Re: Response to Request for Advisory Opinion F-24-12

Dear Mr. [REDACTED],

On September 18, 2024, we received your request for an advisory opinion. Your letter explained that you voluntarily removed yourself from the voter roll in April 2023 because the Supervisor of Elections requested a voter registration address. You request an opinion on several cases listed below:

[REDACTED] Marion County (adjudication withheld)  
[REDACTED] Marion County (nolle prosequi)  
[REDACTED] Marion County (adjudication withheld)  
[REDACTED] Marion County (adjudication withheld)  
Direct Criminal Contempt in [REDACTED]

None of these cases constitute felony convictions. Your Supervisor of Elections informed you that these cases did not prevent you from voting however, you determined that the Supervisor's advice was not sufficient. Following receipt of the Supervisor's information, you decided to request an advisory opinion from the Division. Because the cases that you have submitted to the Division for review have not resulted in a felony conviction, you have not lost your right to vote<sup>1</sup>.

Nothing in this opinion should be construed as evaluating your voting eligibility with respect to any other felony convictions you may have. If there are additional cases or convictions you would like the Division to examine, please don't hesitate to contact us.

Sincerely,  
Florida Division of Elections

<sup>1</sup> Our records indicate that you are registered to vote, so we address only whether you have the right to vote.
