The essentials

short^{édition}

Our content... and yours!

The content comes from our community publishing platform, where we regularly publish *Short Circuit*, our quarterly review, and *The Current*, a series showcasing previously published works. We also select stories and poems from our clients' communities, giving local authors a chance to be published internationally.

Customized

Your logo on the backlit panel.
The paper features your logo as a signature in the footer.
Option of sending a specific message to your visitors.

Art for free!

Visitors are surprised by an unexpected and original invitation to read: literature within reach!
They can choose how long they want to read: 1, 3 or 5 minutes. Totally free.

Admin Portal

Real-time monitoring of each Short Story Dispenser (statistics by location, paper consumption), alerts informing managers when a roll of paper is running out.
