

32. Total Compensation Paid to Non-Profit Personnel. Per Section 216.1366, *Florida Statutes*, all non-profit organizations as defined in Section 215.97(2)(m), *Florida Statutes*, shall complete and return to the division within 30 days of the execution of this grant agreement the “Total Compensation Paid to Non-Profit Personnel Using State Funds” report, incorporated by reference, which shall satisfy the requirement to provide documentation that indicates the amount of state funds:

- a. Allocated to be used during the full term of the agreement for remuneration to any member of the board of directors or an officer of the contractor.
- b. Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the contractor. The documentation must indicate the amounts and recipients of the remuneration.

Non-Profit organization grantees shall complete a Total Compensation Paid to Non-Profit report for each required filer for the invoice period covered by the Payment Request.

The grantee shall also post their reports on their website, and the public agency shall post all reports to FACTS.

33. Training. The Grantee shall not use any project (grant or matching) funds for training in violation of Florida law.

34. No Discrimination. The Grantee may not discriminate against any employee employed under this Agreement or against any applicant for employment because of race, color, religion, gender, national origin, age, handicap, pregnancy or marital status. The Grantee shall insert a similar provision in all of its subcontracts for services under this Agreement.

35. Breach of Agreement. The Division shall demand the return of grant funds already received, shall withhold subsequent payments and/or shall terminate this agreement if the Grantee improperly expends and manages grant funds; fails to prepare, preserve or surrender records required by this Agreement; or otherwise violates this Agreement.

36. Termination of Agreement. The Division will terminate or end this Agreement if the Grantee fails to fulfill its obligations herein. In such event, the Division will provide the Grantee a notice of its violation by letter and shall give the Grantee fifteen (15) calendar days from the date of receipt to cure its violation. If the violation is not cured within the stated period, the Division shall terminate this Agreement. The notice of violation letter shall be delivered to the Grantee's Contract Manager, personally, or mailed to his/her specified address by a method that provides proof of receipt. In the event that the Division terminates this Agreement, the Grantee shall be compensated for any work completed in accordance with this Agreement prior to the notification of termination if the Division deems this reasonable under the circumstances. Grant funds previously advanced and not expended on work completed in accordance with this Agreement shall be returned to the Division, with interest, within thirty (30) days after termination of this Agreement. The Division does not waive any of its rights to additional damages if grant funds are returned under this Section.

37. Preservation of Remedies. No delay or omission to exercise any right, power or remedy accruing to either party upon breach or violation by either party under this Agreement shall impair any such right, power or remedy of either party; nor shall such delay or omission be construed as a waiver of any such breach or default or any similar breach or default.

38. Non-Assignment of Agreement. The Grantee may not assign, sublicense or otherwise transfer its rights, duties or obligations under this Agreement without the prior written consent of the Division, whose shall not unreasonably be withheld. The agreement transferee must demonstrate compliance with the requirements of the project. If the Division approves a transfer of the Grantee's obligations, the Grantee shall remain liable for all work performed and all expenses incurred in connection with this Agreement. In the event the Legislature transfers the rights, duties and obligations of the Division to another governmental entity, pursuant to Section 20.06, *Florida Statutes*, or otherwise, the rights, duties and obligations under this Agreement shall be transferred to the succeeding governmental agency as if it was the original party to this Agreement.
