Dear Governor DeSantis, President Albritton, and Speaker Perez:

The Office of Election Crimes & Security (OECS) provides this Supplemental Interim Report¹ to update the Governor and the Florida Legislature on investigations concerning initiative petition fraud. This occurs when committees, companies, or individuals commit fraud while gathering signatures from Florida electors in an effort to propose amendments to the Florida Constitution.

Beginning in late 2023 and continuing into early 2024, Supervisors of Elections and Florida electors inundated the Department of State (DOS) and OECS with complaints involving

¹ This supplements the OECS Interim Report to Legislature on Initiative Petition Fraud Related to the Abortion Initiative (23-07) that was submitted on October 11, 2024. See Revision Statement, p. 21. OECS looks forward to submitting a Final Report on January 15, 2025.

Floridians Protecting Freedom, Inc. (“FPF”) and its agents. FPF is the sponsor of Initiative Petition 23-07, “Amendment to Limit Government Interference with Abortion.” The allegations included reports of paid FPF petition circulators signing petitions on behalf of deceased individuals, forging or misrepresenting elector signatures on petitions, using electors’ personal identifying information without consent, and perjury/false swearing. In the early months of 2024, several paid FPF petition circulators were arrested and charged with serious felonies. *See* App. E and F. Three of these circulators have since been convicted and sentenced, one to a multi-year prison term. In addition to the arrests, OECS has, to date, opened well more than 100 preliminary criminal investigations into individual paid petition circulators and organizations involved in the collection of petitions on behalf of FPF. Given the credibility of the allegations, OECS has referred over a hundred individual FPF cases to the Florida Department of Law Enforcement (FDLE), which is actively pursuing dozens of criminal investigations together with the Office of Statewide Prosecution.

Until recently, the investigations have focused on non-verified petitions. These are petitions gathered in support of an initiative, turned into Supervisors of Elections to verify that the information matches that of a registered elector, and then rejected because of some statutory deficiency, such as signature mismatch or incorrect identifying information. *See* § 100.371(11)(a), Fla. Stat. (setting forth requirements for petition form validation). Often, but not always, a rejected petition results in an elector being notified by the Supervisor that his or her information was incorrect and the petition was not counted. That is not the case with verified petitions.

During 2024, as more criminal investigative information came to light, OECS became increasingly concerned that FPF submitted a large number of forged signatures or fraudulent petitions to the Supervisors of Elections, many of which may have been mistakenly verified. The initial basis for this concern stemmed from OECS’s analysis of statewide data showing that a significant number of known or suspected fraudsters had petitions counted across the state.

To uncover the full extent of the fraud and identify Floridians whose identities were stolen in furtherance of election crime, OECS began a review of validated petitions in several counties submitted by known fraudsters—that is, individuals identified by Supervisors of Elections or law enforcement for previously submitting suspected forgeries or deceased elector signatures, or those with unusually high rejection rates. While conducting this review in three counties, OECS uncovered many validated petitions bearing clear indicia of fraud. OECS has referred dozens of cases to law enforcement requesting that criminal investigations be opened. Additionally, OECS learned that thousands of validated petitions bear signatures that do not match any signature the elector has on file, and thus should not have been verified as valid. *See* § 100.371(11)(a), Fla. Stat. Each of these petitions could correspond to a Floridian who (unbeknownst to him or her) is a victim of felony election fraud.

In addition to the above, OECS has also levied fines against FPF for failing to timely deliver completed petition forms (or deliver them at all) to the Supervisor of Elections, in violation of Florida law. *See* § 100.371(7)(a), Fla. Stat. To date, FPF has paid over \$186,000

in civil penalties to OECS for violations of Florida’s election laws. A fine for \$164,000 was recently paid to OECS by FPF pursuant to a settlement agreement in December 2024. *See* App. I and Q.

Moreover, OECS has received credible allegations that some of FPF’s subcontractors paid individual circulators per petition collected. This is a third-degree felony in Florida. *See* § 104.186, Fla. Stat. Several entities linked to FPF were so brazen as to advertise this illegal arrangement on social media websites. This illegal scheme is likely driving the petition fraud outlined above. If a circulator is paid per signature, circulators are incentivized to forge as many signatures as possible to make a quick and easy buck. OECS has referred a handful of pay-per-petition cases to law enforcement and prosecutors. *See* App. K.

Finally, OECS notes that the investigations of OECS and its partners at FDLE and the Office of Statewide Prosecution have been stymied by a lack of recordkeeping and cooperation on the part of FPF and its agents. Florida law requires initiative petition sponsors “to account for all petition forms used by their agents.” *See* § 100.371(9), Fla. Stat.; Rule 1S-2.009(8), F.A.C. On two occasions, OECS demanded an accounting from FPF of its records to assess, among other things, the paid-per-petition concern. FPF refused to provide the requested documents, claiming it does not have custody or control of any of the documents requested. *See* App. J.

Law enforcement has encountered similar issues with FPF’s contractors and subcontractors. FPF’s main contractor, PCI Consultants, Inc., is not registered as a Florida business entity, despite being paid over \$ 27 million dollars by FPF over the past 24 months to collect and submit abortion petitions for FPF in Florida. *See* App. L and M. Many of PCI Consultant’s subcontractors are also unregistered out-of-state entities, making it more difficult to enforce subpoenas. Reforms strengthening the corporate registration requirements and accounting mechanism (and enforcement of the same) would facilitate the accountability called for by current law. Barring outside companies from engaging in petition gathering efforts would also advance this end. OECS anticipates elaborating on this and other suggested legislative action in future reports.

It has also become clear that a significant number of paid petition circulators used by FPF were known by FPF’s agents to be fraudsters before being utilized for petition gathering. Over 55 paid circulators who submitted petitions for Initiative Petition 23-07 appeared on a “Do Not Buy” list circulated in the industry. Based on information and belief, PCI Consultants, Inc. maintains the “Do Not Buy” list. Additionally, many of these same paid FPF circulators are not Florida residents and have very minimal, if any, Florida ties, and some have significant criminal histories. Unlike many other states, Florida has not imposed a residency requirement on petition circulators or made felons ineligible for paid petition circulation. This has complicated law enforcement’s ability to detect and prosecute petition circulators’ criminal activity.

The Florida Constitution serves as the State’s organic law. Altering that fundamental charter is a serious matter, and members of the executive and legislative branches of state government have a duty to ensure that the amendment procedures established thereby are strictly

followed. See *State ex rel. Citizens Proposition for Tax Relief v. Firestone*, 386 So. 2d 561, 566-67 (Fla. 1980). As the Florida Supreme Court has long held, “The people of the state have a right to amend their Constitution, and they also have a right to require proposed amendments to be agreed to and submitted for adoption in the manner prescribed by the existing Constitution, which is the fundamental law. If essential mandatory provisions of the organic law are ignored in amending the Constitution of the state, and vital elements of a valid amendment are omitted, it violates the right of all the people of the state to government regulated by law.” *Crawford v. Gilchrist*, 59 So. 963, 967-68 (1912). All should agree that there is no room for fraud when it comes to changing the Florida Constitution. We look forward to constructive dialogue on the adequacy of current law in addressing initiative petition fraud.

Sincerely,

Interim Report to Legislature on Initiative Petition
Fraud Related to the Abortion Initiative (23-07)

October 11, 2024

Updated December 20, 2024

Executive Summary

Legislation creating the OECS (Chapter 2022-73, Laws of Florida) requires OECS to submit a report by January 15 of each year to the Governor, the President of the Senate, and the Speaker of the House of Representatives, detailing information on investigations of alleged election law violations or irregularity. *See* § 97.022(7)(a)-(e), Fla Stat. More broadly, that legislation also makes a commitment of technology, infrastructure, and resources to OECS to help conduct efficient and secure elections.

OECS submits this interim report consistent with its obligations. This report builds on OECS's last report, which noted:

During the last quarter of 2023, OECS and state election officials were inundated with an alarming amount of fraud in the constitutional initiative petition area. In the last quarter alone, FDLE made at least 8 arrests of paid petition circulators. OECS expects more arrests early this year in this area.

Final Report at 9-10.

Specifically, the previous report noted that the last quarter of 2023 saw criminal allegations against 35 paid circulators associated with the organization sponsoring Initiative Petition 23-07, Floridians Protecting Freedom, Inc. ("FPF"). These allegations affected over 1,500 electors in 35 counties. Final Report at 9-10. OECS's awareness of extraordinary levels of fraud associated with Initiative Petition 23-07 therefore predates the Florida Supreme Court's advisory opinion approving the ballot initiative. Since that time, OECS has continued to be inundated with allegations of fraud and other illegality on the part of FPF's agents. These allegations have been made by electors, Supervisors of Elections, and even FPF contractors, subcontractors and paid circulators, and have been corroborated by law enforcement.

OECS therefore undertook its own investigation of the issue, as required by Florida law. *See* § 97.022(1)(b), Fla. Stat. (tasking OECS with "initiating independent inquires and conducting preliminary investigations into allegations of election law violations or election irregularities in this state"). Based on the preliminary results of that investigation, the number of FPF paid circulators who have committed criminal activity in connection with Initiative Petition 23-07 has now grown to well over 100, affecting many thousands of Floridians in most of the State's counties. Unfortunately, the investigation also revealed that the procedures established by current Florida law allowed thousands of fraudulent and otherwise invalid petition forms to be erroneously validated for Initiative Petition 23-07.

OECS submits this interim report to policymakers in the legislative and executive branches in advance of the upcoming legislative session to summarize its preliminary findings and reemphasize the need for more effective regulation of petition circulation, verification of initiative petition forms, and enforcement mechanisms.

I. OECS INVESTIGATIONS OF ILLEGAL PETITION CIRCULATION ACTIVITY

During late 2023 and throughout 2024, OECS received an unusually high volume of complaints from Supervisors of Elections and individual Florida electors concerning Initiative Petition 23-07, “Amendment to Limit Government Interference with Abortion.” The allegations included reports of paid FPF petition circulators signing petition forms on behalf of deceased individuals, forging or misrepresenting elector signatures on petition forms, using electors’ personal identifying information without consent, and perjury/false swearing. In the early months of 2024, several FPF paid circulators were arrested and charged with serious felonies. *See* App. E and F. In addition to the arrests, OECS opened hundreds of preliminary investigations into individual FPF paid circulators and several business entities involved in the collection of petitions on behalf of FPF. In Palm Beach County alone, between June 2024 and September 2024, OECS referred 60 individual FPF paid circulators to law enforcement for fraudulent petition gathering activity. *See* App. A. OECS expects additional criminal referrals to result from the audit discussed in section III, *infra*. Given the credibility of the allegations to date, nearly all of these investigations have been referred to law enforcement and many are now active criminal investigations with FDLE and the Office of Statewide Prosecution. Below is a summary of the illegal petition circulation activity OECS has investigated and referred for prosecution.

A. Illegal Compensation Scheme

Petition fraud has bedeviled legislators, Supervisors of Elections, and Florida electors since the Florida Constitution was revised to allow for constitutional amendment by initiative petition in 1968. Article XI, section 3 provides that this power “may be invoked by filing with the custodian of state records a petition containing a copy of the proposed revision or amendment, signed by a number of electors in each of one half of the congressional districts of the state, and of the state as a whole, equal to eight percent of the votes cast in each of such districts respectively and in the state as a whole in the last preceding election in which presidential electors were chosen.” Section 100.371, Florida Statutes, has regulated the petition circulation process since the 1970s, and the Florida Supreme Court has confirmed that “the legislature, in its legislative capacity, and the secretary of state, in his executive capacity, have the duty and obligation to ensure ballot integrity and a valid election process. Ballot integrity is necessary to ensure the effectiveness of the constitutionally provided initiative process.” *State ex rel. Citizens Proposition for Tax Relief v. Firestone*, 386 So. 2d 561, 566-67 (Fla. 1980).

However, bad actors in the petition circulation industry have consistently resisted Florida’s efforts to deter, detect, and punish fraud. As recently as 2010, justices on the Florida Supreme Court observed that there were “numerous examples of fraudulent practices on the part of initiative proponents.” *Browning v. Fla. Hometown Democracy, Inc.*, PAC, 29 So. 3d 1053, 1083 (Fla. 2010) (Polston, J., dissenting with an opinion in which Canaday, J., concurred). In 2019, the Legislature recognized that such fraud is strongly incentivized by sponsors paying circulators on a per-signature basis. It therefore enacted section 104.186, Florida Statutes, which made it a first-degree misdemeanor to compensate a petition circulator based on the number of petition forms gathered. Laws of Fla., ch. 2019-64, § 4, (eff. June 7, 2019). The practice of paying per signature

continued, however, so the Legislature increased the offense to a third-degree felony in 2022. Laws of Fla., ch. 2022-73, § 28 (eff. Apr. 25, 2022).

Unfortunately, it appears Florida law was still insufficient to deter FPF's agents from compensating petition circulators based on the number of forms gathered. The petition circulation campaign for Initiative Petition 23-07 was primarily if not solely conducted and overseen by PCI Consultants, Inc., a California-based corporation specializing in petition collection for ballot initiatives. Campaign finance reports show that FPF paid PCI Consultants over \$27 million in 2023 and 2024. *See* App. M. Criminal intelligence generated by OECS, law enforcement, and the Office of Statewide Prosecutor strongly indicates that multiple subcontractors engaged by PCI Consultants paid individual circulators per petition collected, in gross violation of Florida law. At least one of these subcontractors advertised the illegal payment scheme on social media websites. *See* App. J and K. Other subcontractors better concealed the illegal payment scheme but have been accused of paying per signature by industry witnesses or petition circulators prosecuted for fraud. *See* App. N at 12, 18, 24; App. E. Competing petition circulation companies also reported credible evidence of FPF subcontractors paying per signature. *See* App. K. Subcontractors paid as high as \$10 per signature. *See* App. N at 18, 24; App. E (Harriel 1 at 7); App. J and K.

Accordingly, earlier this year, the Department made a demand for an immediate accounting of any and all petition forms and correspondence provided to FPF from subcontractors believed by OECS to have compensated FPF circulators per petition. *See* App. J; § 100.371(9), Fla. Stat. (requiring sponsors to "account for all petition forms used by their agents"); Rule 1S-2.009(8), F.A.C. FPF responded to the Department's demand by, among other things, claiming it does not have custody or control of *any* documents being requested. *See* App. J. Ostensibly, all petition forms collected by FPF paid circulators and volunteers were submitted to PCI Consultants, not FPF, and then submitted by PCI Consultants to the Supervisors of Elections on behalf of FPF.

Florida law does not require sponsors' contractors and subcontractors to comply with demands for accounting made by the Department of State, and PCI Consultants appears to have been less than helpful to Florida law enforcement agencies, even when faced with a subpoena. The State's ability to execute the subpoena has been hampered by the fact that PCI Consultants is not a registered business entity in Florida. Many of the subcontractors PCI Consultants worked with are not registered to do business in Florida, either. And unlike other states where constitutional amendments can be proposed by initiative petition, Florida has no state residency requirement for paid petition circulators. Consequently, many FPF paid circulators have few if any ties to Florida and list addresses in other, sometimes faraway, states. Some appear to be transient, going from state-to-state to do similar work. In fact, two paid circulators arrested for petition fraud in furtherance of Initiative Petition 23-07 also face charges for petition fraud in Kansas after leaving Florida. *See* App. F. The out-of-state residency of key suspects and witnesses has made for significant investigative challenges.

B. Petition Circulator Fraud

Despite these challenges, investigations have yielded a substantial amount of criminal intelligence. Law enforcement agencies have acted on OECS referrals and developed additional criminal targets based on interviews of witnesses and defendants and returns of documents, subpoenas, and search warrants. These investigations have demonstrated widespread petition fraud in connection with Initiative Petition 23-07. Fraud was incentivized by the illegal compensation scheme described above and came in various forms.

First, FPF paid circulators submitted petition forms bearing the personal identifying information of deceased individuals in several counties. Supervisors have provided evidence to OECS that FPF submitted petitions on behalf of more than 20 deceased Floridians. *See* App. C.

Second, information received from multiple Supervisors of Elections and individual Florida electors also shows paid petition circulators committing perjury/false swearing. Under section 100.371(3)(a), Florida Statutes, a person may not collect signatures or initiative petitions for compensation unless the person is registered as a petition circulator with the Secretary of State. Section 100.371(5), Florida Statutes, requires paid petition circulators to attest that the petition was signed in their presence. However, investigations show a widespread practice of registered paid petition circulators distributing petition forms with pre-signed attestations to groups of unregistered circulators, who then obtain signatures outside the paid circulator's presence. *See* App. N at 18, 49. Both the unregistered circulators who circulated petitions for compensation and the registered petition circulators who hired them committed crimes, and petition forms collected in this manner are invalid. *See* § 100.371(11)(a)5., Fla. Stat. (“The supervisor may verify that the signature on a form is valid only if . . . [t]he signature was obtained legally, including that if a paid petition circulator was used, the circulator was validly registered . . . when the signature was obtained.”).

Third, investigations have revealed that petition circulators tampered with petition forms after they were signed and submitted by electors. Statements given under oath by at least one FPF circulator prosecuted for petition fraud reveal that, prior to submitting completed forms, the subcontractor he worked for would use a website to verify personal identifying information. *See* App. N at 40-41. If the elector could be located but the petition form was incomplete (i.e., no address, date of birth, signature date, etc.), the subcontractor would fill in the missing information. *Id.* at 31.

Fourth, investigations indicate that some otherwise valid petition forms were obtained by fraud. According to the proffer of a circulator convicted of committing petition fraud in furtherance of Initiative Petition 23-07, at least one subcontractor instructed circulators to tell prospective signatories that the petition was “to keep the State of Florida from taking away women’s rights; that’s exactly what [the subcontractor] told us to tell people. Not necessarily abortion.” *See* App. N.

The fifth and perhaps most concerning discovery is evidence of bulk identity theft—circulators using electors’ publicly available personal identifying information to complete dozens, hundreds, or even thousands of petition forms without ever circulating the petition. Section

100.371(11), Florida Statutes, requires Supervisors of Elections to verify electors' identities based on four pieces of information: (1) name, (2) address, (3) voter registration number or date of birth, and (4) signature match. Outside of limited exceptions for domestic violence victims and "high-risk professionals," name, address, date of birth, and voter registration number are available in the voter extract file provided by the Division of Elections. This information can often be found on the internet as well. OECS and FDLE investigations display a pattern where enterprising circulators obtained lists of personal identifying information, copied this information onto petition forms in bulk, then forged signatures based on the electors' names. *See* App. E. The only safeguard is the signature verification process, which is seriously flawed. *See* section III, *infra*. The pay-per-petition compensation model incentivizes this type of fraud by encouraging paid signature gatherers to turn in as many forms as possible.

OECS has received complaints from many Florida electors whose information was fraudulently submitted on forms for Initiative Petition 23-07. Many complaints arose because some Supervisors notified electors when a petition form bearing their information was rejected. This in turn led electors to contact the Supervisor's office or OECS to report potential fraud. Understandably, many were angry, upset, and confused. *See* App. B.¹

Supervisors of Elections have also provided a large number of credible complaints. *See* App. C and D. In fact, Supervisors of Elections in Martin County and Osceola County have reported that members of their elections staff had their personal information misappropriated, and their signatures forged, on petition forms submitted by FPF paid circulators. *See* App. D. These fraudulent petitions accurately recorded aspects of the staff members' personal identifying information, indicating that the fraudsters may have copied this information onto the petition forms from the state voter file or another database.

These reports are corroborated by members of the petition circulation industry, including FPF's own agents. In late 2023, a circulator appeared at the R.A. Gray building in Tallahassee asking to speak with OECS. The circulator wanted to report what he believed to be petition fraud related to Initiative Petition 23-07. The circulator explained that he was the owner of a local petition circulator business working to collect signatures for the purpose of qualifying the abortion amendment for ballot placement. The circulator's employees included eight FPF paid petition circulators, whom the circulator suspected were engaged in a scheme to forge elector signatures on petition forms. The circulator brought over 600 petitions from eight different paid FPF petition circulators. The circulator believed some of the petitions to be fraudulent for several reasons. Those reasons included: at least one admission from an employee, the same handwriting for dozens of individual electors, incorrect dates of birth, names appearing to be in alphabetical order as if they were copied off a list, and signatures appearing to be forged, among other reasons. The circulator did not know which of the approximately 600 petitions were in fact fraudulent but suspected some to be so. OECS confirmed that each of the eight paid circulators in question were registered to circulate Initiative Petition 23-07. The information and paid circulator names were

¹ This represents only a sampling of complaints received from Florida electors.

immediately handed over to FDLE and the Office of Statewide Prosecution for criminal investigation. *See* App. I.

Investigations revealed that FPF’s agents were aware of fraud perpetrated by their circulators. For instance, PCI Consultants, Inc., the main entity hired to collect petitions on behalf of FPF, flagged 35 petitions submitted by one of its circulators as forgeries. *See* App. G. Despite appearing on the “Do Not Buy” list described in the next paragraph, this circulator was used by FPF in nine Florida counties and had at least six other credible complaints filed against her by electors and other election officials. PCI Consultants reported this circulator to the Supervisor of Election for Hernando County, but petition forms submitted by the circulator were validated in five other Florida counties, leading OECS to believe that PCI Consultants did not give the same notice to those counties. On another occasion, the owner of one of PCI Consultants’ subcontractors advised law enforcement that “many petitioners use Facebook, Instagram, and Yellow Pages” to obtain personal identifying information and commit bulk identity theft. *See* App. E at 9.

Through the investigative work of its law enforcement partners, OECS has also learned of, and confirmed, the existence of a “Do Not Buy” list widely circulated in the petition gathering community. Based on information and belief, PCI Consultants maintains a copy of the list. Florida, unlike many other states, has not made felons ineligible for paid petition circulation. The “Do Not Buy” list serves to give notice to entities or individuals that a particular circulator has either actively engaged in fraudulent petition gathering activities or has in the past been implicated in submitting fraudulent petitions. OECS was given access to a version of the list and confirmed that more than 50 paid circulators who submitted petitions for FPF were among those listed.²

Investigators have also uncovered the scope and methods of fraud in the course of prosecuting FPF paid circulators who violated Florida election law. Four paid circulators who submitted abortion petitions on behalf of FPF have been arrested for petition fraud in connection with Initiative Petition 23-07 thus far. All four appear on the “Do Not Buy” list. Despite this, these four, and many others who are currently under active criminal investigation, were widely utilized by FPF in its petition gathering and submission operations. Three defendants have been convicted—one of which was recently sentenced to a term of 25.8 months in the Florida Department of Corrections for petition fraud related to the abortion amendment. At least two defendants have indicated that many of the petitions they submitted were fraudulent or otherwise illegal. *See* App. E (Harriel 1); App. N (Salazar); App. P (Harriel 2). One of these defendants explained to prosecutors that it was “hard to get a hundred” petitions for Initiative Petition 23-07 in a day, and that people were generally much more willing to sign the marijuana petition circulating at the same time. *See* App. N at 27, 46. Yet this defendant noticed that other circulators were “handing [in] stacks and stacks” and “collecting a thousand a day.” *Id.* at 27, 42. When asked if other circulators ever talked about using names of other people they found online, the defendant stated: “People did that a lot. They would just fill out, people would just--fake, fake, fake, because they didn’t care.” *Id.* at 45-46.

² OECS determined that the 55 individual paid circulators on the list who submitted petition forms on behalf of FPF accounted for over 8,800 validated petition forms across the State.

Another of these circulators testified that she was trained to commit bulk identity theft in furtherance of Initiative Petition 23-07, presumably by one of FPF's subcontractors. Her instructions were to sign her name to petition forms, "[f]ive hundred at a time." App. P (Harriel 2). Next, she would compile a list of registered voters using a website called Clustrmaps and the Department of State's online voter information lookup portal. *Id.* The circulator recorded electors' first and last names, addresses, and dates of birth—"whatever needed to go on the form." *Id.* The circulator would then provide the signed forms and the list to her employer, presumably an FPF subcontractor. *Id.* "And they would do the rest. They had their little organization where they would fill out all the stuff." *Id.* The circulator was compensated at a rate of \$5 per petition form: "that was the deal." *Id.* The circulator admitted that she did all this from the comfort of her home, without ever circulating the petition. *Id.* Nevertheless, Supervisors validated 37.5% of the petitions submitted under her name. While the proffer is heavily redacted, OECS anticipates investigations will reveal that additional circulators hired and trained by the same FPF subcontractor engaged in the same method of bulk identity theft in furtherance of Initiative Petition 23-07.

Additional information about these petition circulators is provided below:

George Andrews - Pasco County case 2024CF000485

OECS began investigating George Andrews in the fall of 2023. Initially, three Supervisors of Elections offices reported receiving a total of 29 fraudulent petition forms signed by George Andrews, a paid circulator for the abortion amendment.³ Law enforcement interviewed and confirmed with 10 Florida electors that they did not complete forms for Initiative Petition 23-07. Notably, electors confirmed that the personal identifying information was accurate, indicating use of a database and bulk identity fraud. Based on information and belief, the actual number of fraud victims is much higher. Andrews submitted a total of 1,906 abortion petitions across the state; 964 were invalidated. Following the tenth elector victim interview, law enforcement made the decision to bring charges against Andrews. He was charged with 20 felony counts: 10 counts of Criminal Use of Personal Identification Information under section 817.568(2)(a), Florida Statutes, and 10 counts of Signing Another Person's Name/Fictitious name under section 104.185(2), Florida Statutes. All 20 felony counts were based on invalidated signatures on petitions related to Initiative Petition 23-07. Following Andrews' arrest, investigation into his fraud continued. Not long after his arrest, Andrews entered a guilty plea to all 20 felony counts in Pasco County, Florida case 2024CF000485. The Court sentenced Andrews to 25.8 months in the Florida Department of Corrections, where he remains as of the time of this report.

In addition to his Florida criminal case, Andrews has also been charged with 30 counts of felony petition fraud in the state of Kansas. *See* App. F. The Kansas charges remain pending. Following Andrews' Florida arrest and conviction, OECS was made aware that Andrews was listed on the "Do Not Buy" list that, based upon information and belief, is maintained by PCI Consultants, Inc.⁴ *See* App. E (Harriel 1). It is highly suspect that a person like Andrews was

³ OECS later learned that an employee of the Osceola County Supervisor of Elections Office had a fraudulent abortion petition submitted in her name. George Andrews was the circulator listed on that petition.

⁴ FPF hired PCI Consultants, Inc. to collect petition forms by hiring paid petition circulators, sometimes via subcontractors. All petitions collected by paid circulators and volunteers were submitted to PCI Consultants. It is

utilized by FPF and its contractor as a paid circulator and allowed to submit over 1,900 abortion petitions across the State of Florida.

Following Andrews' arrest, OECS analyzed statewide data and determined that in addition to 964 invalidated petition forms, Andrews also submitted 942 abortion petitions across 27 Florida counties that were validated. As part of its ongoing audit of validated petition, OECS has referred an additional 46 validated petitions to law enforcement to review for potential criminal investigation. As the OECS audit continues, OECS expects to identify additional victims of Andrews' petition fraud and make additional criminal referrals to FDLE in the coming months.

Jamie Johnson - Pasco County case 2024CF000487

OECS began investigating Jamie Johnson in the fall of 2023 at same time the George Andrews investigation. Johnson and Andrews were roommates at the time they were FPF paid circulators. Initially, four Supervisors of Elections⁵ reported receiving approximately 102 fraudulent abortion petitions⁶ signed by Johnson. During the investigation, Hillsborough County submitted another complaint against Johnson, alleging she submitted petitions in the name of at least five deceased Floridians. *See App. C.*

Law enforcement interviewed and confirmed with nine Florida electors that they did not complete forms for Initiative Petition 23-07. Notably, electors confirmed that the personal identifying information was accurate, indicating use of a database and bulk identity fraud. During the investigation, it was learned that Johnson submitted two fraudulent petitions using the same victim information as her roommate, George Andrews. Johnson also submitted a fraudulent petition using the name of the husband of one of Andrews' victims. Following the ninth victim interview, law enforcement decided to bring charges against Johnson for submitting fraudulent petitions on behalf of the Florida initiative sponsored by FPF, 23-07. Based on information and belief, the actual number of fraud victims was much higher. Johnson submitted a total of 1,647 abortion petitions across the state; 814 were invalidated. Johnson was charged with 20 felony counts: 10 counts of Criminal Use of Personal Identification Information under section 817.568(2)(a), Florida Statutes, and 10 counts of Signing Another Person's Name/Fictitious name under section 104.185(2), Florida Statutes. The initial investigation focused on invalidated petitions, and all 20 felony counts were based on invalidated signatures for Initiative Petition 23-07. Johnson was unable to be located in Florida but was eventually arrested in Nebraska. *See App. F.* At that time, Florida officials learned that Johnson was also wanted in Kansas for 19 felony petition fraud charges. The Kansas Attorney General has announced his intention to bring Johnson to Kansas for prosecution. *See App. F.* Florida is similarly pursuing extradition.

Following Johnson's arrest, OECS continued to investigate her fraud. OECS discovered that in addition to the 814 invalidated abortion petitions, Johnson also had 833 abortion petitions

OECS's understanding that PCI Consultants tracked all petition forms and submitted them to the Supervisors of Elections on behalf of FPF. FPF paid PCI Consultants over \$27 million over the past two years for their services. *See App. M.*

validated across 22 Florida counties. As part of its ongoing verified petition audit, OECS has referred an additional 56 of Johnson's validated petitions to law enforcement to review for potential criminal investigation. OECS expects to identify additional victims of Johnson's petition fraud and make additional criminal referrals to FDLE in the coming months.

Following Johnson's arrest, OECS learned that, like her co-defendant Andrews, Johnson was listed on the "Do Not Buy" list that, based upon information and belief, is maintained by PCI Consultants, Inc, FPF's main contractor. It is highly suspect that a person like Johnson was utilized by FPF and its contractor as a paid circulator and allowed to submit over 1,600 petition forms across the State of Florida.

Andre Salazar - Sarasota County case 2024CF002716

OECS began investigating Andre Salazar in late 2023. Initially, two Supervisors of Elections⁷ reported receiving a total of 33 fraudulent abortion petitions signed by Salazar. Law enforcement interviewed and confirmed with 12 Florida electors that they did not complete forms for Initiative Petition 23-07. Notably, electors confirmed that some of the personal identifying information was accurate, indicating use of a database and bulk identity fraud. Based on information and belief, the actual number of fraud victims is much higher. Salazar submitted a total of 1,585 abortion petitions across the state; 718 were invalidated. Law enforcement interviewed Salazar. Among other things, Salazar stated to law enforcement during his interview that he was employed for a period of time at a petition gathering company tasked with gathering and submitting abortion petitions; was paid \$10 per abortion petition submitted; and circulated the petition for compensation prior to registering as a paid FPF petition circulator. *See* App. E and N. Salazar also admitted that, after he became a registered FPF petition circulator, he "would have other circulators get the petitions completed for him, but he would sign them, attesting that the petition was signed in his presence." This calls into question the validity of all validated petition forms submitted under Salazar's paid petition circulator number. *See* § 100.371(11)(a)5., Fla. Stat. ("The supervisor may verify that the signature on a form is valid only if . . . [t]he signature was obtained legally, including that if a paid petition circulator was used, the circulator was validly registered . . . when the signature was obtained.").

Following the interviews, law enforcement brought charges against Salazar. He was charged with 12 felony counts of Criminal Use of Personal Identification Information under section 817.568(2)(a), Florida Statutes. All 12 felony counts were based on invalidated signatures on petition forms related to Initiative Petition 23-07. Salazar recently entered a plea agreement and provided a proffer to the Office of Statewide Prosecution as part of the agreement.

Following Salazar's arrest, OECS analyzed statewide data and determined that in addition to 718 invalidated abortion petitions, Salazar also submitted 867 abortion petitions across four Florida counties that were validated. *Cf.* App. O (news reports incorrectly claiming that all petition forms submitted by Salazar were "stopped at [the] county level and never ended up in the initiative's total"). As part of its ongoing audit, OECS has referred an additional validated abortion

petition to law enforcement to review for potential criminal investigation. OECS expects to identify additional victims of Salazar’s petition fraud and make additional criminal referrals to FDLE in the coming weeks.

Donna Harriel - Martin County case 2024CF000424

OECS began investigating Donna Harriel in late 2023. Initially, three Supervisors of Elections⁸ reported receiving a total of 186 fraudulent abortion petitions signed by Harriel.⁹ Law enforcement interviewed and confirmed with six Florida electors that they did not complete forms for Initiative Petition 23-07. Notably, electors confirmed that the personal identifying information was accurate, indicating use of a database and bulk identity fraud. Based on information and belief, the actual number of fraud victims is much higher. Harriel submitted a total of 526 abortion petitions across the state; 314 were invalidated. Law enforcement interviewed Harriel. Among other things, Harriel stated to law enforcement during her interview that she was employed for a period of time at a petition gathering company tasked with gathering and submitting abortion petitions; was paid \$10 per abortion petition submitted; and was fired from the company for committing fraud. *See App. E.*

Following Harriel’s interview, law enforcement interviewed the owner of the FPF subcontractor that fired her. He advised law enforcement of the following:

- A company subcontracting with PCI Consultants, Inc., engaged his company to hire paid petition circulators to collect abortion petitions for the Amendment sponsored by FPF;
- PCI Consultants would review and validate the petition forms before submitting them to the Supervisors of Elections;
- Harriel was at one time an employee of his company, but “Harriel was fired and placed on Do Not Buy List that is maintained by PCI”; and
- He is aware that paid petition circulators engaged in fraud, often using Facebook, Instagram, Yellow Pages, and other internet sources to obtain personal identifying information of potential victims.

See App. E.

Following the interviews, law enforcement brought charges against Harriel. She was charged with 10 felony counts: five (5) counts of Criminal Use of Personal Identification Information under section 817.568(2)(a), Florida Statutes and five (5) counts of Signing Another Person’s Name/Fictitious name under section 104.185(2), Florida Statutes. All 10 felony counts were based on invalidated signatures on petition forms related to Initiative Petition 23-07.

Following Harriel’s arrest, OECS analyzed statewide data and determined that in addition to 314 invalidated abortion petitions, Harriel also submitted 212 abortion petitions across 18 Florida counties that were validated. As part of its ongoing audit, OECS has referred an additional

⁸ Escambia, Martin, and Brevard Counties.

⁹ OECS later received additional complaints from electors and Supervisors of Elections in Indian River County, St. Lucie County, and Palm Beach County alleging that Harriel was submitting fraudulent petitions on behalf of Florida electors.

31 validated abortion petitions to law enforcement to review for potential criminal investigation. OECS expects to identify additional victims of Harriel’s petition fraud and make additional criminal referrals to FDLE in the coming months.

C. Improper Delivery

Under Florida law, a sponsor that collects petition forms or uses a petition circulator to collect petition forms serves as a fiduciary to the elector signing the petition form. *See* § 100.371(7)(a), Fla. Stat. The law requires each sponsor that collects petition forms to “promptly deliver[]” those petitions to the Supervisor of Elections within 30 days after the elector signs the form or be liable for a fine. *Id.*; Rule 1S-2.0091(2)(b), F.A.C. For each petition form that is delivered later than 30 days from the date the elector signed the form, the fine is \$50, or \$250 if the sponsor or petition circulator acted willfully. *See* § 100.371(7)(a)1, Fla. Stat. For each petition form that is not submitted to the Supervisor of Elections, the fine is \$500, or \$1,000 if the sponsor or petition circulator acted willfully. *See* § 100.371(7)(a)2, Fla. Stat.

OECS received information from Supervisors of Elections indicating that FPF violated section 100.371(7)(a), Florida Statutes, by failing to timely deliver petition forms in some cases and by failing to deliver the forms at all in others. In the past 12 months, OECS has issued three letters fining FPF for these violations. *See* App. I. FPF has paid over \$22,000 in civil fines for violating Florida election laws. *Id.* It paid another \$164,000 to the Department of State pursuant to a settlement agreement in December 2024. *See* App. Q.

It appears some of these forms were not submitted based on well-founded concerns that some or all of the forms were fraudulent. But even where a sponsoring committee or its agent suspects fraud, under Florida law, they must still submit the petition to the Supervisor of Elections. Sponsors typically comply with this requirement, and those following best practice note their concerns to the Supervisor upon submission. The Supervisor of Elections is then better able to assess fraud at the petition verification stage of the process.

II. OECS AUDIT OF VALIDATED PETITIONS

OECS’s investigations of FPF and its agents were initially focused on complaints related to non-verified petition forms—those that are invalid due to omissions, mismatching information, or other noncompliance with Florida Statutes. However, as its investigations progressed, OECS became concerned that a substantial number of forged signatures submitted by FPF were mistakenly verified as valid by Supervisors of Elections. This concern grew as evidence and testimony was gathered by OECS and law enforcement agencies in the first two quarters of 2024. Evidence in some cases indicated that the circulators did not submit *any* actual elector signatures, but rather forged or procured through fraud all of the signatures submitted. Yet when data was analyzed at the state level, OECS discovered that many forms submitted by these circulators were validated in multiple counties.

Take the four arrested petition circulators discussed in the previous section. Collectively, these four individuals had over 25 complaints from electors and election officials, stemming from submissions in 15 different counties. Collectively, the complaints alleged that approximately 370

petitions were fraudulent, and included at least 7 deceased individuals. At least two of these individuals confessed that they engaged in bulk identify theft and that most or all of the forms they submitted were fraudulent. All four of these individuals were listed on the “Do Not Buy” list discussed in the previous section. Yet, statewide data reveals that 2,854 petitions submitted by these four individuals were verified as valid and counted toward the total number and distribution of signatures required for ballot placement.

OECS is statutorily tasked with “initiating independent inquires and conducting preliminary investigations into . . . election irregularities in this state.” § 97.022(1)(b), Fla. Stat. Therefore, OECS concluded it was necessary to expand its investigation to validated forms in order to (1) determine the full scope of the fraud associated with Initiative Petition 23-07, (2) uncover the techniques used by fraudsters and recommend legislative counteraction, and (3) identify Floridians whose identities were stolen in furtherance of election crime. Unlike with other kinds of identity theft, many victims of petition fraud never know that their identities have been successfully stolen in furtherance of election crime. This is because, while a number of Supervisors notify the elector when a deficiency in a petition form bearing his or her name causes it to be rejected, few if any Supervisors notify the elector when a petition bearing his or her name has been validated. This section provides an overview of the signature verification standards established by Florida law, the methodology used by OECS to audit verified signatures for Initiative Petition 23-07, and the preliminary results.

A. Signature Verification Standards

While the Constitution does not expressly contemplate signature verification, the Florida Supreme Court has recognized that “verification is an element of ballot integrity and a task which the legislature may require to be accomplished as a prerequisite to filing an initiative constitutional proposal with the secretary of state.” *Citizens Proposition for Tax Relief v. Firestone*, 386 So. 2d 561, 566-67 (Fla. 1980). Section 100.371(11)(a), Florida Statutes, permits Supervisors of Elections to validate a petition form only if “[t]he form contains the original signature of the purported elector.” The Secretary of State has a statutory responsibility to “[p]rovide mandatory formal signature matching training to supervisors of elections and county canvassing board members,” and “[a]ny person whose duties require verification of signatures must undergo signature matching training.” § 97.012(17), Fla. Stat. The Department of State has a corresponding duty to “adopt rules governing signature matching procedures and training.” *Id.* Section 100.371(14), Florida Statutes, further authorizes the Department of State to adopt rules to carry out the provisions of subsection (11).

Florida Administrative Code Rule 1S-2.056(1) fulfills these statutory mandates by creating a two-hour online training program available at dos.fl.gov/elections/signaturetraining. The required training course for the 2024 election cycle, entitled “Signature Verification Training for Florida Supervisors of Elections & Canvassing Boards” (the DOS Training), is presented by Thomas W. Vastrick, an expert in the field of forensic document examination. The DOS training instructs signature matchers: “Don’t trust your eyes. Don’t just look at the signature and say yes or no. Break it down into its component parts.” DOS Training, *Wrap Up: Review of Concepts*. For initiative petitions, the component parts include spacing, letter height ratio, baseline habits, letter

connections, initial and terminal strokes, pen pressure, letter design, slant, pen lifts, width versus length proportions of loops, curves at initial and terminal strokes, crossbar positions, angular versus smooth curve, buckles, extra or missing strokes, pen control, consistent left margin, ink or writing instrument, simplicity, and disguise or slowness. DOS Training, *Wrap Up: Review of Concepts*. The DOS Training equips trainees to assess each of these component parts. DOS Training, *Red Flags & Forgery: Slowness; Red Flags & Forgery: Forgery; Red Flags & Forgery: Simple or Illegible Signatures; Signature Examinations: Signature Examinations; Signature Examinations: Petitions and Disguise*. The training concludes by instructing signature reviewers to adhere to these “uniform standards for evaluating signatures from the outset” and reiterates the importance of “follow[ing] the standards set forth in law for validating or invalidating or accepting or rejecting, as may be applicable a ballot, a cure affidavit, a petition, or other signed document.” DOS Training, *Wrap Up: Key Take-Aways*.

B. Audit Methodology

The objectives of OECS’s audit of forms validated for Initiative Petition 23-07 are three-fold: (1) to determine the extent and methods of the fraud, (2) to identify recommendations to strengthen the integrity of the petition process moving forward, and (3) to identify circulators committing election crime and seek justice on behalf of any Floridian whose identity was stolen thereby.

To these ends, OECS compiled a list of known or suspected fraudsters who submitted validated petition forms for Initiative Petition 23-07. This list includes individuals who:

- (a) were the subjects of a complaint alleging fraudulent petition circulation submitted to OECS by an elector or Supervisor;
- (b) submitted a petition in the name of a deceased individual;
- (c) were implicated by an admission from a defendant or cooperating witness; or
- (d) had an invalid rate substantially higher than the state average.

OECS then analyzed county data to determine locations where known or suspected fraudsters had a large number of petitions verified as valid. OECS issued requests to audit verified petitions in several of those counties. Counties accommodating OECS’s requests arranged for physical or remote review of the requested petitions.

OECS selected Department of State employees who demonstrated mastery of DOS’s signature matching standards to conduct the limited audit of forms validated for Initiative Petition 23-07 (“DOS auditors”). Each DOS auditor has a valid and up-to-date signature match training certificate. *See* Rule 1S-2.056(1), F.A.C. Auditors were instructed to assess whether forms contained all statutorily required information about the elector and petition circulator and a matching signature. For each petition form analyzed, the auditor made one of four findings:

Status Code	Status Description
Valid	Agree with Supervisor's decision to validate
Invalid	Do not agree with Supervisor's decision to validate; highly confident the petition is invalid
First review indeterminate	Validity is questionable; requested second reviewer
Missing	Missing or defective scan; OECS unable to make a determination

C. Preliminary Results

To date, OECS has audited verified petitions in three counties: Palm Beach, Orange, and Osceola Counties.

Palm Beach County

The audit began with a visit to Palm Beach County to obtain information about the county's storage of petitions and the signature comparison process. OECS began in Palm Beach County because (1) it is among the most organized Supervisor of Elections office in terms of cataloging and sharing evidence of petition-related fraud with OECS and county electors; and (2) there was evidence of substantial fraud on the part of circulators submitting petition forms there. *See App. A* (referring 60 individual FPF paid circulators for criminal investigation, all due to elector declarations or forms containing the personal identifying information of electors who were deceased at the time of the alleged signature).

While there, OECS reviewed a sample of 41 validated petition forms submitted by known or suspected fraudsters. OECS compared the information on the forms with the statutory requirements set forth in section 100.371(11)(a), Florida Statutes. Although the sample size was small, this initial review produced concerning findings. Perhaps most surprising was the number of signatures that did not match any signature on file. Fifteen signatures were not remotely close, while an additional five warranted secondary review.¹⁰

Total Verified Petitions Reviewed	41
Valid	21
Invalid	15
First review indeterminate	5
Missing	0
Invalidity Rate	36.6% or more

Several forms contained additional indicia of fraud, such as suspect handwriting, the inclusion of both a voter registration number and date of birth (only one is required and many electors do not have ready access to their voter registration numbers when approached in public),

¹⁰ Except for petition forms audited both in *Orange County 1* and *Orange County 2*, secondary reviews have not yet been completed.

and circulator affidavits signed days after the signature was obtained. OECS referred these forms to law enforcement for criminal investigation. OECS also determined that, of the 41 petitions reviewed, multiple petitions were submitted on behalf of five electors. It is a crime for a person to knowingly sign a petition for an issue more than one time under section 104.185(1), Florida Statutes. OECS referred these five forms to law enforcement to investigate whether the electors submitted multiple forms, or submitted one petition only and were the victim of fraud with respect to the second form.

Orange County 1

Based on the initial findings in Palm Beach County, OECS decided it should review additional populous counties that, according to OECS analysis, had high levels of validated submissions from known or suspected fraudsters. OECS assembled a larger team and sought targeted petitions from Orange County, a populous county relatively near Tallahassee. Like in Palm Beach County, OECS reviewed validated petitions submitted by known or suspected fraudsters. However, rather than requesting a sample, OECS requested all petitions meeting that criteria.

The initial Orange County review consisted of 2,216 validated petitions,¹¹ and the findings were similar to Palm Beach County. Many of the petitions contained a signature that clearly did not match any signature on file. The results of the review were:

Total Verified Petitions Reviewed	2,216
Valid	1,214
Invalid	715
First review indeterminate	287
Missing	0
Invalidity Rate	32.3% or more

A number of the petitions contained additional indicia of fraud, such as suspect handwriting, indecipherable or misspelled names, incorrect date of birth, and circulator affidavits signed days after the signature was obtained.

Orange County 2 (U.S. Congressional District 9)

Based on the overarching fraud concerns outlined in the earlier sections of this report and the Palm Beach County and Orange County reviews, OECS decided to undertake a larger, more comprehensive review of all verified petition forms—i.e., not limited to those submitted by known and suspected fraudsters. OECS returned to Orlando to conduct a second Orange County review. In this review, OECS requested all 11,306 petitions validated by the Orange County Supervisor of Elections within the Ninth United States Congressional District. (OECS ultimately received and reviewed 9,810 of these petitions. OECS and Orange County are reconciling why the additional 1,496 petitions were not provided to OECS. OECS intends to complete its review of those

remaining petitions as soon as they are provided.) As would be expected, the audit revealed a lower rate of invalidity than when known and suspected fraudsters were viewed in isolation. However, at 20.9% or more, this rate is still concerningly high.

Osceola County

After completing the second Orange County audit, a team of DOS auditors was sent to neighboring Osceola County. OECS believed it would be helpful to compare the results from Palm Beach County (1.5 million residents in 2022) and Orange County (3.2 million residents in 2022) with a smaller county where petitions submitted by known and suspected fraudsters accounted for a smaller number of validated forms. Osceola County (423,000 residents in 2022) fit this description and is located entirely within the Ninth U.S. Congressional District. The audit revealed a significantly lower rate of invalidity.

Total Verified Petitions Reviewed	1,378
Valid	1,153
Invalid	102
First review indeterminate	123
Missing	0
Invalidity Rate	7.4% or more

These widely disparate invalidity rates indicate that some Supervisors of Elections offices may be utilizing far more effective internal controls over signature verification than others. Preliminary results indicate that more populous counties may have faced more difficulty in accurately verifying signatures submitted for Initiative Petition 23-07 than smaller counties. OECS plans to conduct a thorough analysis of the methods used by Supervisors to hire signature verifiers, confirm that they have completed the mandatory training, and ensure that they are accurately applying the standards established by DOS. OECS will report its findings in future reports.

Analysis

Current Florida law places immense weight on signature verification. Because all other required personal identifying information is publicly available, a robust signature match procedure is the only real line of defense for ballot integrity. Unfortunately, the preliminary results of OECS’s audit indicate that some counties failed their statutory obligation to verify petition forms for Initiative Petition 23-07 in accordance with the standards “governing signature matching” promulgated by Department of State. *See* §§ 97.012(17), 100.371(14), Fla. Stat.

Thus far, OECS has reviewed and analyzed a total of 13,059 validated petition forms. OECS has determined that, at a minimum, 2,650 should not have been validated due to statutory deficiencies or a clear mismatch between the signature on the petition and any signature on file. While there is a wide range of invalidity rates between the three audited counties, on average, 25.4% of petition forms that were submitted by known or suspected fraudsters and verified by the Supervisor of Elections should have been rejected due to statutory deficiencies or a clear signature mismatch.¹² Based on the only county where data is available, the invalidity rate drops by 35.4% when all circulators are included.¹³ Applying this “drop off rate” (35.4%) to the average invalidity rate for known or suspected fraudsters (25.4%) yields an average total county invalidity rate of 16.4%.¹⁴

These county figures, while based on a small sample size and subject to change with additional data, allow for extrapolation of invalidity rates by United States congressional district (CD). Consider the Ninth Congressional District, which is comprised of Osceola County and portions of Orange and Polk Counties. Applying the total invalidity rate in Orange County (*Orange 2 audit*), applying the invalidity rate for known and suspected fraudsters in Osceola County (*Osceola audit*) adjusted by the drop off rate (*Orange 1 audit* Δ *Orange 2 audit*), and applying the average total county invalidity rate (*see n.14*) for Polk County results in a projected CD invalidity rate of 11.7%.

Five other congressional districts both (a) contain portions of audited counties and (b) received validated signatures equal to eight percent of the votes cast in the last preceding presidential election: CD10, CD20, CD21, CD22, and CD23.

CD10, which contains another portion of Orange County, would be expected to have an invalidity rate around 20.9% (*Orange 2* audit).

CD20 contains portions of Broward and Palm Beach Counties. Applying the invalidity rate for known and suspected fraudsters in Palm Beach County (*Palm Beach audit*) adjusted by the drop off rate (*Orange 1* audit Δ *Orange 2* audit)¹⁵ and applying the average total county invalidity rate (*see n.14*) for Broward County results in a projected CD invalidity rate of 18.2%.

CD21 contains Martin and St. Lucie Counties and a portion of Palm Beach County. Applying the invalidity rate for known and suspected fraudsters in Palm Beach County (*Palm Beach audit*) adjusted by the drop off rate (*Orange 1* audit Δ *Orange 2* audit) and applying the average total county invalidity rate (*see n.14*) for Martin and St. Lucie Counties results in a projected CD invalidity rate of 18.4%.

CD22, which contains another portion of Palm Beach County, would be projected to have the invalidity rate for known and suspected fraudsters in Palm Beach County (*Palm Beach audit*) adjusted by the drop off rate (*Orange 1* audit Δ *Orange 2* audit), which is 23.6%.

CD23 contains portions of Broward and Palm Beach Counties. Applying the invalidity rate for known and suspected fraudsters in Palm Beach County (*Palm Beach audit*) adjusted by the drop off rate (*Orange 1* audit Δ *Orange 2* audit) and applying the average total county invalidity rate (*see n.14*) for Broward County results in a projected CD invalidity rate of 18.5%.

Pending additional audits, the projected invalidity rate of CDs composed of unaudited counties is 16.4% (the average total county invalidity rate, *see n.14*).

As for the statewide invalidity rate, the cumulative invalidity rate for known or suspected fraudsters is 22.9%.¹⁶ Applying the drop off rate results in a projected statewide invalidity rate of 14.8%.¹⁷

In addition to shedding light on the true number of valid petition forms submitted for Initiative Petition 23-07, the audit has generated a great deal of information that OECS plans to deploy in the form of legislative proposals and additional criminal referrals. OECS has made or anticipates making hundreds of more criminal referrals based on the audited petition forms. OECS's audit therefore remains ongoing. OECS has outstanding requests to Hillsborough and Alachua Counties for access to validated petition forms submitted by known or suspected fraudsters. OECS has also requested a larger sample of validated forms from Palm Beach County. OECS plans to make additional requests, focusing on populous counties with high levels of validated forms submitted by known or suspected fraudsters. OECS further plans to request an

Conclusion

OECS continues to be active and vigilant in its efforts to combat election fraud. The fraud outlined in this report is unacceptable, and it is imperative that the state consider major reforms to the initiative petition process to prevent groups from doing this ever again in Florida.

Revision Statement

Dear Governor DeSantis, President Albritton, and Speaker Perez:

This supplemental Interim Report includes statements proffered by a circulator convicted of petition fraud in furtherance of Initiative Petition 23-07 made public after the Interim Report's initial publication on October 11, 2024. The statements indicate that at least one FPF subcontractor instructed circulators to commit bulk identity theft. The supplement also discusses FPF's \$164,000 payment to the Department of State pursuant to a settlement agreement executed on December 16, 2024. The agreement followed a DOS letter imposing penalties on FPF for failing to deliver completed petition forms.

OECS would also like to direct your attention to three numerical errors in the initial Interim Report. Please note that these errors did not affect any of the invalidity rates calculated or projected by the report.

On page 17, the table for *Orange County 2* reported the number of Total Verified Petitions Reviewed as 9,810. The correct figure is 9,672, which is the sum of petition forms audited as Valid (6,840), Invalid (2,017), and First Review Indeterminate (815). The invalidity rate of 20.9% was calculated using the correct figure.

On page 17, the first paragraph under the subheading *Osceola County* has been revised to read: "After completing the second Orange County audit, a team of DOS auditors was sent to neighboring Osceola County. OECS believed it would be helpful to compare the results from Palm Beach County (1.5 million residents in 2022) and Orange County (3.2 million residents in 2022) with a smaller county where petitions submitted by known and suspected fraudsters accounted for a smaller number of validated forms. Osceola County (423,000 residents in 2022) fit this description and is located entirely within the Ninth U.S. Congressional District. The audit revealed a significantly lower rate of invalidity."

On page 18, the first sentence of the first paragraph contained erroneous figures. It now reads: "Thus far, OECS has reviewed and analyzed a total of 13,059 validated petition forms. OECS auditors have determined that, at a minimum, 2,650 should not have been validated due to statutory deficiencies or a clear mismatch between the signature on the petition and any signature on file." 248 petition forms were reviewed in both *Orange County 1* and *Orange County 2*. Of the 248 double-reviewed petition forms, 49 were audited as invalid in both *Orange County 1* and *Orange County 2* or were audited as invalid in either *Orange County 1* or *Orange County 2* and audited as first review indeterminate in the other. The 13,059 figure was calculated by subtracting the number of double-reviewed petition forms (248) from the sum of total verified petition forms audited in *Palm Beach County* (41), *Orange County 1* (2,216), *Orange County 2* (9,672), and *Osceola County* (1,378). The 2,650 figure was calculated by subtracting the number of double-reviewed petition forms (248) from the sum of petition forms audited as invalid in *Palm Beach County* (15), *Orange County 1* (715), *Orange County 2* (2,017), and *Osceola County* (102), then adding back the number of petition forms audited as invalid in both *Orange County 1* and *Orange County 2* or audited as invalid in either *Orange County 1* or *Orange County 2* and audited as first review indeterminate in the other (49).

For clarity, page 19 now includes a projection of the statewide invalidity rate. As initially published, the report projected invalidity rates by U.S. congressional district only.

Minor grammatical and typographic errors unrelated to the results of OECS's audit of validated petition forms have also been corrected.

*Re: Palm Beach County Paid Petition Circulators / Initiative Petition 23-07, the
Abortion Amendment (supplement to July 11, 2024 letter)*

Dear Andrew Watts, Special Agent Supervisor:

This letter is a supplement to the referral letter (attached hereto as Exhibit "1") submitted to you on July 11, 2024. As indicated in the July 11, 2024, letter, we have received some alarming information from the Palm Beach County Supervisor of Elections Office over the past several months regarding fraudulent constitutional initiative petitions received from Floridians Protecting Freedom, Inc. (the sponsoring political committee for Initiative Petition 23-07, the Abortion Amendment). Pursuant to section 97.012(15), Florida Statutes, and Rule 1S-2.025, Florida Administrative Code, the Office of Election Crime & Security ("OECS") has conducted preliminary investigations into the following allegations to determine if the alleged violation(s) warrant a criminal investigation referral to your office, as established by Rule 1S-2.025, Florida Administrative Code.

OECS has received credible information that the following petition circulators for Initiative Petition 23-07, have submitted suspected illegal petition form(s), in violation of section 100.371(5), section 104.011, and chapter 817, Florida Statutes:

A large black rectangular redaction box covering the names and identifying information of the petition circulators mentioned in the letter.

As detailed in the attachments to this letter, the Palm Beach County Supervisor of Elections Office received petitions from Floridians Protecting Freedom, Inc. (the sponsoring political committee) who were identified as not actually having signed the initiative petitions. The Palm Beach County Supervisor then secured signed complaint forms from the individual voters attesting to the fact that they did not sign the petition forms submitted in their names. Some of the above-named circulators also signed petitions on behalf of individuals who were deceased at the time the petition was allegedly signed. The circulators appear to have forged the voters' signatures and inserted the voters' personal identifiable information into the petitions without consent. The petition forms indicate that the above-listed individuals are the paid circulators who collected the petitions. Our office will supplement this letter with all registration documents related to each of the individual circulators. All of the above-listed individuals are paid circulators for the Initiative Petition, 23-07.

The allegations contained in this letter concern only Palm Beach County. Given the volume of allegations in Palm Beach, as well as other Florida counties¹ OECS has previously referred to your office, OECS respectfully asks you to prioritize the resolution of this investigation.

¹ OECS has previously opened over seventy-five (75) investigations (and referred nearly all to FDLE) into individual paid petition circulators involved in the collection of petitions on behalf of Floridians Protecting Freedom, Inc.

Of the twenty-seven (27) individuals listed above, they account for 36,889 submitted petitions around the state, of which 26,089 were verified as valid. OECS is concerned that a substantial number of voter signature forgeries were submitted by Floridians Protecting Freedom, Inc. and verified as valid by the Supervisors of Elections.

Nothing in this referral letter should be interpreted to limit the scope of your investigation or the nature of any and all criminal charges your office uncovers.

Sincerely,

your office, OECS respectfully asks you to prioritize the resolution of this investigation. In addition to the allegations and circulators listed above, the Palm Beach County Supervisor has identified more petition circulators collecting petitions for Floridians for Protecting Freedom, Inc. who appear to have engaged in fraud, and OECS plans to supplement this letter with additional criminal referrals in the coming weeks.

I received a letter in early December 2023 from the Flagler County Supervisor of Elections about a signature discrepancy from a petition I had signed compared to the signatures they had on file. When I went to the office I was shown a petition that I have never seen and it was filled out the handwriting was not mine, nor was the signature mine.

Andrew,

Below is an email from my staff concerning potential fraudulent initiative petitions. Please take a look at the email below and the attachments. Can you give me a call at your earliest convenience? As always, thank you for your help.

Attached are three PDF files, one for each circulator, for Petition 2307 (Amendment to Limit Government Interference with Abortion) that contain invalid voter signatures. These three circulators were first identified by the Sponsor as having potentially fraudulent petitions. Upon validation of the petitions, they were all found to be invalid. Some of these circulators had petitions in several batches and the petitions from all the batches are included.

Summary:

Circulator	Valid	Invalid	Totals by Circulator
[REDACTED]	0	8	8
[REDACTED]	0	16	16
[REDACTED]	0	11	11

Thank you,

Ms. Renney and Mr. Van de Bogart –

On August 9 and 11, 2023, our staff processed the attached petitions submitted by [REDACTED] (Circulator Registration Number [REDACTED]) and [REDACTED] (Circulator Registration Number [REDACTED]). Our records indicate [REDACTED] and [REDACTED] are paid petition circulators with Floridians Protecting Freedom, Inc. – Amendment to Limit Government Interference with Abortion 23-07.

We have reason to believe there is potential fraud with the attached petitions. The two petitions received a disposition of “Signature Different” due to signature mismatch. The petitions were purportedly signed by [REDACTED]. [REDACTED] were sent signature update letters. Upon receiving her letter, [REDACTED] called our office to inquire why the letter was sent. It was explained that we received a petition that she purportedly signed that was rejected due to the signature not matching our records. [REDACTED] stated that she did not remember signing the petition, and stated that [REDACTED] avoid signing petitions. [REDACTED] asked if [REDACTED] could view the petitions in person. On September 8, 2023, at approximately 11 a.m., [REDACTED] came to our office and identified themselves by presenting their Florida Driver Licenses. After viewing the petitions, [REDACTED] affirmatively stated neither the signatures nor handwriting was theirs, and the petitions were completed without their knowledge.

Attached are copies of the initiative petition forms and the Circulator Batch Rollup for [REDACTED] and [REDACTED]. For petition 23-07, over half of each circulator’s petitions were deemed invalid by staff.

Today, September 27, 2023, we left a phone message for Mr. Raymer Maguire, Chairperson, and Gloria Maggiolo, registered agent / treasurer for Floridians Protecting Freedom, Inc., to notify them of the potential fraud. We informed both that we are submitting this information to you and our County Attorney, Jewel White, for referral to the State Attorney of the Sixth Judicial Circuit.

If you have any questions regarding the petitions, please contact me at (727) 464-5751. If you have any legal questions, please contact Ms. White at (727) 464-3354.

Subject: Potentially Fraudulent Petitions

Good afternoon,

Please find attached copies of potentially fraudulent initiative petitions submitted to our office, along with a corresponding Excel spreadsheet containing additional details.

Column L in the spreadsheet contains an office-originated reason code for having pulled these particular petitions. The column contains either a "1" or a "2." A "1" in the L column indicates that the circulator was identified by the organization as potentially having submitted fraudulent petitions and that the signature in question did not match the voter signature on file. A "2" in the L column indicates that our office reviewed the signature in question (without receipt of information pertaining to the circulator from the organization) and it clearly did not match the voter signature on file.

Thank you for your assistance. If you have any questions or need any additional information, please let me know.

Sincerely,

Colleen O'Brien

I heard back from the Chief of Investigations this AM and he confirmed the subject has not yet been arrested but the warrant is active. [REDACTED] is the case agent assigned to the file, but I understand he was just recently promoted so he may be moving off the case in the near future at which time a new case agent will be assigned. In the meantime, [REDACTED] is the point of contact on the case and his number is [REDACTED]. I have also included him on this email.

[REDACTED] SOE Davis is the referral source for the Martin County allegations. I believe at least one of her staff members was victimized by this individual. SOE Davis asked me for an update on the case and I spoke to [REDACTED] and he provided your contact information to pass along to the Supervisor.

As always, feel free to reach out to me with any questions or concerns.

Subject: Follow-up re: initiative fraud

SOE Davis,

It was nice to see you at the FSE Conference. An arrest warrant has been issued for the petition circulator you referred us who was forging abortion petitions in your county. I don't believe the subject has been located/arrested yet, but there is an active felony warrant outstanding. I believe the initial warrant is based on five felony counts and my understanding is that some, possibly all, of those individual victims are Martin County residents. I know you had hundreds of potential fraudulent petitions, so I don't know whether they plan to add more charges as investigation unfolds or what the plan is. I do have an email out to the head of investigations at FDLE requesting the contact info for the agent running point on the case. I told him that you reached out to me and may have some questions about the case. I will forward you the FDLE case agent contact info as soon as I receive and you can get the most up to date information from him. I will forward you any additional updates i receive on the case as well. I will be in touch soon.

I had one voter who called but did not want to complete the form from the state. These are petitions that when we are verifying do not match the signature on file but they have some of the same characteristics within the signatures submitted by the petitioner. A lot of times voters do not want to file a complaint as long as the petition does not count. I was sending these to you as we noticed similarities in signatures by petitioner.

Let me know if you would like me to continue to send these or hold them until a voter files a complaint.

Before me, _____, Judge of the Sixth Judicial
Circuit in and for Pasco County, Florida, personally appeared,
Inspector Leslie Pulling of the Florida Department of Law
Enforcement, who, being first sworn, deposes and says:

Your Affiant, Leslie Pulling, has been a member of the Florida
Department of Law Enforcement (FDLE) since 2001. Your Affiant
was a sworn special agent for 14 years and has been a sworn
inspector for 1 year. Your Affiant has worked in various
divisions within FDLE to include, The Florida Fusion Center,
Evidence Division, Public Assistance Fraud (PAF), Economic
Crimes Squad, Major Case squad, Organized Crime squad, Cyber
and High-Tech Crimes Squad, and is currently assigned to the
Election Crime Unit. Your Affiant has attended several
seminars, conferences, and schools providing training for
conducting investigations of fraud-related offenses. Your
Affiant has attended several seminars providing training for
conducting election crime investigations. The following is
a list of courses where your Affiant has received training
and gained a level of proficiency: International Money
Laundering Investigations; Federal & State Approaches to

Fraud, Schemes, and Other Financial Crimes; Conspiracy Investigations; and the FBI-LEEDA Identity Theft Summit.

Your Affiant is empowered to conduct investigations of violations of the criminal laws of the State of Florida, including those enumerated in Chapters 104 and 817, pertaining to petition fraud and criminal use of personal identification information. Your Affiant believes that the laws of the State of Florida have been violated, specifically those laws enumerated in Chapters 817.568(2)(a), Criminal Use of Personal Identification Information, and 104.185(2) Knowingly Signing Another Person's Name or a Fictitious Name on a Petition.

In investigating this case, Your Affiant reviewed records provided by the supervisors of elections, collected witness statements and conducted interviews, and your Affiant has also conducted follow-up investigation. This case is being prosecuted by the Florida Attorney General's Office, Office of Statewide Prosecution.

The investigation is aggregated and summarized as follows:

During the period of August 10, 2023, through October 5, 2023, the Florida Department of Law Enforcement (FDLE), Office of Executive Investigations (OEI), Elections Crime Unit (ECU), received information related to an individual identified as GEORGE EDWARD ANDREWS III (DOB: 09/20/1993) who was a Paid Petition Circulator (PPC).

Your Affiant learned that ANDREWS had submitted numerous invalid signatures on petitions related to the Florida ballot initiative sponsored by Floridians Protecting Freedom (23-07). These petitions were believed to be fraudulently completed and submitted with forged signatures. The petitions were submitted to the Supervisor of Elections offices in Pasco County, Sumter County, Hernando County, and Pinellas County. Your Affiant was provided copies of the alleged fraudulent petitions.

In Your Affiant's training and experience, Your Affiant is aware that PPC's work for numerous citizen's initiative groups that collect and submit signatures for petitions to amend the Florida Constitution. According to Section 100.371, Florida Statutes, any person who is or will be paid to collect initiative petitions must first register with the Department of State before collecting petitions. Information submitted to register as a paid petition circulator (PPC) becomes public record, subject to any applicable exemptions under Florida law.

Your Affiant is aware that proposed amendments to the Florida Constitution may be made by a joint resolution of the Florida Legislature, a citizens' initiative, a proposal from the Constitution Revision Commission, or a proposal from the Taxation and Budget Reform Commission. A proposed amendment requires at least 60% approval from voters to pass. A citizen's initiative for a constitutional amendment requires petitions to be signed by Florida voters before the proposed amendment can appear on the ballot. Each election cycle, the Florida Department of State, Division of Elections determines the number of voter signatures that must be gathered in order for an amendment proposed by citizen initiative to appear on the ballot. Your Affiant is aware that, for the 2024 election cycle, a petition must be signed by 891,523

voters, with additional requirements as to where those electors must be located. (Per the Florida Constitution, the number of signatures needed is based on 8% of the voters who cast votes in the last Presidential election).

Voter signatures must be gathered via use of a Constitutional Amendment Initiative Petition Form ("Form"), which lists the voter's name, address, voter registration number, or date of birth, and has a place for the voter's signature and date signed. Your Affiant is aware that the Form also requires that the circulator or PPC include their name, circulator number, address, signature, and must contain the date of signature. Your Affiant is aware that each circulator and PPC is assigned a specific circulator number that is recorded with the Division of Elections.

The fourth section of the Form states: "This petition form is only to be circulated and collected by a paid petition circulator. After the voter signs the form, the circulator must complete the affidavit below." The PPC's affidavit has a space for the circulator's name, circulator's registration number, and circulator's address.

There is also a disclaimer: "By my signature below, as petition circulator, I verify that the petition was signed in my presence. Under penalties of perjury, I declare that I have read the forgoing Petition Circulator's Affidavit and the facts stated in it are true." Below is a space for the circulator's signature and the date attesting that the voter was present.

According to records provided to FDLE by the Florida Department of State, Division of Elections, on or about June 25, 2021, PPC GEORGE EDWARD ANDREWS' application was approved to become a paid petition circulator. ANDREWS used the email address of andrewsiigeorge@gmail.com. The application also included ANDREWS' personal information including his name, address, and phone number which was self-reported as (352) 458-8862. GEORGE EDWARD ANDREWS III was assigned Circulator ID # 23753.

Your Affiant reviewed the information noted above that was provided to the FDLE by the Pasco County Supervisor of Elections; the Sumter County Supervisor of Elections; and the Florida Department of State (DOS), Office of Election Crime and Security (OECS). According to each of the reporting agencies, a review of the petitions submitted by PPC GEORGE EDWARD ANDREWS III (hereinafter "ANDREWS") revealed numerous petitions that appeared to be fraudulently signed and submitted. The supervisors of elections suspected these petitions were fraudulently completed because the signatures on the submitted petitions did not appear to match the signature on file for the voter listed. These petitions were all related to Amendment Title 23-07, which was sponsored by Floridians Protecting Freedom, Inc. and titled "Amendment to Limit Government Interference with Abortion".

The Ballot Summary was listed as "No law shall prohibit, penalize, delay, or restrict abortion before viability or when necessary to protect the patient's health, as determined by the patient's healthcare provider. This amendment does not change the Legislature's constitutional authority to require notification to a parent of guardian before a minor has an abortion."

Your Affiant reviewed copies of these alleged fraudulent petitions. A total of twenty-nine (29) alleged fraudulent petitions submitted by ANDREWS were submitted to Supervisor of Elections offices in Pasco, Sumter, and Pinellas counties. Each of these petitions included a voter's name, address, date of birth, and alleged signature.

Your Affiant conducted interviews of ten (10) of these voters that did not complete the petitions that were submitted using their personal identifying information (PII). Your Affiant learned that these voters did not sign the petitions submitted by ANDREWS and that they did not consent to the use of their personal identification information. COMES NOW, your Affiant, Inspector Gary Negrinelli of the Florida Department of Law Enforcement, who, being duly sworn makes application for an arrest warrant, and in support of this application makes the following statements under oath:

BACKGROUND

Your Affiant, Inspector (Ins.) Gary Negrinelli, has been a member of the Florida Department of Law Enforcement (FDLE) since 2015. Your Affiant was a Sworn Special Agent for 6 years and has been a Sworn Inspector for 3 years. Your Affiant has worked in various divisions within FDLE to include, Major Case squad, Organized Crime squad, Counter Terrorism squad, Protective Operations squad, The Office of Statewide Intelligence and is currently assigned to the Election Crime Unit. Your Affiant has attended several seminars, conferences, and schools providing training for conducting investigations of fraud related offenses. Your Affiant has attended several seminars providing training for conducting election crime investigations.

Your Affiant is empowered to conduct investigations of violations of the criminal laws of the State of Florida, including those enumerated in Chapters 104 and 817, pertaining to petition fraud and criminal use of personal identification information. Your Affiant believes that the laws of the State of Florida have been violated, specifically those laws enumerated in Chapter 817.568(2)(a), Criminal Use of Personal Identification Information.

In investigating this case, Your Affiant reviewed records provided by the supervisors of elections, collected witness statements and conducted interviews, and your Affiant has also conducted follow-up investigation. This case is being prosecuted by the Florida Attorney General's Office, Office of Statewide Prosecution.

Your Affiant has probable cause to believe and does believe that the laws of the State of Florida relative to: Criminal Use of Personal Identification Information Section 817.568(2)(a), Florida Statutes, Third Degree Felony (12 Counts) have been violated by the above-named suspect. Your Affiant's reasons for so believing are as follows:

STATEMENT OF PROBABLE CAUSE

During the period of December 11, 2023 through December 20, 2023, the Florida Department of Law Enforcement (FDLE), Office of Executive Investigations (OEI), Elections Crime Unit (ECU), received information related to an individual identified as Andres Felipe Salazar (DOB: 07/31/1986) who was a Paid Petition Circulator (PPC) and submitted numerous invalid petitions related to the Florida amendment initiative sponsored by Floridians Protecting Freedom (23-07). These petitions were believed to be fraudulently completed and submitted with forged

signatures. The petitions were submitted to the Supervisor of Elections offices in Sarasota County. Your Affiant was provided copies of the alleged fraudulent petitions.

Your Affiant knows that PPC's work for numerous citizen's initiative groups that collect and submit petitions to amend the Florida constitution. According to Section 100.371, Florida Statutes, any person who is or will be paid to collect initiative petitions must first register with the Department of State before collecting petitions. Information submitted to register as a paid petition circulator (PPC) becomes public record, subject to any applicable exemptions under Florida law.

Your Affiant is aware that proposed amendments to the Florida Constitution may be made by a joint resolution of the Florida Legislature, a citizens' initiative, a proposal from the Constitution Revision Commission, or a proposal from the Taxation and Budget Reform Commission. A proposed amendment requires at least 60% approval from voters to pass. A citizen's initiative for a constitutional amendment requires petitions to be signed by Florida voters before the proposed amendment can appear on the ballot. Each election cycle, the Florida Department of State Division of Elections determines the number of voter signatures that must be gathered in order for an amendment proposed by citizen's initiative to appear on the ballot. Your Affiant is aware that, for the 2024 election cycle, a petition must be signed by 891,523 voters, with additional requirements as to where those electors must be located (Per the Florida Constitution, the number of signatures needed is based on 8% of the voters who cast votes in the last Presidential election).

Voter signatures must be gathered via use of a Constitutional Amendment Initiative Petition Form ("Form"), which lists the voter's name, address, voter registration number, or date of birth, and has a place for the voter's signature and date signed. The Form also requires that the circulator or PPC include their name, circulator number, address, signature, and date signed. Each circulator and PPC is assigned a specific circulator number that is recorded with the Division of Elections.

The fourth section of the CAIPF states "This petition form is only to be circulated and collected by a paid petition circulator. After the voter signs the form, the circulator must complete the affidavit below." The PPC's affidavit has a space for the circulator's name, circulator registration number, and circulator's address.

There is also a disclaimer: "By my signature below, as petition circulator, I verify that the petition was signed in my presence. Under penalties of perjury, I declare that I have read the forgoing Petition Circulator's Affidavit and the facts stated in it are true." Below is a space for the circulator's signature and the date attesting that the voter was present.

According to records provided to FDLE by the Florida Department of State, Division of Elections, on or about October 13, 2023, ANDRES FELIPE SALAZAR's (hereinafter "SALAZAR") application was approved to become a paid petition circulator.

SALAZAR used the email jasmina.virtualservices@gmail.com. The application also included SALAZAR'S personal information including his name, address, and phone number. SALAZAR was assigned Circulator ID # 66250.

Your Affiant reviewed the information noted above that was provided to the FDLE. This information was specifically provided to the FDLE by the Sarasota County Supervisor of Election (SOE); and the Florida Department of State (DOS), Office of Election Crime and Security (OECS). According to each of the reporting agencies, a review of the petitions submitted by SALAZAR revealed numerous petitions that appeared to be fraudulently signed and submitted. The Supervisor of Elections suspected these petitions were fraudulently completed due to the signatures on the submitted petitions not matching the signature on file for the voter listed. These petitions were all related to Amendment Title 23-07, which was sponsored by Floridians Protecting Freedom, Inc. and titled "Amendment to Limit Government Interference with Abortion".

The Ballot Summary was listed as "No law shall prohibit, penalize, delay, or restrict abortion before viability or when necessary to protect the patient's health, as determined by the patient's healthcare provider. This amendment does not change the Legislature's constitutional authority to require notification to a parent or guardian before a minor has an abortion."

Your Affiant reviewed copies of these alleged fraudulent petitions. A total of thirty-two (32) alleged fraudulent petitions submitted by SALAZAR were provided to your Affiant. These petitions were submitted to the Supervisor of Elections offices in Sarasota County. Each of these petitions included a voter's name, address, date of birth, and alleged signature. Your Affiant was also made aware of another fraudulent petition submitted by SALAZAR in Lee County, Florida. This petition was provided to your Affiant by the Lee County Supervisor of Elections.

Your Affiant conducted interviews of twelve (12) of these voters who did not complete the petitions that were submitted using their personal identifying information (PII). On December 21, 2023, your Affiant received information from the Florida Department of State (DOS), Office of Election Crimes and Security (O ECS) that indicated that during the period of November 29, 2023 through January 8, 2024, a total of one

thousand five hundred eighty-five (1,585) petitions that were submitted by SALAZAR went through the verification process by Supervisor of Elections offices throughout the state of Florida. Of these petitions, seven hundred eighteen (718) were determined to be invalid by the respective Supervisors of Elections offices.

On January 25, 2024, your Affiant conducted a recorded interview with SALAZAR at his residence located at 6314 S. Lois Avenue, Tampa, Hillsborough County, Florida. It should be noted that this was the address reported on SALAZAR'S Florida Driver's License (DL #: [REDACTED]). SALAZAR confirmed that he was a paid petition circulator for Amendment Title 23-07. Your Affiant showed Salazar the petitions that were fraudulently completed based on interviews with the actual voters on said petitions. Your Affiant asked SALAZAR if he physically went to Sarasota County to collect those signatures. SALAZAR admitted he would have other circulators get the petitions completed for him, but he would sign them, attesting that the petition was signed in his presence. SALAZAR said when he turned the petitions in to the guy he was working for, who he only knew as "Eddie," he was questioned as to the validity of the petitions. SALAZAR said he was told by Eddie what he was doing was illegal and no more of his petitions were accepted. SALAZAR said he then quit collecting petitions.

Your Affiant believes that based upon the investigation in its entirety, and evidence gathered during the investigation, probable cause exists that ANDRES FELIPE SALAZAR violated Section 817.568(2)(q), Florida Statutes Criminal Use of Personal Identification Information.

WHEREFORE, your Affiant prays that an arrest warrant will be issued commanding all and singular, Mark Glass, Commissioner, Florida Department of Law Enforcement or any of his duly authorized Special Agents; all Sheriffs and Police Chiefs of the State of Florida or any of their duly authorized deputies or officers to arrest instanter ANDRES FELIPE SALAZAR and bring him before the Court so that he may be dealt with according to law.

Before me, _____, Judge of the Sixth Judicial
Circuit in and for Pasco County, Florida, personally appeared,
Inspector Leslie Pulling of the Florida Department of Law
Enforcement, who, being first sworn, deposes and says:

Your Affiant, Inspector Leslie Pulling, has been a member
of the Florida Department of Law Enforcement (FDLE) since
2001. Your Affiant was a sworn special agent for 14 years
and has been a sworn inspector for 1 year. Your Affiant has
worked in various divisions within FDLE to include, The
Florida Fusion Center, Evidence Division, Public Assistance
Fraud (PAF), Economic Crimes Squad, Major Case squad,
Organized Crime squad, Cyber and High-Tech Crimes Squad,
and is currently assigned to the Election Crime Unit. Your
Affiant has attended several seminars, conferences, and
schools providing training for conducting investigations of
fraud related offenses. Your Affiant has attended several
seminars providing training for conducting election crime
investigations. The following is a list of courses where
your Affiant has received training and gained a level of
proficiency: International Money Laundering Investigations;

Federal & State Approaches to Fraud, Schemes, and Other Financial Crimes; Conspiracy Investigations; and the FBI-LEEDA Identity Theft Summit.

Your Affiant is empowered to conduct investigations of violations of the criminal laws of the State of Florida, including those enumerated in Chapters 104 and 817, pertaining to petition fraud and criminal use of personal identification information. Your Affiant believes that the laws of the State of Florida have been violated, specifically those laws enumerated in Chapters 817.568(2)(a), Criminal Use of Personal Identification Information, and 104.185(2) Knowingly Signing Another Person's Name or a Fictitious Name on a Petition.

In investigating this case, Your Affiant reviewed records provided by the supervisors of elections, collected witness statements, and conducted interviews, and your Affiant has also conducted follow-up investigation. This case is being prosecuted by the Florida Attorney General's Office, Office of Statewide Prosecution.

The investigation is aggregated and summarized as follows:

During the period of August 10, 2023, through October 5, 2023, the Florida Department of Law Enforcement (FDLE), Office of Executive Investigations (OEI), Elections Crime Unit (ECU), received information related to an individual identified as JAMIE JOHNSON (DOB: 12/11/1976) who was a Paid Petition Circulator (PPC).

Your Affiant learned that JOHNSON had submitted numerous invalid signatures on petitions related to the Florida ballot initiative sponsored by Floridians Protecting Freedom (23-07). These petitions were believed to be fraudulently completed and submitted with forged signatures. The petitions were submitted to the Supervisor of Elections offices in Pasco County, Sumter County, Hernando County, and Pinellas County. Your Affiant was provided copies of the alleged fraudulent petitions.

In Your Affiant's training and experience, Your Affiant is aware that PPC's work for numerous citizen's initiative groups that collect and submit signatures for petitions to amend the Florida Constitution. According to Section 100.371, Florida Statutes, any person who is or will be paid to collect initiative petitions must first register with the Department of State before collecting petitions. Information submitted to register as a paid petition circulator (PPC) becomes public record, subject to any applicable exemptions under Florida law.

Your Affiant is aware that proposed amendments to the Florida Constitution may be made by a joint resolution of the Florida Legislature, a citizens' initiative, a proposal from the Constitution Revision Commission, or a proposal from the Taxation and Budget Reform Commission. A proposed amendment requires at least 60% approval from voters to pass. A citizens' initiative for a constitutional amendment requires petitions to be signed by Florida voters before the proposed amendment can appear on the ballot. Each election cycle, the Florida Department of State Division of Elections determines the number of voter signatures that must be gathered in order for an amendment proposed by a citizens' initiative to appear on the ballot. Your Affiant is aware that, for the 2024 election

cycle, a petition must be signed by 891,523 voters, with additional requirements as to where those electors must be located. (Per the Florida Constitution, the number of signatures needed is based on 8% of the voters who cast votes in the last Presidential election).

Voter signatures must be gathered via use of a Constitutional Amendment Initiative Petition Form ("Form"), which lists the voter's name, address, voter registration number, or date of birth, and has a place for the voter's signature and date signed. Your Affiant is aware that the Form also requires that the circulator or PPC include their name, circulator number, address, signature, and must contain the date of signature. Your Affiant is aware that each circulator and PPC is assigned a specific circulator number that is recorded with the Division of Elections.

The fourth section of the Form states "This petition form is only to be circulated and collected by a paid petition circulator. After the voter signs the form, the circulator must complete the affidavit below." The PPC's affidavit has a space for the circulator's name, circulator registration number, and circulator's address. There is also a disclaimer: "By my signature below, as petition circulator, I verify that the petition was signed in my presence. Under penalties of perjury, I declare that I have read the forgoing Petition Circulator's Affidavit and the facts stated in it are true." Below is a space for the circulator's signature and the date attesting that the voter was present.

The "Attention" section of the Form states "This form becomes a public record upon its filing with the Supervisor of Elections. It is a first-degree misdemeanor to knowingly sign the same petition more than once (F.S.S. 104.185). Failure to complete the form as required may invalidate the form."

According to records provided to FDLE by the Florida Department of State, Division of Elections, on or about October 2, 2019, JOHNSON'S application was approved to become a paid petition circulator. JOHNSON used the email jamiemcnabbjohnson@gmail.com. The application also included JOHNSON'S personal information including her name, address, and phone number which was self-reported by Johnson as (352) 807-1309. JOHNSON was assigned Circulator ID # 13152.

Your Affiant reviewed the information noted above provided to the FDLE. This information was specifically provided to the FDLE by the Pasco County Supervisor of Elections; the Sumter County Supervisor of Elections; and the Florida Department of State (DOS), Office of Election Crime and Security (OECS). According to each of the reporting agencies, a review of the petitions submitted by PPC JAMIE JOHNSON (hereinafter "JOHNSON") revealed numerous petitions that appeared to be fraudulently signed and submitted. The supervisors of elections suspected these petitions were fraudulently completed because the signatures on the submitted petitions did not appear to match the signature on file for the voter listed. In addition, one petition was suspected of being fraudulently completed due to the voter being deceased at the time the petition was allegedly signed. These petitions were all related to Amendment Title 23-07, which was sponsored by Floridians Protecting Freedom, Inc. and titled "Amendment to Limit Government Interference with Abortion". The Ballot Summary was listed as "No law shall prohibit, penalize, delay, or restrict abortion before viability or when necessary to protect the patient's health, as determined by the patient's healthcare provider. This amendment does not change the Legislature's constitutional authority to require

notification to a parent of guardian before a minor has an abortion."

Your Affiant reviewed copies of these alleged fraudulent petitions. A total of one hundred and two (102) alleged fraudulent petitions submitted by JOHNSON were submitted to the Supervisor of Elections offices in Pasco, Sumter, Hernando and Pinellas counties. Each of these petitions included a voter's name, address, date of birth, and alleged signature.

Your Affiant conducted interviews of nine (9) of these voters that did not complete the petitions that were submitted using their personal identifying information (PII). Your Affiant learned that these voters did not sign the petitions submitted by JOHNSON and that they did not consent to the use of their personal identification information. The below voters were identified:

In addition, he indicated that first name was misspelled on the petition ([REDACTED]). [REDACTED] confirmed the other personal information included on the petition was correct. Your Affiant identified one (1) voter who was deceased at the time that the petition was allegedly signed. The below voter was identified:

Voter # 10

Name: [REDACTED]
Date of Death: 04/29/2023
Date on petition signature: 07/07/2023

A petition for Amendment Title 23-07 was submitted by JOHNSON to the Hernando County Supervisor of Elections. This petition was allegedly signed by Amanda Burkey on July 7, 2023. The Hernando County Supervisor of Elections Office discovered [REDACTED] was allegedly deceased on April 29, 2023. On November 13, 2023, your Affiant requested an official copy of the death certificate for an individual identified as [REDACTED] from the Florida Department of Health (DOH), Bureau of Vital Statistics. On November 20, 2023, your Affiant received a copy of [REDACTED]'s Certification of Death from the DOH Bureau of Vital Statistics which confirmed that [REDACTED] died on April 29, 2023.

On November 30, 2023, your Affiant conducted a sworn recorded interview with JOHNSON'S roommate, George Edward Andrews III, at their shared residence located at 12748 Stately Oak Street, Apartment 202, Dade City, Florida. It should be noted that this was the address reported on Johnson's Florida Driver's License. Andrews advised Your Affiant that JOHNSON currently resided at the aforementioned residence with him. Andrews confirmed that JOHNSON was a paid petition circulator for ballot initiative 23-07. Andrews further confirmed that he and JOHNSON have collected petition signatures together. It should be noted that according to Andrews, JOHNSON was not home at the time Andrews was

interviewed. Multiple attempts were made to contact and/or interview JOHNSON but all were met with negative results.

Through this investigation, Your Affiant discovered that Andrews submitted two (2) fraudulent petitions using the same voter information as JOHNSON (Voter # 2 and Voter # 3 noted above). Your Affiant also discovered that Andrews submitted a fraudulent petition using the name of the wife of one of the voters that Johnson had submitted (Voter 1 noted above).

On December 21, 2023, your Affiant received information from the Florida Department of State (DOS), Office of Election Crimes and Security (OECS) indicated that during the period of June 21, 2023 through October 31, 2023, a total of one thousand six hundred forty-seven (1,647) petitions that were submitted by JOHNSON went through the verification process by Supervisor of Elections offices throughout the state of Florida. Of these petitions, eight hundred fourteen (814) were determined to be invalid by the respective counties' Supervisor of Elections office. JOHNSON had an invalid petition rate of approximately 49.9% during this period.

Your Affiant believes that based upon this investigation in its entirety, and evidence gathered during this investigation, probable cause exists that JAMIE L. JOHNSON with violated Section 817.568(2)(a), Florida Statutes, Criminal Use of Personal Identification Information and Section 104.185(2), Florida Statutes, Knowingly Signing Another Person's Name or a Fictitious Name on a Petition.

WHEREFORE, your Affiant prays that an arrest warrant will be issued commanding all and singular, Mark Glass, Commissioner,

Florida Department of Law Enforcement or any of his duly authorized Special Agents; all Sheriffs and Police Chiefs of the State of Florida or any of their duly authorized deputies or officers to arrest instanter JAMIE L. JOHNSON and bring her before the Court so that she may be dealt with according to law.

Section 817.568(2)(A), Florida Statutes (2020)
2. **PETITION; KNOWINGLY SIGNING MORE THAN ONCE; SIGNING ANOTHER PERSON'S NAME OR FICTITIOUS NAME**
Section 104.185(2) Florida Statutes (2022)

BEFORE ME; Ryan Bliss, a sworn law enforcement officer, personally came Inspector Ryan Bliss of the Florida Department of Law Enforcement (FDLE) who, being duly sworn, deposes and says:

Inspector Ryan Bliss is a sworn law enforcement officer of the State of Florida, and as such is empowered to conduct investigations of and make arrests for violations of the criminal laws of the State of Florida, including those enumerated in Chapter 104, Florida Statutes, pertaining to election code violations and in Chapter 817, Florida Statutes pertaining to Criminal Use of Personal Identification Information. Inspector Ryan Bliss believes that the laws of the State of Florida, including those enumerated in Chapters 104 and 817, have been violated and that the person violating those laws is DONELLA MARIE HARRIEL, as identified above.

Inspector Ryan Bliss, Your Affiant is a lawfully sworn Inspector of the Florida Department of Law Enforcement (FDLE) and has been employed since December 2002. Your Affiant is currently assigned to the Office of Executive Investigations, Elections Crime Unit with over twenty-eight years of law enforcement experience in conducting investigations involving public integrity, election crimes, violent crimes, sex crimes, narcotics, property crimes, and financial crimes. Your Affiant has a Bachelor's Degree from Florida State University's School of Criminology and has since successfully completed training classes provided by FDLE. As an Inspector with FDLE, your affiant is authorized to investigate all crimes involving election crimes and public integrity.

This case is being prosecuted by the Florida Attorney General's Office (Office of Statewide Prosecution). The investigation is aggregated and summarized as follows:

1. On December 22, 2023, the Florida Department of State, Office of Election Crime and Security provided Your Affiant with a list of Paid Petition Circulators (PPC) who reportedly submitted invalid petitions through invalid signatures or with deceased individual's identities. The spreadsheet indicated that Harriel had submitted a total of 314 invalid petitions from different voter districts throughout the state of Florida.
2. Section 100.371(3), Florida Statutes (2022) requires that any person who is or will be paid to collect initiative petitions first register with the Department of State. PPC registration information becomes public record, subject to any applicable exemptions under Florida law. Each PPC is assigned a specific circulator number that is recorded with the Division of Elections.
3. Proposed amendments to the Florida Constitution may be made by a joint resolution of the Florida Legislature, a citizens' initiative, a proposal from the Constitution Revision Commission, or a proposal from the Taxation and Budget Reform Commission. A proposed amendment requires at least 60% approval from voters to pass. A citizens' initiative for a constitutional amendment requires petitions to be

signed by Florida voters before the proposed amendment can appear on the ballot. Each election cycle, the Florida Department of State Division of Elections determines the number of voter signatures that must be gathered in order for an amendment proposed by citizen initiative to appear on the ballot. For the 2024 election cycle, a petition must be signed by 891,523 voters, with additional requirements as to where those electors must be located.

4. Voter signatures must be gathered via use of a Constitutional Amendment Initiative Petition Form (CAIPF). A CAIPF contains four sections: amendment information, sponsor's information, voter's information, and petition circulator's information. Typically, the amendment information and sponsor's information sections are pre-filled. In the voter's information section, the voter must provide their name, address, and either their voter registration number or date of birth. The voter must then sign and date the CAIPF.
5. The petition circulator's information section begins with the following instruction, "This petition form is only to be circulated and collected by a paid petition circulator. After the voter signs the form, the circulator must complete the affidavit below." The affidavit requires that the PPC provide their name, circulator number, and address. A PPC must also sign and date the CAIPF. By signing, the PPC verifies the following, "By my signature below, as petition circulator, I verify that the petition was signed in my presence. Under penalties of perjury, I declare that I have read the forgoing Petition Circulator's Affidavit and the facts stated in it are true."
6. According to records provided to FDLE by the Florida Department of State Office (DOS) of Election Crime and Security, on or about October 5, 2023, Harriel's application was approved to become a PPC for "Floridians Protecting Freedom, Inc," a group proposing constitutional amendment serial number 23-07, titled "Amendment to Limit Government Interference with Abortion." Harriel used the email

Donella477@gmail.com as a point of contact in her application. The application also included Harriel's personal information including her name, permanent address, and phone number. Harriel was assigned Circulator ID #65792.

7. On December 22, 2023, Your Affiant reviewed documents provided by the DOS, which contained a cover letter from Progressive Campaigns, Inc. (PCI). The cover letter was sent to the Escambia County Supervisor of Elections (ESSOE) referencing nineteen suspicious signatures on CAIPFs submitted by Harriel for the "Amendment to Limit Government Interference with Abortion." A review of the signatures from the ECSSOE determined that one hundred fifty-one (151) signatures in Martin County and one (1) signature in Brevard County on CAIPFs for "Amendment to Limit Government Interference with Abortion" did not match the signature images available on file for registered voters.
8. Your Affiant contacted Chief Deputy Debbie Dent of the Martin County Supervisor of Elections (MCSOE) and requested the invalid petitions submitted by Harriel that contained registered voters who had been deemed deceased and the petitions that have been submitted with different signatures. Dent provided Your Affiant with 151 petitions with invalid signatures.
9. On January 25, 2024, Your Affiant contacted the following individuals in Martin County.
 - a. [REDACTED] Jensen Beach, Florida 34957
 - b. [REDACTED] Jensen Beach, Florida 34957
10. On January 25, 2024, Your Affiant traveled to [REDACTED] residence for an interview. [REDACTED] was not home and a business card was left at the door. [REDACTED] called on January 26, 2024, at approximately 1500 hours and Your Affiant advised that a petition endorsing to limit government interference with abortion contained her name,

address, date of birth, and signature and that the petition was reportedly completed on November 2, 2023. [REDACTED] advised she was never approached by anyone circulating said petition. Your Affiant electronically sent a copy of the petition to [REDACTED] who reviewed the petition and advised that the petition and signature were not completed by [REDACTED]. [REDACTED] did not permit anyone to use her personal information. [REDACTED] did not know [REDACTED]. And she affirmed that everything she said was true and accurate to the best of her knowledge. [REDACTED] also attached a copy of her signature.

11. On January 25, 2024, Your Affiant made contact with Martin County residents [REDACTED] [REDACTED] at the address listed on the petition. Your Affiant spoke with [REDACTED] on the telephone at the neighborhood entrance call box and subsequently on the FDLE-issued cellular telephone. Your Affiant informed [REDACTED] that a petition endorsing to limit government interference with abortion contained his and his wife, [REDACTED] name, address, date of birth, and signature and that the petition was reportedly completed on November 2, 2023. Your Affiant sent an electronic copy of [REDACTED] [REDACTED] petition to [REDACTED] cellular telephone. [REDACTED] and [REDACTED] reviewed the petitions and confirmed that their personal information was correct, but that the signatures were not completed by either [REDACTED] [REDACTED]. Neither [REDACTED] [REDACTED] permitted anyone to use their personal information and did not know Harriel. [REDACTED] [REDACTED] affirmed that the information provided via text message was true and accurate to the best of their knowledge.

12. On January 31, 2024, Your Affiant contacted Chief Deputy Karen Graham of the Brevard County Supervisor of Elections (BCSOE) and requested the invalid petitions submitted by Harriel. On February 1, 2024, Graham provided Your Affiant with sixteen petitions with invalid signatures.

13. On February 1, 2024, Your Affiant contacted the following individuals in Brevard County.

a. [REDACTED] Melbourne, Florida 32934

14. On February 1, 2024, Your Affiant traveled to Brevard County to speak with Melbourne residents [REDACTED] at the address listed on the petition. Your Affiant told [REDACTED] that a petition endorsing to limit government interference with abortion contained both [REDACTED] name, address, date of birth, and signature and that the petition was reportedly completed on October 31, 2023. [REDACTED] reviewed the petition and confirmed that his personal information was correct but that the signature was not completed by [REDACTED]. [REDACTED] reviewed the petition and advised that her personal information was correct but that [REDACTED] did not complete or sign the petition.

15. After speaking with the named Martin County residents, Your Affiant and Special Agent (SA) Mark Mynheir of the FDLE Ft. Pierce Field Office traveled to Harriel's residence located at 361 SE Atlas Terrace, Port St. Lucie, Florida 34983, on January 29, 2024, to conduct a sworn interview of Harriel. The following is a summary of the sworn audio-recorded interview:

16. Upon arrival at the residence, Your Affiant observed Harriel seated on the front porch of the residence. Your Affiant and SA Mynheir approached the residence and identified ourselves with our FDLE-assigned credentials. Your Affiant asked how Harriel became a PPC employed with Five Star Petitioners and if Harriel was still employed with Five Star Petitioners. Harriel advised a friend who worked for Five Star Petitioners named [REDACTED] asked her to become a PPC. Harriel did not complete an application and only spoke with the owner of the company, Richard [REDACTED] llen, via telephone conversations and text messages. As a registered PPC, Harriel was able to work in every county in the State of Florida. Harriel was employed as a PPC at

Five Star Petitions for approximately four weeks; her employment ended on November 15, 2023.

17. Your Affiant asked Harriel what the duties of a PPC involved. Harriel advised, "sign petitions." Your Affiant asked if Harriel signed the petitions and Harriel explained that she sat in front of the Dollar Tree store on US1 in St. Lucie County and at the Planned Parenthood in St. Lucie County and asked people to sign the petition. Harriel reportedly traveled to several different counties with her cousin who has a food truck and would attend different outdoor concerts to get signatures for the petition(s).
18. After getting the signatures, Harriel would drop the signed petitions in a mailbox at Five Star Petitioners, as directed by [REDACTED] who worked at the Five Star Petitioners office. Harriel traveled to a jazz concert in Pensacola, Escambia County with the food truck to get signatures on petitions. Harriel could not remember the name of the jazz show or the date when she was in Pensacola. Harriel traveled with the food truck to Pompano Beach, Broward County to get signatures, St. Lucie County, and Palm Beach County but could not name the concerts or give the specific dates of when she was at the concerts getting the signatures on the petitions.
19. [REDACTED] told Harriel that she would be paid \$10.00 per signature. Harriel was paid \$10.00 per signature via direct deposit. Harriel was not paid for every submitted petition. Some of the petitions were not completed correctly and Harriel was not paid for the invalid petitions. Harriel was paid "up front" for fifty percent of the submitted petitions. After the petitions were reviewed by staff, and the invalid petitions were not included, Harriel was paid for the remaining valid petitions.
20. Harriel did not believe that the payment for the submitted petitions was fair and, she felt cheated. During a conversation with Guillen about her payment for the submitted petitions, Guillen advised that Harriel was committing fraud and was subsequently

fired. Harriel explained that if she had an elderly person and the person needed help with the signature on the petition, Harriel would complete the personal information and have the elderly person sign their name. Harriel did not understand how that was fraud. Harriel never personally met Guillen, and Guillen reportedly did not train Harriel on getting the signatures and “threw her out there with these papers.”

21. Your Affiant asked if all of the petitions submitted by Harriel were signed by the qualified elector on the petition. Harriel affirmed that the person named on the petition signed the petition. Your Affiant told Harriel about petitions that were declared invalid because of fraudulent signatures and showed Harriel the invalid petitions with the fraudulent signatures. Harriel denied fraudulently completing the petitions and forging the signatures and never forced anyone to sign a petition.

22. After interviewing Harriel, Your Affiant conducted a sworn interview with Guillen and learned the following:

23. Guillen started the Limited Liability Corporation (LLC) Five Star Petitioners, LLC on October 24, 2022, in St Lucie County, Florida. According to Guillen a company that was hired by Progressive Campaigns, Inc. (PCI) hired Five Star Petitioners to hire registered PPCs to circulate petitions endorsing the “Amendment to Limit Government Interference with Abortion.” 25. Harriel was an independent contractor, PPC, and was referred to Guillen by [REDACTED] who are also independent contractor PPCs employed by Guillen. Harriel was hired electronically while Guillen was working on a separate petition campaign in another state. Guillen never met Harriel in person.

24. [REDACTED] trained Harriel on how to collect signatures. Harriel turned the signed petitions into [REDACTED] [REDACTED] would then turn the signed petitions into Guillen, who subsequently sent the petitions to PCI to be validated. Due to the large number of petitions that were being turned in by Harriel, PCI checked the signatures

on several petitions and determined that the signatures appeared to be fraudulent. Guillen told Harriel about the fraudulent petitions and Harriel advised that spouses would sign for each other and there would be family fill-ins. Guillen advised there was more to it than that and Harriel apologized. Guillen paid Harriel approximately \$5,000 via direct deposit for the petitions submitted during that time. Harriel was fired and placed on the "do not buy" list that is maintained by PCI. PCI sent the fraudulent petitions back to Guillen, and Guillen was charged by PCI for the fraudulent petitions.

25. Your Affiant asked Guillen how the petitioners obtained the personal information of the individuals' information that was fraudulently used on the petitions. Guillen advised that many petitioners use Facebook, Instagram, and Yellow Pages. The internet has websites that allow the petitioners to find out if a name they are using has already been listed as signing the petition being circulated. Your Affiant asked Guillen if Harriel went to Escambia County to get signatures. Guillen advised that Harriel stayed in St. Lucie County and Martin County to get signatures.

Based on the information outlined above, it is the belief of Your Affiant that probable cause exists that, Donella Marie Harriel did unlawfully, intentionally, and knowingly submit fraudulent Constitutional Amendment Initiative Petition Forms in two Florida Counties, and therefore in violation of the following Florida State Statutes:

Count 1: Personal Identification Information, § 817.568(2)(a), Fla. Stat.

3rd Degree Felony (5 counts)

Count 2: Petition; knowingly signing more than once; signing another person's name or fictitious name, § 104.185(2) Fla Stat.

3rd Degree Felony (5 counts)

WHEREFORE, Your Affiant prays that an arrest warrant will be issued commanding all and singular, the Commissioner of the Florida Department of Law Enforcement or any of his duly authorized Special Agents; all Sheriffs and Police Chiefs of the State of Florida or any of their duly authorized deputies or officers acting within their respective jurisdictions to arrest instanter DONELLA MARIE HARRIEL, further described hereinabove on the charges set forth herein and bring him before the Court so that she may be dealt with according to law.

FDLE arrests Port St. Lucie woman for abortion petition fraud

For Immediate Release

June 28, 2024

TALLAHASSEE, Fla. – The Florida Department of Law Enforcement (FDLE) arrested Donella Harriel, 46, of Port St. Lucie, for knowingly submitting fraudulent constitutional amendment petitions for the abortion initiative, “Amendment to Limit Government Interference with Abortion.” The arrest is the result of an investigation led by FDLE’s Election Crime Unit (ECU) working with the Florida Department of State Office of Election Crimes and Security (OECS).

The investigation began after Harriel submitted 314 invalid abortion initiative petitions from different voter districts throughout Florida.

Harriel is charged with five felony counts of criminal use of personal identification information and five felony counts of knowingly signing another person’s name to secure ballot position.

Harriel turned herself in on June 6 and was booked into the Martin County Jail. Attorney General Ashley Moody’s Office of Statewide Prosecution will prosecute the case.

Since February, nine people have been charged with petition fraud following FDLE investigations, including four with fraud on the abortion initiative.

Florida and Kansas are accusing 2 people of forging signatures for petition drives

Kansas Attorney General Kris Kobach participates in a ceremony honoring fallen law enforcement officers at the Statehouse, May 3, 2024, in Topeka, Kan. Kobach's office is accusing two Florida residents of forging signatures on petitions to allow the No Labels party to put its candidates on the ballot, and the two also are accused of doing the same in Florida during an effort to get an abortion rights measure on the ballot there. (AP F [Read More](#))

BY [JOHN HANNA AND MARGERY A. BECK](#)

Updated 5:37 PM EDT, June 5, 2024

TOPEKA, Kan. (AP) — Florida and Kansas officials are accusing two petition circulators of forging voter signatures during campaigns to put an abortion rights measure to [a vote in Florida](#) and allow the No Labels party to put candidates on the Kansas ballot.

Jamie Johnson, 47, and George Andrews III, 30, both from Dade City, Florida, in the Tampa area, were in jail Wednesday, each on \$150,000 bail. Johnson was being held in Sarpy County, Nebraska, south of Omaha, and Andrews in the Tampa area.

Each faces 20 felony charges [in Florida](#), while in Kansas, Andrews faces [30 felony counts](#) and Johnson, 19.

While Andrews has been in custody in Florida since February, authorities in both states couldn't find Johnson until she was arrested a week ago in Nebraska. Kansas Attorney General Kris Kobach [announced the arrest](#) Tuesday and said he is seeking to bring Johnson to Kansas for prosecution. She is scheduled to have a July 1 extradition hearing in Nebraska.

Kobach's office said Andrews and Johnson together forged at least 46 signatures on petitions to get the centrist No Labels group recognized as a political party in Kansas, which allows it to put nominees on the November ballot.

Florida officials said Andrews and Johnson submitted a total of 133 invalid petitions in multiple counties during the effort to get the abortion rights measure on the November ballot.

Neither successful petition drive appears to have depended on the signatures the two submitted. In Kansas, No Labels needed more than 20,000, while in Florida, the figure was at least 891,500.

Still, Kobach said that with election fraud, “It doesn’t matter how far you run.”

“We will drag you back to Kansas and prosecute you,” Kobach said in a statement.

No Labels chief strategist Ryan Clancy said Wednesday that the Kansas case involves a former vendor’s subcontractor and that vendors are required to provide training for petition circulators and have a third party verify signatures.

“No Labels will fully cooperate with any inquiry,” Clancy said in an emailed statement.

A public defender representing Andrews in Florida did not return a telephone message Wednesday seeking comment. Tom Stringenz, a public defender for Johnson in Nebraska, said she does not have an attorney in Kansas and that she will fight extradition to both Florida and Kansas.

Stringenz couldn't say whether Johnson was in Nebraska to circulate petitions for proposed ballot initiatives there. She has no ties the state, he said.

Beck reported from Omaha, Nebraska.

Florida arrests petition gatherer accused of submitting fraudulent signatures for abortion measure

The FDLE's state elections office investigated in concert with the Sarasota Supervisor of Elections.

The Florida Department of Law Enforcement (**FDLE**) has arrested a Tampa man for allegedly committing petition fraud on an abortion initiative.

Investigators say **Andres Felipe Salazar**, a paid petition circulator for **Floridians Protecting Freedom**, submitted more than 30 fraudulent signatures in Sarasota County. Tampa police arrested Salazar on March 21.

The 37-year-old is being held on 12 charges of criminal use of personal identification information. He was released on a \$5,000 bond.

The arrest by Tampa Police followed an investigation by FDLE's **election police force**, working with the Sarasota County Supervisor of Elections Office. Republican **Ron Turner** serves as Supervisor of Elections in the county.

Floridians Protecting Freedom **in January** passed the petition threshold to put a constitutional amendment enshrining the right to obtain an abortion in the state constitution. Election officials at that point had verified more than 911,000 legitimate signatures.

The organization had worked over eight months to secure the necessary signatures to qualify for the statewide ballot.

The Republican-dominated Legislature has approved a measure banning most abortions after six weeks of gestation. That limit is on hold, pending a Florida Supreme Court ruling over a ban after 15 weeks of pregnancy passed in Florida in 2022.

Republican Attorney General **Ashley Moody** has asked the state Supreme Court to disqualify the amendment question from the ballot, arguing its summary language will mislead voters. The Florida Supreme Court is expected to issue a decision this week on whether the amendment can appear on the ballot.

Floridians Protecting Freedom has already started campaigning for Amendment 4.

The FDLE in October arrested three paid petition circulators, that time working in concert with the Leon, Palm Beach, Miami-Dade and Broward County Supervisors of Elections Offices.

The state agency at that time did not identify the campaign for which the individuals were gathering petitions.

Floridians Protecting Freedom, Inc.
c/o Hank Coxe, III, Counsel of Record
Bedell, Dittmar, Devault, Pillans, & Coxe, P.A.
101 East Adams Street
Jacksonville, Florida 32202

VIA EMAIL and US MAIL

Dear Mr. Coxe:

The Department of State received information from a Floridians Protecting Freedom, Inc. ("FPF"), petition circulator ("the circulator") who appeared at the R.A. Gray building alleging that eight (8) FPF paid petition circulators employed and supervised by him were engaged in a scheme to defraud Florida voters by using Floridians' personal identification information without consent and forging voter signatures on FPF (Initiative 23-07) petitions. Based on a review of the information provided by the circulator, and as confirmed by the relevant supervisors of elections, we are imposing a *fine* in the amount of **\$328,000.00** for violations of Florida's election laws.

Under Florida law, a sponsor that collects petition forms or uses a petition circulator to collect petition forms serves as a fiduciary to the elector signing the petition form. More specifically, section 100.371(7)(a), Fla. Stat., states that "[a] sponsor that collects petition forms or uses a petition circulator to collect petition forms serves as a fiduciary to the elector signing the petition form, ensuring that any petition form entrusted to the petition circulator shall be promptly delivered to the supervisor of elections within 30 days after the elector signs the form." *Id.* The law requires each sponsor that collects petition forms to "promptly deliver[]" those petitions to the supervisor of elections within 30 days after the elector signs the form or be liable for a fine. *Id.*; Rule 1S-2.0091(2)(b), F.A.C. For each petition form that is delivered later than 30 days from the date the elector signed the form, the fine is \$50, or \$250 if the sponsor or petition circulator acted willfully. *See* § 100.371(7)(a)1, Fla. Stat. For each petition form that is not submitted to the supervisor of elections, the fine is \$500, or \$1,000 if the sponsor or petition circulator acted willfully. *See* § 100.371(7)(a)2, Fla. Stat.

In late 2023, the circulator appeared at the R.A. Gray building asking to speak to someone with the Office of Election Crimes & Security (“OECS”). The circulator wanted to report what he believed to be initiative petition fraud related to the proposed Abortion Amendment, 23-07. The circulator explained that he was the owner of a local petition circulator business working to collect signatures on petitions for the purpose of qualifying the Abortion Amendment for ballot placement. The circulator’s employees included eight FPF paid petition circulators. The circulator suspected these 8 employees were engaged in a fraudulent scheme to forge voter signatures on abortion petitions.

The circulator brought with him over 600 petitions from the eight (8) paid petition circulators. The circulator believed some of the petitions to be fraudulent for a number of reasons. Those reasons included inconsistent handwriting for dozens of individual voters, incorrect dates of birth of voters, names appearing to be in alphabetical order as if they were copied off a list, signatures appearing to be forged, etc. The circulator did not know, and could not identify specifically, which of the approximately 600 petitions were in fact fraudulent, only that he suspected a large number of them to be fraudulent in nature.

OECS made copies of the petitions, and returned the originals to the circulator so that FPF could comply with its statutory obligations under section 100.371(7)(a), Fla. Stat. (“A sponsor that collects petition forms or uses a petition circulator to collect petition forms serves as a fiduciary to the elector signing the petition form, ensuring that *any* petition form entrusted to the petition circulator shall be promptly delivered to the supervisor of elections within 30 days after the elector signs the form.” (emphasis added) The circulator was reminded of the statutory obligations and that he should identify, as best as possible, the suspected fraudulent petitions, so that information gets conveyed to the relevant election official upon submission.¹ OECS also confirmed each of the eight (8) paid circulators in question were registered as paid FPF petition circulators for the proposed abortion amendment. The information and paid circulator names were immediately handed over to the Florida Department of Law Enforcement and the Office of Statewide Prosecution for criminal investigation.

The Department reviewed the copies OECS made of the 600 petitions brought in by the circulator and asked each relevant supervisor of elections whether they indeed received the petitions. Confirmation by the relevant supervisors of elections reflect that 328 of the petitions were not delivered by your committee to supervisors of elections office as required by law.² Based on the documents (attached hereto) provided to OECS, the information provided by the circulator³ described above, who was identified as the owner of an entity whose sole purpose was

¹ We know FPF is familiar with this process because its main contractor, PCI Consultants, Inc., has done exactly that by submitting “Suspicious Signature Cover letters” identifying suspected fraudulent petitions for the election official to flag during review. See Exhibit “1.”

² It is worth noting (and documented in the attached exhibits) that in a few counties, abortion petitions were received under the same voter name, but the petitions were different (dates, signatures, different petition circulator). We have forwarded these petitions to law enforcement for review, as it is likely one of the petitions was either fraudulent in nature, or the voter submitted multiple petitions, in violation of section 104.185(1), F.S.

³ “Petition circulator” is defined in Florida law as “*an entity or individual* who collects signatures for compensation for the purpose of qualifying a proposed constitutional amendment for ballot placement.” Section 97.021(28), Fla. Stat. (emphasis

to collect petitions on behalf of FPF for the abortion amendment, and the confirmation by each Supervisor of Election's office (also attached hereto as Exhibits 2-23),⁴ the Department finds that FPF failed to deliver 328 petitions to the relevant Supervisor of Elections as required by Florida law, and that the failure was willful. Therefore, the Department is imposing a **\$328,000.00 fine**.

Attached as Exhibits 2-23 are the copies of signed petition forms for Initiative 23-07 that were not submitted to the relevant Supervisor of Elections as required by Florida law. Also included are relevant communications and correspondence with those Supervisors of Elections.

The check should be made out to the Florida Department of State. Dear Ms. Blohm:

The Department of State received information from several Supervisor of Elections' offices indicating that Floridians Protecting Freedom, Inc., the sponsoring committee for initiative petition number 23-07 (Amendment to Limit Government Interference with Abortion), violated Florida law.

Under Florida law, a sponsor that collects petition forms or uses a petition circulator to collect petition forms serves as a fiduciary to the elector signing the petition form. *See* § 100.371(7)(a), Fla. offices after the statutory deadline. Based on information provided by the respective Supervisors of Elections, the Department finds you in violation of section 100.371(7)(a)1. *See* attached petitions – Exhibits. Therefore, the Department is imposing a **\$ 4,450.00 fine**.

Attached herein are the signed petition forms for initiative 23-07 that were submitted to the Department of State from the Supervisors of Elections. Exhibits 1-10.

Ms. Blohm, I sent this letter to you because you were counsel of record on a similar matter earlier this year that related to Floridians Protecting Freedom, Inc. In addition to that, last week I sent a letter to Chairperson Latshaw to the address she has on file with the Division of Elections. Re: Violations of Initiative Petition Law

Dear Chairperson Maguire:

The Department of State received information from several Supervisor of Elections' offices indicating that Floridians Protecting Freedom, Inc., the sponsoring committee for initiative petition number 23-07 (Amendment to Limit Government Interference with Abortion), violated Florida law.

Under Florida law, a sponsor that collects petition forms or uses a petition circulator to collect petition forms serves as a fiduciary to the elector signing the petition form. *See* § 100.371(7)(a), Fla. Stat. The law requires each sponsor that collects petition forms to "promptly deliver[]" those petitions to the supervisor of elections within 30 days after the elector signs the form or be liable for a fine. *Id.*; Rule 1S-2.0091(2)(b), F.A.C. For each petition form that is delivered later than 30 days from the date the elector signed the form, the fine is \$50, or \$250 if the sponsor or petition circulator acted willfully. *See* § 100.371(7)(a)1, Fla. Stat. For each petition form that is not submitted to the supervisor of elections, the fine is \$500, or \$1,000 if the sponsor or petition circulator acted willfully. *See* § 100.371(7)(a)2, Fla. Stat.

Records received by the Division of Elections and Office of Election Crimes and Security from the Clay County Supervisor of Elections, the Miami-Dade County Supervisor of Elections, the Volusia County Supervisor of Elections, the Hillsborough County Supervisor of Elections, and the Okeechobee County Supervisor of Elections reflect that your committee delivered **654** petition forms for initiative petition 23-07 to the Supervisor of Elections' offices after the statutory deadline. Based on information provided by the respective Supervisors of Elections, the Department finds you in violation of section 100.371(7)(a)1. *See* attached petitions – Exhibits 1-9. Therefore the Department is imposing a **\$ 32,700.00 fine**.

Re: Demand for an Accounting Due to Violations of Initiative Petition Law

Dear Chairperson Latshaw:

Over the past several months, the Department has received information from multiple supervisors of elections offices and individual Florida voters concerning violations of Florida law involving your committee – Floridians Protecting Freedom, Inc. The allegations are concerning and include reports of your paid petition circulators signing petitions on behalf of deceased individuals, forging or misrepresenting voter signatures on petitions, using voters' personal identifying information without consent, and perjury/false swearing. In the past few months, paid petition circulators associated with your committee have been arrested and charged with serious felonies. In addition to the arrests, the Office of Election Crimes and Security (OECS) has opened nearly fifty (50) criminal investigations into individual paid petition circulators and organizations involved in the collection of petitions on behalf of your committee. Given the credibility of the allegations, many cases have been referred to law enforcement and are now active criminal investigations. Given the volume of the allegations, OECS is concerned that a large numbers of voter signature forgeries have been submitted by your contractors or subcontractors to your committee. Your committee then delivered these potentially fraudulent signatures to supervisors of elections offices around the state to be verified as valid.

In addition to the above, OECS has received credible allegations that some of your subcontractors paid individual circulators per petition collected, in violation of Florida law. One such organization, [REDACTED] allegedly paid some of the circulators collecting on your behalf ten dollars per signed petition. See § 104.186, Fla. Stat. (making it a felony of the third degree for a person to compensate a petition circulator based on the number of petition forms gathered). We understand that [REDACTED] around October 2024, was hired by [REDACTED] one of your primary contractors, to circulate petitions for the

“Amendment to Limit Government Interference with Abortion.” [REDACTED] then hired and paid circulators to collect petitions on behalf of your initiative and submitted the signed petitions to [REDACTED] would then submit the petitions to your committee. Your committee, pursuant to section 100.371(7)(a), Fla. Stat., would then submit the petitions to the local supervisors of elections offices for validation.

The Secretary is responsible for ensuring the integrity of the petition gathering process. The law is clear that you as the petition sponsor shall account for all petition forms turned in by your agents and that the Secretary has authority to conduct audits. *See* § 100.371(9), Fla. Stat. and Rule 1S-2.009(8), F.A.C. Accordingly, the Department requests that your committee provide the Division of Elections an immediate accounting of any and all petition forms and correspondence provided to your committee by [REDACTED]. The accounting should include petition forms and correspondence submitted to your committee between the dates of May 8, 2023 to May 8, 2024. In addition to the above, as part of the accounting, you shall, within 20 days, provide the following information to the Division of Elections:

- Any and all copies of any “do not buy” list (a list of paid circulators who had been fired or accused of fraud) maintained by you or your agents or contractors.
- Copies of any and all documents or correspondence received by your committee from [REDACTED] between May 8, 2023 to May 8, 2024.
- Copies of any and all documents or correspondence sent by your committee to [REDACTED] [REDACTED] between May 8, 2023 to May 8, 2024.
- Copies of all petitions submitted to your committee collected by contractors or agents working on behalf of [REDACTED] including any petitions turned in to your committee by another organization or contractor, such as [REDACTED] between the dates of May 8, 2023 and May 8, 2024.
- Copies of any and all contractual documents or agreements between your organization and [REDACTED]

If you fail to provide an accounting as required, the Department may refer the matter to the Attorney General for enforcement. *See* § 100.371(8), Fla. Stat. The requested information should be provided to:

Re: Response to Accounting Requests

Dear Mr. McVay:

This is in response to your letters of June 24, 2024, and July 16, 2024 to Floridians Protecting Freedom ("FPF"), which we represent.

We share a mutual respect for doing whatever ensures the integrity of the petition gathering process. FPF has paid in excess of \$1.12 million in fees in order to confirm that the petitions are valid and believe that this has been a sound investment in the preservation of a fair voting process.

We are always concerned when any suggestion is made that our efforts do not carefully track the requirements of Chapter 100, Florida Statutes, and applicable regulations. We promptly undertook an internal inquiry related to your concerns regarding [REDACTED]. This also included investigating an individual, as you suggested, named [REDACTED].

We have no formal or informal relationship with [REDACTED] and we do not have custody, possession or control of any records related to them. FPF is unaware of any petition gathering efforts performed on behalf of FPF by either of them. Nevertheless I have detailed by bullet point a response to your requests in both the June 24 and July 16 letters:

Brad McVay, Deputy Director

July 30, 2024

- Any and all copies of any "do not buy" list (a list of paid circulators who had been fired or accused of fraud) maintained by you or your agents or contractors.

FPF does not have possession, custody, or control of any records responsive to this request.

- Copies of any and all documents or correspondence received by your committee from [REDACTED] between May 8, 2023 to May 8, 2024.

- FPF does not have possession, custody, or control of any records responsive to this request.

- Copies of any and all documents or correspondence sent by your committee to [REDACTED] between May 8, 2023 to May 8, 2024.

FPF does not have possession, custody, or control of any records responsive to this request.

- Copies of all petitions submitted to your committee collected by contractors or agents working on behalf of [REDACTED] including any petitions turned in to your committee by another organization or contractor, such as [REDACTED] between the dates of May 8, 2023 and May 8, 2024.

FPF does not have possession, custody, or control of any records responsive to this request, other than petition copies provided to us by the Secretary of State, which have been submitted to [REDACTED]. I assume that you do not need copies of materials already provided to us by your office.

- Copies of any and all contractual documents or agreements between your organization and [REDACTED]

FPF does not have possession, custody, or control of any records responsive to this request.

Brad McVay, Deputy Director

July 30, 2024

We remain willing to cooperate in any fashion with the Florida Department of State to the extent we have possession of the materials requested. We trust that this letter makes clear that FPF has not engaged in any behavior which will compromise the integrity of this process.

I look forward to hearing from you if there is anything further we can do.

Sincerely,

The OECS has determined this complaint to be "facially sufficient" and "there is reason to believe elections fraud has occurred." Rule 1S-2.025, F.A.C. Enclosed are interview transcripts from three witnesses who have alleged a fraudulent scheme to pay petition circulators per petition collected, in clear violation of Florida Statute § 104.186. Our office received this complaint and supporting documentation from an anonymous complainant. Enclosed are pictures from social media and elsewhere demonstrating a scheme to compensate petition circulators per petition collected, in violation of Florida Statute § 104.186. Of note, one of the pay charts that is included in this referral has the title of the sponsoring organization for Ballot Initiative 23-07, *Amendment to Limit Government Interference with Abortion*. Additionally, enclosed we have provided a list of names and contact numbers of

individuals – these individuals, as explained further in the paragraphs below, are a mixture of potential targets and potential witnesses.

The list contains two groupings of names. The first set of names, under the heading, “Witnesses: Subs/Subs of Subs:” are subcontractors or subcontractors of a subcontractor who are in the business of gathering petitions for the Ballot Initiative 23-07, *Amendment to Limit Government Interference with Abortion*. It is alleged that these individuals are paying initiative circulators per petition gathered for the above referenced Ballot Initiative, in violation of Florida law. Given the allegations, and that these individuals would be potential targets of an investigation if the allegations turn out to be true, we recommend that if you attempt to make contact during the investigative stage with any individuals listed under the heading, Witnesses: Subs/Subs of Subs,” that you utilize a confidential source or other undercover measures.

The second set of names on the list under the heading, “Petitioners,” are individual petition circulators who are alleged to have been paid per petition collected for the Ballot Initiative 23-07, *Amendment to Limit Government Interference with Abortion*. It is unknown whether any of these individuals would be cooperative if contacted; none of the individuals are aware their names have been provided to our Office. Not much is known about these individuals outside of what is alleged (their employer allegedly paid them per petition collected). Although it does not appear 104.186, Fla. Stat., would be implicated for this set of individuals, the individuals, if cooperative, could be used as witnesses or as an evidence source for your investigation into the illegal payment scheme that is being alleged.

Given the sensitivity of the investigation and the fact the Office of Election Crimes and Security has referred similar complaints related to this same ballot initiative in recent weeks, the Office of Election Crimes and Security has made the decision not to contact or attempt to make contact with any of these individuals on the list and instead turn the information over to you for you to determine the most appropriate and effective way to investigate the matter. Please let us know if you have questions about anything we have provided.

Nothing in this referral letter should be interpreted to limit the scope of your investigation or the nature of any and all criminal charges your office uncovers.

Please keep the Director of the Office of Election Crimes and Security, Andrew Darlington, e-mail: Andrew.Darlington@dos.myflorida.com apprised of further action, assignment, and outcomes associated with this referral, as the OECS has a statutory obligation under Florida Statute § 97.022(7)(e), Florida Statutes, to report the current status of the investigation or resulting criminal case for this referral.

ANDRES FELIPE SALAZAR

was adduced as the witness herein, and first being duly sworn,
was questioned and testified as follows:

MS. PAPAKOS: Mr. Salazar, my name is Panagiota Papakos, I'm the prosecutor assigned to this case. I appreciate you coming here today.

I understand that you've had conversations with your attorney about possibly offering some information regarding your activities as a Petition Circulator, so we are here for that reason.

Have you had an opportunity to go over the agreement or the proffer letter with your attorney?

THE WITNESS: Yes, ma'am, that's what we spoke about this morning.

MS. PAPAKOS: Okay, and is that a letter from my office dated August 15th of 2024?

THE WITNESS: Yes, ma'am, I believe so.

MS. PAPAKOS: And so do you have any questions or anything that you would want to discuss with your attorney before we get started? You can have an opportunity to do that, that's okay.

THE WITNESS: No. I only say that because I don't have anything to hide. I don't have any reason to ask many questions in regards to, you know, just being honest and telling you what I know; what I believe we've already

1 spoken about, but I guess to a further extent.

2 MS. PAPAKOS: So you understand that probably one of
3 the most if not the most important thing about our meeting
4 here today is that you're truthful.

5 THE WITNESS: Of course, yes, ma'am.

6 MS. PAPAKOS: And also we're not necessarily making
7 any promises regarding your sentence or your case. That's
8 something we can discuss with your attorney after the
9 meeting here today, but this meeting is not predicated on
10 any promises of leniency or any particular sentence; do
11 you understand that as well?

12 THE WITNESS: Yes, ma'am.

13 MS. PAPAKOS: Okay. So I will pass it over to
14 Inspector Gary Negrinelli, and he will sort of get it
15 started as far as what you know, 'cause I understand that
16 you all had conversations about this previously.

17 THE WITNESS: Yes.

18 EXAMINATION

19 BY INSPECTOR NEGRINELLI:

20 Q All right, Andres, we're just going to talk about
21 when you first signed up to become a Petition Circulator.

22 A. Yes, sir.

23 Q So who did you first, how did you first become aware
24 of it, or who signed you up?

25 A. To not backtrack a little bit, to--

1 Q When you initially got into it?

2 A. It's because I was already a Petitioner.

3 Q Okay.

4 A. I was [REDACTED] almost every day. Not
5 every day, because I did have a full-time job at Life
6 Support--

7 Q Right.

8 A. --over in [REDACTED]. So maybe two days a week, three
9 days a week, I was [REDACTED] and I was helping -- if you
10 don't mind me grabbing my phone and showing you?

11 Q Oh, yeah.

12 A. I don't know if I had sent you this?

13 Q You had sent me some stuff.

14 [REDACTED]
15 [REDACTED]
16 [REDACTED]
17 [REDACTED]

18 But originally what happened is I was on [REDACTED]
19 and [REDACTED], and it's on here, me
20 talking to [REDACTED].

21 Q So that was when you first signed up, and you
22 registered as a Petition Circulator?

23 A. No. No, that's how I found out about how to sign up
24 and doing it, --

25 Q Right, yeah.

1 A. --is I found [REDACTED]. I reached out to
2 [REDACTED], it didn't say anything about petitioning; I have the
3 text, you can read it. This is something I don't believe you
4 had, because I'm pretty sure my fiancée found it this morning.
5 Do you mind if I -- do you want me to read it, or--

6 [REDACTED]
7 [REDACTED]
8 [REDACTED]
9 [REDACTED]
10 [REDACTED]
11 [REDACTED]
12 [REDACTED]
13 [REDACTED]
14 [REDACTED]

15 BY INSPECTOR NEGRINELLI:

16 Q Uh-huh.

17 A. [REDACTED]
18 [REDACTED]
19 [REDACTED]
20 [REDACTED]
21 [REDACTED]
22 [REDACTED]
23 [REDACTED]
24 [REDACTED]

25 Q Okay.

1 A. [REDACTED] phone number is there, I can provide that to
2 you.

3 Q Okay.

4 A. I got this [REDACTED] that said
5 something about we need greeters for the weekend--

6 Q All right.

7 A. --to bring to our tent or something, to sign up for
8 a free prize or something.

9 Q Okay, so you met with [REDACTED]?

10 A. No, just [REDACTED].

11 Q Okay.

12 A. And then [REDACTED] [REDACTED]

13 Q Uh-huh.

14 A. We had a [REDACTED].

15 Q Yeah.

16 A. And [REDACTED] said, [REDACTED] --

17 [REDACTED]
18 [REDACTED]

19 The very next day -- I don't know if I sent you
20 this, if that looks familiar at all?

21 Q I don't know if I got that.

22 A. I can resend everything, I just don't know what I
23 had--

24 Q So [REDACTED] set you up with [REDACTED]?

25 A. Yes, yes, sir.

1 Q Okay.

2 A. So then the next day--

3 Q Do you have [REDACTED] last name?

4 A. No, sir, but I do have [REDACTED]

5 [REDACTED] between [REDACTED]

6 Q What's [REDACTED]?

7 A. And I will send it to you. [REDACTED].

8 And I have [REDACTED].

9 Q That's all right. Okay.

10 A. Okay.

11 Q So [REDACTED] is the one that got you set up?

12 A. Yes, sir. Hi, Andre, [REDACTED] with [REDACTED].

13 And so this is where I originally was like, okay,
14 these guys are official, right.

15 MS. PAPAKOS: When you say [REDACTED], is it [REDACTED]?

16 THE WITNESS: I think [REDACTED]

17 MS. PAPAKOS: [REDACTED]?

18 THE WITNESS: Yes, ma'am. And I'll send -- again,
19 you can have all this.

20 A. So that's when I originally -- well, okay. Well,
21 first of all, I had an interview over the phone, and second of
22 all, now this guy is reaching out to me and it looks
23 professional, right?

24 [REDACTED]

25 [REDACTED]

1 That's basically all I ever really talked to [REDACTED]
2 about.

3 Sure thing, give me a call when you're ready.

4 We had the conversation, Meet me [REDACTED]. And every
5 day was just, Okay, meet me here at this time, or, We're going
6 to meet there tomorrow.

7 BY INSPECTOR NEGRINELLI:

8 Q Okay --

9 A. I didn't work with them -- sorry, go ahead.

10 Q So when you first met, [REDACTED] was there?

11 A. Yes, sir, [REDACTED].

12 Q Okay.

13 A. Yes, sir.

14 Q Was other people with you?

15 A. Yes, sir.

16 Q There was other people that were signing up that
17 wanted to do --

18 A. Yeah, from [REDACTED].

19 Q Like how many?

20 A. So, for my group alone, for that [REDACTED] group, I
21 believe there's about six to maybe 10 of us a day.

22 Q Okay.

23 A. However, [REDACTED], I even met,
24 you know, [REDACTED] and we just started talking,
25 'cause I talk to everyone and we're both trying to get

1 petitions. [REDACTED]
2 the [REDACTED]. So speaking [REDACTED],
3 I said, Oh, you weren't with our group. [REDACTED] like, No, dude,
4 there's tons of us.

5 So it just gave me more of an example of people are
6 really taking advantage of this petitions, or whatever,
7 government-funded, I don't know who funds these things, but.

8 Q Tell me about when you first [REDACTED] [REDACTED] --

9 A. Yes, sir.

10 Q --and what did [REDACTED] tell you and everything that
11 happened?

12 A. [REDACTED] was professional and smart and outgoing,
13 and [REDACTED] definitely knew what [REDACTED] was doing in regards to kind of
14 grooming people and telling them what to say and how to get
15 people's attention to sign.

16 Q Now, you had you ever been familiar with petitions
17 before this?

18 A. No, sir.

19 Q Okay, so what kind of things, [REDACTED] [REDACTED] [REDACTED], like
20 exactly what you'd be doing--

21 A. So guys, you just want to get as many petitions as
22 you can, and they get reviewed in the back-end or something,
23 you know, so a lot of people are probably going to give you
24 bullshit, people are just going to, you know, sign a fake name
25 or whatever a lot of times, just to get you out of their face,

1 right. But at the same time, there's going to be people that
2 are going to be willing to do it and wanting to do it.

3 I mean, [REDACTED] just kind of -- it was more of grooming
4 you into like, Hey, can I get you to talk to me for a quick
5 minute -- 'cause [REDACTED], and nobody
6 wants to stop and talk to you.

7 Q Did [REDACTED] explain what the petitions were going to be
8 for?

9 A. [REDACTED]

10 Q So what was it?

11 A. So [REDACTED] said that the [REDACTED]
[REDACTED], and that--

13 Q And that's what the petitions were for?

14 A. And the petitions were simply that they didn't want
15 the State of Florida to take away women's rights.

16 Q Okay.

17 A. So that's what [REDACTED] telling me. Whoever you're
18 talking to, this petition is for you guys to keep the State of
19 Florida from taking away women's rights; that's exactly what
20 [REDACTED] told us to tell people. Not necessarily abortion.

21 Q Do you know if [REDACTED] was local or was [REDACTED] from
22 somewhere else?

23 A. [REDACTED] travels, from what [REDACTED] told me, [REDACTED] travels the
24 states. [REDACTED] liked me, [REDACTED] was trying to get me to travel with
25 [REDACTED] [REDACTED] [REDACTED] That was the next state that

1 they were going to.

2 Q [REDACTED]?

3 A. No, [REDACTED] plates I believe were -- it's one of the
4 two, either [REDACTED] - no, I think [REDACTED], the [REDACTED], was
5 [REDACTED], [REDACTED] that collected the petitions is from
6 [REDACTED]. I think [REDACTED] was from [REDACTED], I think?

7 Q [REDACTED], you mean?

8 A. Yeah, sorry. I want to say [REDACTED], [REDACTED]
9 [REDACTED], [REDACTED]
10 [REDACTED]

11 Q Did [REDACTED] explain to you how you were going to get
12 paid?

13 A. Yes, sir, [REDACTED] did.

14 Q And what did [REDACTED] say?

15 A. One dollar per petition, a hundred petitions a day.
16 We couldn't leave until we got a hundred.

17 Q So a dollar a petition?

18 A. Yes, sir.

19 Q And I'm sorry, a hundred--

20 A. Per day. And we couldn't leave until, you know,
21 everyone had a hundred. And again, 10 people, six to 10
22 people, six hundred, a thousand a day, right?

23 Q Yea, okay.

24 A. And what I didn't know, sir -- oh, sorry, go ahead.

25 Q How did [REDACTED] pay you?

1 A. [REDACTED].

2 Q Okay.

3 A. Through [REDACTED] that apparently, which is what I
4 didn't know -- of course we're going to get further into this,
5 and when I started realizing what I was doing wasn't right,
6 right, 'cause I told you I know why we're here, I never was
7 trying to hide anything. I just didn't know it was to this
8 extent of the law, but--

9 I have another thing. [REDACTED], by
10 the way. My fiancée found this literally just this morning.

11 Q [REDACTED]

12 A. So the [REDACTED] that paid me, I thought [REDACTED]
13 [REDACTED]. I believe I sent you that [REDACTED].

14 Q Yeah?

15 A. [REDACTED] name is [REDACTED] and [REDACTED]
[REDACTED] when you're ready. [REDACTED]. So I
17 thought [REDACTED] was [REDACTED]. And I was surprised--

18 Q Go ahead.

19 A. Yes, sir, [REDACTED].

20 Q So did this [REDACTED], [REDACTED] worked with--

21 A. Never met [REDACTED].

22 Q -- [REDACTED]?

23 A. Yes, sir.

24 Q And what, did [REDACTED] just say you're going to get
25 [REDACTED]?

1 A. Yes, sir.

2 Q Okay.

3 A. So basically [REDACTED] was like [REDACTED]. I guess
4 [REDACTED] was the [REDACTED], [REDACTED] was the [REDACTED], and
5 [REDACTED] was the [REDACTED], you know, [REDACTED]
[REDACTED], I guess.

7 Q Do you know how [REDACTED] knows [REDACTED]?

8 A. No, sir, I don't.

9 Q What's [REDACTED]

10 A. Yes, sir.

11 MS. PAPAKOS: And just so the transcript is clear,

12 [REDACTED]

13 [REDACTED]

14 [REDACTED]

15 THE WITNESS: Yes, ma'am. [REDACTED]

16 [REDACTED]

17 MS. PAPAKOS: Okay.

18 A. [REDACTED] is [REDACTED].

19 BY INSPECTOR NEGRINELLI:

20 Q And did you think that [REDACTED] was local?

21 A. I -- I don't know that [REDACTED] I apologize.

22 Q I didn't know from just talking with [REDACTED] or anything
23 if you knew [REDACTED] was local?

24 A. [REDACTED] From what I get is [REDACTED]

[REDACTED]. That's the

1 same, even with [REDACTED] --

2 Q Was [REDACTED] involved with petitions?

3 A. Never met [REDACTED], no, never seen [REDACTED], never met [REDACTED]

4 Q [REDACTED] just [REDACTED] and shot you over to
5 [REDACTED]?

6 A. Yes, sir. Yes, sir. And [REDACTED] was the [REDACTED] on the
7 ground. And I guess if I could imagine that I'm correct,
8 [REDACTED], if you look [REDACTED] up,
9 and that's, those thousands that were being collected a day
10 would, I would imagine, [REDACTED]

11 Q All right.

12 A. Which I don't remember, I'm being honest, because I
13 never thought that -- once you showed me, when you came to my
14 home and you showed me, Andre, is this your petition, did you
15 sign this, right? And I really took a look at it and really,
16 you know, put two together.

17 And after meeting with [REDACTED] and [REDACTED], which
18 I told you, what I was doing was illegal, because I didn't
19 know, because I just didn't know better. They're on
20 [REDACTED], they're these people out there with official tents
21 and organizations and I just, in my head was like, Okay,
22 that's a thing, you know. But what I didn't know is that you
23 actually had to be there, it had to be you, right?

24 Q Yeah.

25 A. But everything else pointed to that wasn't it, that

1 wasn't the case.

2 Q All right. So [REDACTED] setting it up. [REDACTED]

[REDACTED]?

4 A. Yes, sir.

5 Q Who do you turn the petitions in to?

6 A. [REDACTED].

7 Q So basically [REDACTED] collecting the petitions, and

8 I guess [REDACTED]--

9 A. I got a thousand--

10 Q --Andre's got whatever--

11 A. A hundred, yes sir.

12 Q --pay him this much?

13 A. Yes, sir, yes, sir.

14 Q Okay. All right. All right, so how long did that
15 go on for, that particular method?

16 A. Maybe three, four days at most, because that one
17 [REDACTED] is the only time [REDACTED]. The next
18 time [REDACTED], and I think there was two more days
19 and that's it.

20 Q It was only like for three days?

21 A. Yeah, I believe so. 'Cause I could only do it on
22 the weekends because of my other job.

23 Q Yeah.

24 A. Mostly.

25 Q And where did you turn them in [REDACTED]?

1 A. [REDACTED] or whatever we were for
2 the day.

3 Q It was always [REDACTED]?

4 A. With [REDACTED] it was, yeah. [REDACTED]
5 [REDACTED]
6 [REDACTED]

7 Q And then you said [REDACTED], I got the one where [REDACTED]
8 you 200.

9 A. Yes, sir.

10 Q And so that was for 200 petitions?

11 A. Yes, sir, that was for two days in a row, I believe,
12 if I recall correctly.

13 Q And then what did you say, then [REDACTED] just paid you
14 [REDACTED]?

15 A. Yeah, for like the last day. I think there was one
16 more day that [REDACTED] and that's it.

17 Q So you actually met physically with [REDACTED]?

18 A. No, [REDACTED], [REDACTED].

19 Q [REDACTED] paid [REDACTED]?

20 A. Yeah. I think one day -- yeah, one last day and
21 that's it. Because what happened was -- now we're there, so
22 that's where we get into how I'm in trouble now. While we're
23 there and I'm doing this, one of the other Petitioners is
24 like, Hey, you're from -- you know, just talking to people,
25 being stuck there for eight hours a day, right.

1 Told me, said, Am I from Florida? I said, Yeah.
2 You're a Florida resident, why don't you sign up yourself, you
3 know they pay \$10 a petition. And I was like, What? Get out
4 of here, I'm being paid \$1 a petition.

5 Q So you weren't registered at the time --

6 A. No.

7 Q --as a Petition Circulator --

8 A. No.

9 Q --that you were doing this?

10 A. No, that's how I find out about doing it for myself.

11 Q Gotcha.

12 A. And that's the only reason why I did it. I'm like,
13 Why the fuck am I -- you know, excuse my language, right? I'm
14 trying to provide for my family, but I'm not trying to fraud
15 anyone, I'm not trying to do any illegal activities. I just
16 signed up, I thought that's what--

17 Q All right, hold on. Let me ask you then, when you
18 were doing those petitions and those were getting turned in,
19 didn't you have to put a Circulator number on them?

20 A. I apologize, sir, which petitions?

21 Q These ones that we just talked about.

22 A. Yes, sir.

23 Q You know, you had--

24 A. That's what I'm saying, I would imagine it's [REDACTED]

[REDACTED], [REDACTED].

1 Q Oh, okay.

2 A. That's what I'm saying, that [REDACTED] --

3 Q [REDACTED] --

4 A. [REDACTED]

5 Q -- [REDACTED]

6 [REDACTED] [REDACTED]

7 A. I don't know--

8 Q [REDACTED] ?

9 A. I would imagine.

10 Q And then you were taking those and getting people to
11 sign them?

12 A. Yes, sir, yes, sir.

13 Q All right.

14 A. So that why I thought that this is like, you know,
15 this is how groups or whoever is the Circulator does it.

16 MS. PAPAKOS: So I'm going to interrupt for a second
17 so I make sure this is clear.

18 THE WITNESS: Yes, ma'am.

19 MS. PAPAKOS: Where were you getting the formes that
20 you were using?

21 THE WITNESS: [REDACTED]. [REDACTED] had a box full of
22 forms, thousands of them, and [REDACTED] each a
23 hundred as we got there. Here's a hundred for you, a
24 hundred for you, a hundred for you.

25 MS. PAPAKOS: For those forms that you were doing

1 for the \$1, before you signed up and started doing it on
2 your own,--

3 THE WITNESS: Yes, ma'am, yes, ma'am.

4 MS. PAPAKOS: --did you ever see anybody sign those
5 in your presence? Not people that were signing the
6 petitions, but the people that are Registered Circulators,
7 whatever was at the bottom of the form--

8 INSPECTOR NEGRINELLI: In other words, [REDACTED]

9 MS. PAPAKOS: Did you see who was signing those?

10 MS. BIRRIEL-SANCHEZ: Or did you sign them?

11 THE WITNESS: No, I didn't sign them. Because I
12 don't remember if it was [REDACTED], but [REDACTED]

[REDACTED], so that's why I'm saying, like if you put
14 two together in my head.

15 MS. PAPAKOS: Do you recall if they were pre-signed?

16 THE WITNESS: No, ma'am, I don't.

17 MS. PAPAKOS: Okay, that's okay.

18 THE WITNESS: I apologize.

19 MS. PAPAKOS: No, I just wanted to make sure.

20 THE WITNESS: I don't think that [REDACTED] was signing
21 them though, at least not in front of me.

22 BY INSPECTOR NEGRINELLI:

23 Q But you think it was [REDACTED] [REDACTED]

Q Okay.

A. And that's, the [REDACTED] says [REDACTED] on it.

Q Yeah, yeah.

A. So in my head, right--

Q But you don't recall looking at those petitions?

A. No, I wish I had an extra one. I don't know if I do or don't.

Q Okay.

A. But I would imagine you can look, you know, you being you can probably look that up, right?

Q Yeah.

A. So that's just kind of my idea behind it. [REDACTED]

Q Okay. So you did those couple hundred while you weren't a Registered--

A. Yes, sir. And working with--

Q --Petition Circulator with them.

A. Yes, sir.

Q Then you meet this other Petitioner, and you said you started talking about, Yeah, you're a resident here in Florida.

A. Yeah.

Q So that person got you--

1 A. Yeah, told me to go to the website.

2 Q Sign up at the website.

3 A. [REDACTED], You go do it, you get paid \$10 a
4 petition -- I don't know any of this stuff, [REDACTED] was the one
5 telling me. You get paid \$10 a petition. Whenever you're
6 here and I'm here with these guys, I'll just rock with you.

7 Q Now, who is that?

8 A. I told you, the [REDACTED]. But I never
9 like actually talked to [REDACTED] or like [REDACTED] or
10 [REDACTED]. It was just, [REDACTED]
11 [REDACTED] and [REDACTED]

12 And that's, I think, is the ones that you have, the
13 ones that you came to the home with the fraud.

14 Q And [REDACTED]?

15 A. [REDACTED], and that's all I knew [REDACTED]
[REDACTED]. [REDACTED]
17 [REDACTED]
18 [REDACTED].

19 Q And you don't have any of [REDACTED]

20 A. No, I swear to God I don't, man. I would give it to
21 you. And I think that's what I was trying to tell you at my
22 house, because --

23 Q Okay.

24 A. --I wouldn't go to jail, I have a baby, have a
25 family, I'm a realtor. I'm not trying, for \$10 a petition,

1 like I'm 40 years old, I've never gotten in any type of
2 trouble like this and I wouldn't start now. So I would gladly
3 tell you. But it was just--

4 Q So [REDACTED] just basically said, Hey -- [REDACTED] just told you
5 how to do it -- go to the website--

6 A. Yes, sir.

7 Q --register?

8 A. Yes, sir.

9 Q And then how did you get your petitions?

10 A. On [REDACTED], the -- I don't know what to call
11 it, Petitioner's -- I don't know, [REDACTED]
[REDACTED]. I guess [REDACTED]

14 Q Is it the Supervisor of Elections office?

15 A. I don't know. I don't -- it was just a [REDACTED]
[REDACTED] so I don't want to say yes. It was just [REDACTED]
[REDACTED]

18 Q How did you find it, how did you get to --

19 A. How did I find that. That's a good question.

20 MS. BIRRIEL-SANCHEZ: Like after you signed up,
21 right?

22 THE WITNESS: Yes, ma'am, yes, ma'am.

23 MS. BIRRIEL-SANCHEZ: How did you know [REDACTED]
24 [REDACTED]?

25 THE WITNESS: Yeah, yeah, yeah, I'm trying to think.

1 MS. BIRRIEL-SANCHEZ: Okay.

2 THE WITNESS: That's a good question, I'm just
3 trying to recall. I don't know if maybe -- I don't know.
4 I'd have to -- I really don't know. [REDACTED]

5 [REDACTED].

6 BY INSPECTOR NEGRINELLI:

7 Q So it was a [REDACTED]

8 A. I have a [REDACTED] with [REDACTED].

9 Q --off of [REDACTED]?

10 A. Yes, sir. And they just give you the petitions in
11 your name and collect them and pay you. So if I went there
12 with a hundred, they give you 50 percent of what you had. So
13 if I had a hundred petitions, they'd pay me 500 bucks, right?
14 Within a week, they were sent to you guys to get reviewed and
15 checked off, I come back and [REDACTED] pay me the remainder, as
16 long as they all went through.

17 [REDACTED]

18 [REDACTED] --

19 Q So that's where you got, that's where--

20 A. [REDACTED]

21 Q - [REDACTED] printed off the petitions for you there?

22 A. Yes, sir, [REDACTED] [REDACTED] [REDACTED]

23 [REDACTED] [REDACTED] [REDACTED]

24 Q Do you have [REDACTED]?

25 A. I'm looking right now, sir.

1 Q Maybe I got it here. [REDACTED]?

2 A. I apologize, I don't know. I think I -- do you mind
3 if I get [REDACTED]? [REDACTED]

4 [REDACTED]

5 Q We can get it afterwards.

6 MS. PAPAKOS: Yeah, we can get it later.

7 A. Okay. But yeah, [REDACTED] that collected from
8 me, and everything was going well [REDACTED]. And I was getting
9 better, like [REDACTED] would tell your percentages, and where we need
10 petitions signed, from what areas.

11 BY INSPECTOR NEGRINELLI:

12 Q And I'm sorry, what was [REDACTED] paying you again?

13 A. 10.

14 Q \$10 per petition?

15 A. Yes, sir. 50 percent up front, 50 percent when they
16 were reviewed.

17 MS. PAPAKOS: Okay, so when you said the remainder,
18 let's say you had a hundred--

19 THE WITNESS: Yes, ma'am.

20 MS. PAPAKOS: You would turn them in, get 500 --

21 THE WITNESS: Yes, ma'am, exactly.

22 MS. PAPAKOS: They would submit them to the
23 Supervisor of Elections, and if everything was fine, you'd
24 get your second 500?

25 THE WITNESS: Yes, ma'am, exactly. That's exactly

1 how it worked. And I never got over 50 percent.

2 BY INSPECTOR NEGRINELLI:

3 Q How [REDACTED] paying you?

4 A. [REDACTED] And I [REDACTED]
[REDACTED].

6 Q Do you remember, was there [REDACTED]
[REDACTED]?

8 A. [REDACTED].

9 Q [REDACTED]?

10 A. I -- I think so, yes, sir. [REDACTED]
[REDACTED]

12 Q Where did you [REDACTED]

13 A. [REDACTED]
[REDACTED] I don't know if

15 I --

16 Q [REDACTED]
[REDACTED]?

18 A. [REDACTED]
[REDACTED]

20 Q And how long did that go on for?

21 A. I think I turned in [REDACTED] three times, and that
22 was it.

23 Q Uh-huh.

24 A. I believe.

25 Q Okay.

1 A. Maybe there was a fourth, maybe it was only two
2 times, but it wasn't much. Because, again, this was on the
3 weekends. I was just trying to -- supplemental income.

4 Q Right.

5 A. I think my fiancée just had a baby or was pregnant,
6 I don't remember. But I was the only one bringing money in at
7 the time, I believe. Or she just started--

8 Q And then why did that end?

9 A. So I started at like, I don't know, 30 percent, then
10 it got better, like 40, 50 percent of like validity of what I
11 was handing in.

12 Q Yeah.

13 A. And then I think it went back down maybe pretty
14 badly.

15 Q Yeah?

16 A. And then [REDACTED] was kind of upset with me, [REDACTED]
[REDACTED] was like, Are you watching these people, blah,
18 blah, blah. I don't know, it was just weird. It kind of like
19 threw me off. And that's when I told, 'cause I originally --
20 So this is what happened. I think the second time,
21 [REDACTED] was kind of trying to groom me too, and trying to get me
22 better. And was telling me, 'cause people are handing [REDACTED]
23 stacks and stacks, and I'm like, This is real? I'm like, it's
24 hard to get a hundred, [REDACTED] if you were bringing thousands,
25 how the fuck? Excuse my language.

1 But that's when I told [REDACTED] [REDACTED] seemed
2 like [REDACTED] was upset because I wasn't having good validity. And
3 [REDACTED] was like, Have you ever done this before, just like you
4 asked. And I say, Yeah. And [REDACTED] was like, Are you sure? Kind
5 of like questioning me. I was like, Yeah, [REDACTED] I do it for
6 [REDACTED], whatever. [REDACTED] was like, Who? And I showed
7 [REDACTED]. And [REDACTED] was like, Well, what do you mean? You can't do
8 that. And I'm like, Well, what do you mean, I can't do that?
9 [REDACTED] like, [REDACTED] -- 'cause I told [REDACTED] the whole thing
10 I just told you.

11 And [REDACTED] like, Well, [REDACTED] had to be there, [REDACTED]
12 had to be there, that's illegal, [REDACTED] can't do that. And I even
13 gave [REDACTED]. [REDACTED]
14 [REDACTED]

15 I didn't realize what [REDACTED] was saying, that it was
16 illegal because [REDACTED] wasn't there.

17 Q Uh-huh.

18 A. It was illegal in general, whether [REDACTED] was there,
19 right, and you're there with me, and you're [REDACTED], right. Even
20 if you got one from her and gave it to me, that's where I
21 didn't realize it was still illegal, right. The way [REDACTED] said
22 it, [REDACTED] wasn't there, so I figured, Okay, [REDACTED] the one that
23 is the Petitioner, [REDACTED] has to be there--

24 Q Right.

25 A. --collecting with these people, these other people

1 that [REDACTED] hiring or whatever.

2 Q So basically [REDACTED] was questioning your validity of
3 the petitions that you were turning in to [REDACTED]?

4 A. Yeah. And [REDACTED] like, Have you ever done this, and I
5 told [REDACTED] about that, and that's when [REDACTED] told me no. Because I
6 told [REDACTED] I never met [REDACTED], [REDACTED] wasn't there, [REDACTED].
7 I got paid through [REDACTED], 'cause -- [REDACTED], What do you mean,
8 that's illegal, [REDACTED] can't do that, blah, blah, blah, you
9 know, like don't -- you know, Don't do what [REDACTED] did, kind of
10 thing. That's it.

11 Q Okay.

12 A. So then--

13 MS. PAPAKOS: You said earlier that [REDACTED] was,
14 that's when [REDACTED] started to trying to -- you used the word
15 groom. So what was [REDACTED] telling you exactly to do about
16 your validity rates?

17 THE WITNESS: No, it was just, Are you watching
18 people, are you making sure they're getting signed, like
19 do you see people signing them in front of you. And when
20 I was with [REDACTED], you know, and other petitioners
21 are doing them for themselves, but we just kind of grouped
22 up because the more you're grouped up, the more people are
23 willing to talk to you, versus just one single person
24 going up to someone, it's a little fucking weird, right,
25 people are just like, Who are you, what do you want.

1 But when it's three or four of us, and we got one person
2 to sign, and then you're signing --it's almost like an
3 attention grabber, where people do start speaking to you,
4 which is nice.

5 But no, [REDACTED] was just like, and I told [REDACTED], I was like
6 -- so then the third, when my stuff starting to get
7 better, [REDACTED], Oh, you're doing great, da-da-da, I was like
8 yeah. But I was still sometimes missing signatures or
9 birth dates, people would leave out just the birth date or
10 just the signature. [REDACTED]

11 [REDACTED]
12 [REDACTED]
13 [REDACTED]
14 [REDACTED]
15 [REDACTED]
16 [REDACTED]

17 I don't think in a negative way, because [REDACTED] seemed
18 very professional. But -- I guess maybe groom wasn't the
19 best word to use.

20 MS. PAPAKOS: Did [REDACTED] ever give you any names to use
21 on petitions to fill out?

22 THE WITNESS: What do you mean, I'm sorry?

23 MS. PAPAKOS: Did [REDACTED] ever give you any names of
24 voters? Did [REDACTED] have a list or anything that [REDACTED] gave to
25 you?

1 THE WITNESS: No, no. It's just like if I would
2 hand it in and if it was missing like a birth date, or it
3 would say 32 Rolling, ██████████ Well, Rolling what, Rolling
4 Ave., Rolling Street, and ██████████, I don't know how or
5 what database ██████████, Oh, okay, yeah, this one's good.

6 MS. PAPAKOS: So after you had handed them in and
7 they were all signed, ██████████ would add things to them?

8 THE WITNESS: Sometimes, yes, like a street, ave.,
9 or a birth date, yes, or what date that, Oh, it wasn't
10 signed, what day was it that you were collecting these?
11 Well, they all say that I was collecting them on the 10th
12 that day, so it was the 10th.

13 But yeah, I don't think ██████████ ever did a signature, by
14 any means. ██████████ was definitely very professional and like
15 seemed like enthusiastic about what ██████████ was doing. Which,
16 I guess maybe I shouldn't have used the word groomed. But
17 kind of just like, Yo, are you watching people sign them?

18 And so the last conversation I had with ██████████, when
19 this all ended, 'cause you said when did this stop, right,
20 that's what we're getting to -- is when I told ██████████, when I
21 was doing better, ██████████ like, Oh, you're doing a lot
22 better, your validity went up, like, So you're watching
23 them like. And that's when I told ██████████ Yeah, I have, you
24 know, people working with me and helping me. That's when
25 ██████████ told me, Well, what do you mean, you can't do that,

1 that's illegal, I can't take any more from you. I told
2 you that [REDACTED]

3 I was like, Hey, you know, the fact that [REDACTED]
4 wasn't there, is what I thought. Like he was the
5 [REDACTED] and [REDACTED] wasn't even there, right.
6 So [REDACTED] can't go in front of you guys and say, Yeah, I
7 was there, yeah, I saw people signing them. I thought
8 that was like the take-or-break thing, you know what I
9 mean. [REDACTED]

[REDACTED]
[REDACTED]

12 So I really, I just, in my head I was just ignorant
13 to what was the fine line here, right, because the way I
14 was pulled into it to begin with, it looked all very
15 professional and very normal; this is what we do.

16 BY INSPECTOR NEGRINELLI:

17 Q And that's when [REDACTED] said [REDACTED] couldn't take any more
18 from you?

19 A. And I never did it again, yeah, and [REDACTED] told me, I'm
20 not taking -- and I went there with more to get paid, and I
21 told you that conversation, Thank you for telling me that, but
22 we're done here.

23 MS. PAPAKOS: When you say you had people helping
24 you, what do you mean?

25 THE WITNESS: Well, like [REDACTED], that, that's

1 it.

2 MS. PAPAKOS: Yeah, I don't know what conversation
3 you had previous.

4 THE WITNESS: I apologize.

5 MS. PAPAKOS: So when you say that [REDACTED] was kind of
6 getting upset and you were having people helping you, what
7 do you mean, what was that?

8 THE WITNESS: Because when I had the better
9 validity, when I was getting better, [REDACTED] was like, Okay,
10 you're doing great, you know, what's, what different did
11 you make, and you're making sure people are signing
12 clearly in front of you. I said, Yeah, I had [REDACTED]
[REDACTED] helping me, you know, because I was getting more, you
14 know, I was going from like 50 or 60 to like a hundred or
15 120.

16 MS. PAPAKOS: But how was [REDACTED] helping you?

17 THE WITNESS: Who?

18 MS. PAPAKOS: [REDACTED]

19 THE WITNESS: Oh, by getting petitioners, or
20 signatures.

21 MS. PAPAKOS: Okay, and you guys were not together
22 though?

23 THE WITNESS: Yeah, we're together, yeah. [REDACTED]

24 [REDACTED]

[REDACTED].

1 I called [REDACTED], I spoke to the manager there, they
2 said no. [REDACTED]
3 [REDACTED] You
4 know, like a lot of places didn't want anything to do with
5 Petitioners. So I knew [REDACTED] was my best bet, and maybe two or
6 three times [REDACTED]. Hey, what's up, you want me to help
7 you, you going to pay me cash? And that's what I did.

8 Q Now, remember when I mentioned that there were a
9 bunch from [REDACTED]?

10 A. Yeah, I do, yeah.

11 Q So were those some of the people that you worked
12 with going over there and getting people signed up?

13 A. [REDACTED]
[REDACTED]
[REDACTED]

16 MS. PAPAKOS: [REDACTED]
17 [REDACTED]

18 THE WITNESS: [REDACTED]

19 BY INSPECTOR NEGRINELLI:

20 Q Because there was a lot in [REDACTED] County.

21 A. And I don't even know where--

22 Q [REDACTED].

23 A. I know that I went [REDACTED]
24 that's from [REDACTED], I'm from [REDACTED].

25 Q Yeah.

1 A. And [REDACTED] area.

2 Q Yeah.

3 A. And I maybe collected [REDACTED].

4 Q Yeah.

5 A. I know it was more like, [REDACTED]

[REDACTED] just hadn't [REDACTED] in

7 a while.

8 Q I think there was even more there than you did in

9 [REDACTED]. So--

10 A. [REDACTED]

11 [REDACTED]

12 [REDACTED]

13 [REDACTED]

14 Q [REDACTED]

15 A. [REDACTED]

16 Q [REDACTED]

17 A. Yes, sir.

18 Q Yeah.

19 A. Because I would tell [REDACTED] that we're getting
20 horrible, I'm getting horrible validity, right, I'm not doing
21 well, right. 'Cause [REDACTED] me and they were coming
22 back trash.

23 Q Did you know if [REDACTED] turned in petitions to [REDACTED]?

24 A. No, [REDACTED] definitely didn't, 'cause [REDACTED]

25 [REDACTED]. So, from what I know, you have to be a Florida

1 resident --

2 Q Okay.

3 A. --to be a Petitioner.

4 Q Okay, and for sure [REDACTED] [REDACTED]?

5 A. Yeah, [REDACTED].

6 Q Right, okay.

7 A. And again, [REDACTED]. If you look these guys
8 up, and they didn't get shut down [REDACTED], right, because
9 remember I told you, I told [REDACTED] before I told you [REDACTED]
10 and all that.

11 Q Yeah.

12 A. [REDACTED]
13 [REDACTED] [REDACTED]
14 [REDACTED]

15 Q Okay.

16 A. And [REDACTED] was saying that [REDACTED], [REDACTED]
17 [REDACTED]

18 Q Do you know any other peoples' names [REDACTED]
[REDACTED] were working with?

20 A. No, man, and I'm just being honest with you. It's
21 just me showing up, walking, Oh, what's up, bro, how many did
22 you do today. It's just like -- no one really took it
23 seriously, they were just there to make their money and go
24 home, as far as the ones that were getting it signed. Because
25 they weren't the Circulators, it wasn't in their name, so they

1 didn't give a shit, no offense.

2 And I just -- I didn't know any of this would turn
3 into this, man. Again, I've been a realtor for almost ten
4 years now, I've sold houses to doctors, lawyers. [REDACTED]

[REDACTED]. If you look in my phone, I have [REDACTED]
[REDACTED] in there. [REDACTED]

[REDACTED] [REDACTED]
[REDACTED]
[REDACTED]

10 But I just -- it's not my MO. It's \$10 a fucking --
11 I'm sorry for cursing, because you have to type it.

12 Q Did [REDACTED] say what company he worked for?

13 A. No, I have, [REDACTED]
[REDACTED] [REDACTED]
[REDACTED]

16 Q [REDACTED]

17 A. Yeah, I think so.

18 Q Okay.

19 A. Can I ask you a question? If I were to go to
20 [REDACTED]

[REDACTED] 'cause I imagine that's how you could find
22 it, or no?

23 Q I'm not sure.

24 A. Yeah, [REDACTED] [REDACTED]
[REDACTED]

1 Q Yeah, we can figure it out.

2 A. Whatever you need, man. I just want to stay out of
3 trouble, bro.

4 MS. PAPAKOS: Did you ever fill out any forms for
5 taxes or anything, or was all this in cash and checks?

6 THE WITNESS: No, no forms. Yeah. It was either,
7 the one time [REDACTED]

[REDACTED] [REDACTED]. [REDACTED]
[REDACTED] like, I'll help you, but I want cash, and I want \$5. You
10 know, and that was [REDACTED] kind of way of I was the one that
11 told you about making \$10 versus one, and I'm helping you.
12 Almost like you need me, I don't need you kind of thing.

13 BY INSPECTOR NEGRINELLI:

14 Q Okay.

15 A. Yeah. But yeah, I just can't remember the name of
16 [REDACTED], or how I even got in
17 contact with -- I know that was the question, [REDACTED]

[REDACTED]
19 MS. PAPAKOS: When [REDACTED] was helping you get
20 some petitions signed --

21 THE WITNESS: Yes, ma'am.

22 MS. PAPAKOS: Do you know at the bottom of the form
23 you have to sign and date it, did you do that after [REDACTED]
[REDACTED] gave them back to you or before?

25 THE WITNESS: I did that as [REDACTED] gave them back to me.

1 Like, you know, so [REDACTED]. Say
2 you [REDACTED], and she's just, you know, [REDACTED].
3 You know, I'd see it, we went everywhere together to do
4 it.

5 So the only time is, again, when I left early that
6 [REDACTED] would say I'm going to stay, I have like 30 left, you
7 know, and I just, I didn't know better. So I'm being
8 honest with you guys. That's where clearly I was doing
9 something illegal.

10 MS. PAPAKOS: So those 30 that were left, right, and
11 you were gone and [REDACTED] was getting them signed or so you
12 thought, did you pre-sign those or did you--

13 THE WITNESS: No, I'd wait for [REDACTED] to give them
14 back.

15 MS. PAPAKOS: Did [REDACTED] ever tell you where [REDACTED] was
16 getting those signatures from?

17 THE WITNESS: No, ma'am. All I know is that the
18 reason why [REDACTED] [REDACTED] [REDACTED]

[REDACTED]
[REDACTED]
21 [REDACTED], right, and I wasn't getting
22 the results, so it was almost like I was either losing
23 money or breaking even; it just didn't make sense, you
24 know. Once I like expressed that [REDACTED], Oh,
25 yeah, don't worry, there's a website where you can kind

1 of -- I don't -- like verify it or something.

2 And in my head I'm like, I'm sure that's right,

3 [REDACTED], I've seen [REDACTED]

4 with, you know, all of my stuff.

5 So I don't know. I don't know. In my head it's

6 just like [REDACTED] the areas that we needed them, right?

7 And now--

8 BY INSPECTOR NEGRINELLI:

9 Q [REDACTED] there was a website that you can go to
10 verify people's information?

11 A. Yeah.

12 Q Yeah. Okay.

13 A. Or maybe I was telling [REDACTED] was going --
14 I'm sorry, I'm just trying to remember, to be honest, 'cause
15 it was a year ago. Or maybe it was me telling [REDACTED]
16 was checking them, and [REDACTED] like, Yeah, I know, or
17 something; something along the lines -- I just know that [REDACTED]
18 knows that there's a place where you can check them. Whether
19 it was me saying it and [REDACTED] [REDACTED] [REDACTED]

20 [REDACTED] [REDACTED]
21 But I'm pretty sure it was me saying [REDACTED], like,
22 Dude, I'm getting pissed off 'cause I'm paying you and we're
23 not getting the results. You know, I'm here to make money and
24 now I'm losing money, right, kind of thing. And [REDACTED]
25 like, Dude, this guy checks them right in front of me when I

1 hand them in, and a lot of them are coming back just garbage,
2 it's not a real person or real address, or whatever the case
3 may be.

4 So [REDACTED]
[REDACTED]. 'Cause
6 I'm sure [REDACTED] didn't want to lose out on the five per petition
7 versus one.

8 MS. PAPAKOS: Did you deal with any validity issues
9 for [REDACTED], [REDACTED]?

10 THE WITNESS: I don't know, because they weren't
11 mine to hand in.

12 MS. PAPAKOS: But nobody ever told you [REDACTED]
[REDACTED], like--

14 THE WITNESS: No, no.

15 MS. PAPAKOS: Okay.

16 THE WITNESS: [REDACTED]
[REDACTED] [REDACTED]

[REDACTED] and I'm telling you, they had to be
19 collecting a thousand a day, which is insane to me. It's
20 crazy.

21 So I feel horrible about all this. I would never
22 fraud anyone. And I told him jokingly, like, If I was
23 going to do some fraud, I would -- you know, I'd make it
24 worthwhile. There's no point in going and collecting fake
25 signatures and potentially going to jail or anything,

1 probation, I don't want any type of trouble, period, for
2 \$10 a signature, or any amount of money for that point, or
3 for that matter.

4 It's just, I'm sorry, I am sorry. I just, I was
5 ignorant to what was going on. I had a full-time job.

6 MS. VELASQUEZ: Hold on. Wait for a question.

7 BY INSPECTOR NEGRINELLI:

8 Q Anything else that you can think of that we didn't
9 ask?

10 A. Anything I can think of that you didn't ask.

11 MS. BIRRIEL-SANCHEZ: Do you have any photos of any
12 of these people?

13 THE WITNESS: No. I'm telling you, it wasn't
14 something taken very seriously, as like--

15 MS. PAPAKOS: You said there might be some [REDACTED]
[REDACTED]
[REDACTED]

[REDACTED] THE WITNESS: Yes, ma'am.

19 MS. PAPAKOS: [REDACTED]

20 THE WITNESS: [REDACTED]
[REDACTED]

[REDACTED] BY INSPECTOR NEGRINELLI:

23 Q That's on [REDACTED] ?

24 A. If I have it, yeah.

25 MS. PAPAKOS: Can you get us those if you do have

1 them?

2 THE WITNESS: Of course, I can get you whatever you
3 want. I'm more than willing to help you guys out. I hope
4 those [REDACTED] -- I'm going to be honest, when we
5 were finding [REDACTED]
6 [REDACTED] I'm like, What the hell, which I'm
7 so happy, 'cause that's [REDACTED]

[REDACTED] . [REDACTED]
9 'cause -- and I didn't, 'cause I just -- you know.

10 MS. PAPAKOS: [REDACTED]

11 [REDACTED]
12 THE WITNESS: [REDACTED]

13 MS. PAPAKOS: [REDACTED]

14 [REDACTED]
15 THE WITNESS: [REDACTED]

16 MS. BIRRIEL-SANCHEZ: [REDACTED]

17 [REDACTED]
18 THE WITNESS: No, I don't have any of their info, [REDACTED]

19 [REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]
23 [REDACTED]
24 BY INSPECTOR NEGRINELLI:

25 Q And when did, when did it end around?

1 A. I'm sorry, sir, I think it was -- I want to say
2 before Thanksgiving. And I think I started October.

3 Q Right.

4 A. So it was about a month. So I wasn't out there
5 trying to fraud, man, and trying to--

6 Q So like the last contact you had with [REDACTED]
[REDACTED]

8 A. Yes, sir, yes, sir. I never ever talked to those
9 people ever again in my life.

10 Q All right.

11 A. [REDACTED]
[REDACTED],
13 [REDACTED] [REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]

[REDACTED] I hope some of this will help you. If you
18 guys come in contact [REDACTED] and I have to go testify, I
19 don't care, man, I'll do anything I have to do to clear my
20 name.

21 MS. PAPAKOS: So while you were working with these
22 people and kind of hanging out with them for all that time
23 you were working, did anyone ever talk about using names
24 of other people that they found online, or filling out the
25 forms with just like fake names, anything like that, did

1 you see any of that while you were --

2 THE WITNESS: People did that a lot. They would
3 just fill out, people would just -- fake, fake, fake,
4 because they didn't care.

5 MS. PAPAKOS: And so when did you see that?

6 THE WITNESS: All the time. All the time. People
7 would just fill it out. And, you know, [REDACTED],
8 Okay, I'm going to get lunch, guys, I'll be back in an
9 hour. And then two or three of them would just start
10 writing shit. And like not, I don't think looking stuff
11 up, I don't know what kind of data bases are out there, I
12 don't get it, that part of it. But, you know, just fake
13 shit. Because at the end of the day, [REDACTED]

[REDACTED] wasn't going to go get it
15 verified right then and there, right, they knew that--

16 BY INSPECTOR NEGRINELLI:

17 Q They were just getting that money up front.

18 A. Yeah. When I say that people didn't really care,
19 and I hate to treat this like a joke, this whole scenario, but
20 like that's how everyone did treat it, you know, when they
21 were there. And I mean, even myself, I didn't take it very
22 seriously, I just thought, you know?

23 And people were like, Oh, man, you should have been
24 here for the last one, it was for weed, everyone was lining up
25 to sign it. And I'm like, you know what I mean, you could

1 just tell that these people did it, and they did it almost
2 like for a living, I want to say.

3 Q Yeah.

4 A. I was naive to all of it, I was stupid. I didn't
5 think I was doing anything wrong. If I did, I wouldn't have
6 done it, man.

7 Q Okay. You got anything else?

8 A. Wouldn't do this to my family, more than anyone.
9 But I hope that --

10 MS. VELASQUEZ: Just wait for a question.

11 MS. PAPAKOS: Any information you have that we
12 talked about, [REDACTED]

[REDACTED] I want you to send over to Inspector Negrinelli, if
14 you have them.

15 THE WITNESS: Yes, ma'am.

16 MS. PAPAKOS: [REDACTED]
[REDACTED]
[REDACTED]

[REDACTED] THE WITNESS: Yeah, with [REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]

[REDACTED] BY INSPECTOR NEGRINELLI:

24 Q Yeah, you can try.

25 MS. PAPAKOS: That would be helpful if you're able

1 to.

2 THE WITNESS: Yes, ma'am.

3 MS. PAPAKOS: [REDACTED]

[REDACTED]

THE WITNESS: Yes, ma'am. [REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

11 [REDACTED]

12 [REDACTED]

[REDACTED]

[REDACTED]

15 MS. BIRRIEL-SANCHEZ: [REDACTED]

16 THE WITNESS: [REDACTED]

17 MS. BIRRIEL-SANCHEZ: [REDACTED] ?

18 THE WITNESS: [REDACTED]

19 MS. BIRRIEL-SANCHEZ: [REDACTED] ?

20 THE WITNESS: [REDACTED]

21 MS. BIRRIEL-SANCHEZ: Okay. [REDACTED]

22 [REDACTED].

23 THE WITNESS: [REDACTED]

24 [REDACTED].

25 Man, if I knew any of this, I would a never did any

1 of this. This is -- I was just trying to make--

2 MS. VELASQUEZ: Just wait for--

3 THE WITNESS: Yeah.

4 INSPECTOR NEGRINELLI: All right.

5 MS. PAPAKOS: Oh, another really quick. When you
6 signed up for your Petition Circulator number, [REDACTED]

7 [REDACTED]

8 THE WITNESS: [REDACTED].

9 MS. PAPAKOS: And did you ever see any of the
10 affirmations that you have to swear to when you sign up,
11 or any of the training, you didn't look at that?

12 THE WITNESS: To be honest, no. There was no
13 training, it was just going online, put in your
14 information, that was literally it. Literally the same
15 day, I didn't even -- Okay, go show your local office
16 this. [REDACTED].

17 So that's why I thought it was a very leisurely
18 thing. It's like, okay, here, now you're a Petitioner.
19 You know, I went, if not a hundred of us, not just that
20 group, but, you know, throughout all of the other people,
21 probably a hundred Petitioners [REDACTED] you know,
22 and none of these people are the actual Circulator. It's
23 just a Circulator getting people to get signatures. So I
24 never thought what I was doing was wrong. And here I am.

25 INSPECTOR NEGRINELLI: All right. Good?

1 MS. PAPAKOS: Yeah, I think that's it. I don't have
2 any other questions.

3 (THERE WAS A DISCUSSION OFF THE RECORD.)

4 THE REPORTER: Are you ordering this?

5 MS. PAPAKOS: Yeah, I think so.

6 THE REPORTER: You think so, or yes?

7 MS. PAPAKOS: Yeah, we'll order.

8 (END OF STATEMENT AT APPROXIMATELY 11:08 A.M.)

AUDIO TRANSCRIPTION
OF PROFFER STATEMENT
OF DONELLA HARRIEL

DATE OF STATEMENT: AUGUST 20, 2024

Stenographically Transcribed Audio Recording by
Carmel M. Street

Job No: 378469

1 PROFFER STATEMENT NO. 1

2 The following proceeding was transcribed from
3 an audio file as follows:

4 MS. BIRRIEL-SANCHEZ: Here for a Proffer
5 statement of Donella Marie Harriel.

6 Parties to put their names on the record. I
7 will begin. And then we will go counterclockwise.

8 My name is Sophia Birriel-Sanchez and I am
9 here on behalf of the Office of Statewide Prosecution.

10 MS. PAPAKOS: Pota Papakos with the Office of
11 Statewide Prosecution in Tampa.

12 MR. BERTISCH: Flynn Bertisch on behalf of
13 Donella Harriel.

14 MS. HARRIEL: Donella Marie Harriel.

15 INSPECTOR SHEPHARD: Inspector Chris Shephard
16 with the Florida Law Enforcement Department.

17 INSPECTOR RATLIFF: Inspector Scott Ratliff
18 with the Florida Department of Law Enforcement.

19 BY MS. BIRRIEL-SANCHEZ:

20 Q. Today is August 30, 2024, and it is 10:24 a.m.
21 So, before we begin, Ms. Harriel, your attorney handed
22 me here a document that has two pages. It's dated
23 August 20, 2024. And it is -- it is addressed to your
24 attorney. Did you go over these two pages with your
25 attorney?

1 A. Yes, I did.

2 Q. And the letter has a subject that reads, "Re:
3 Proffer of Donella Marie Harriel."?

4 A. Yes.

5 Q. I actually want to confirm that that is the
6 same letter. It looks like it's signed by both you and
7 your attorney on today, August 30, 2024. Is that
8 correct?

9 A. That is correct.

10 Q. And do you understand that what you are
11 receiving today is Use Immunity?

12 A. Yes.

13 Q. So, that means that we, as the State will not
14 introduce any of these statements against you as
15 substantive evidence during any trial or any hearing as
16 it pertains to this case. But that if we can however
17 use these statements as impeachment evidence.

18 A. Yes, ma'am.

19 Q. Do you also understand that you are not
20 receiving Derivative Use immunity or Transactional
21 Immunity for these statements?

22 A. Yes, ma'am.

23 Q. And has your attorney explained all of this to
24 you?

25 A. Yes, he has.

1 Q. Do you have any questions before we begin
2 about what any of this means?

3 A. No, ma'am.

4 Q. Okay. Do you want -- do you need any
5 additional time to speak with your attorney?

6 A. No.

7 Q. Okay. Perfect. So, the way that this is
8 going to work is that I expect that the inspectors will
9 be asking you some questions.

10 I may jump in just because I know -- I'm an
11 elections prosecutor, and I may have my own questions.
12 And then Ms. Papakos may also jump in because she has
13 separate investigations that maybe you have information
14 about. Okay. Thank you so much.

15 A. Yes, ma'am.

16 BY INSPECTOR RATLIFF:

17 Q. Okay. Raise your right hand for me. Do you
18 swear the statement you're about to give will be true
19 and correct to the best of your knowledge so help you
20 God?

21 A. Yes, sir.

22 Q. Okay. So --

23 A. Can you --

24 Q. No. You can put your hand down.

25 A. Okay.

1 Q. Sorry. Just want to make sure that you're
2 under oath now. Like I said before, it's just -- all we
3 ask is just be straight with us and just tell us the
4 truth.

5 A. Okay.

6 Q. Okay?

7 A. Yes, sir.

8 Q. That's all anybody's asking today.

9 A. Yes.

10 Q. With that said, we'll just kind of give you
11 the floor and if you can kind of explain the process and
12 how you got started. And how -- and just kind of lead
13 us through that. And then we'll just fill in the gaps
14 along the way.

15 A. Yes, sir.

16 Q. And just remember you're being audio-recorded
17 so pointing and that kind of -- because I talk with my
18 hands also, or just names him, her -- just like, to use
19 the names, that kind of stuff, okay?

20 A. Yes, sir.

21 Q. Thank you.

22 BY MS. BIRRIEL-SANCHEZ:

23 Q. So, how did you get started working in
24 Petitioning?

25 A. Well, I didn't know anything about Petitioning

1 at first. However, I know [REDACTED]. So,

Q. Okay.

A. That's what -- that's what the deal was. \$5. We will only get five even though it's \$10 per signature. And she had to get the other. We only get five off each signature that we did.

Q. So, what do you -- okay. What do you mean by the computer stuff?

A. Well, how they you know, get the information.

Q. Uh-huh.

A. She would give -- she tell us to get the names -- to look it up. We have to look it up to see who's registered to vote.

Q. Okay.

A. And they would do the rest. They had their little organization where they will fill out all the stuff.

1 Q. Was it like a website?

2 A. What do you mean?

3 Q. Okay. How would they get the names?

4 A. Off the websites.

5 Q. What websites?

6 A. Clustrmaps. What else is it? She told me
7 about, you have to go to the State of Florida voter
8 thing. She showed me the State of Florida voter thing
9 that you have to go to.

10 Q. Okay. What other website did she show you?

11 A. No, that was it.

12 Q. Okay.

13 A. As far as I -- what she told me, was
14 Clustrmaps.

15 Q. So, as far -- how would you -- so, I just want
16 your own words to describe, just walk me from beginning
17 to end --

18 A. Hm-mm.

19 Q. -- how they would get a name and then how the
20 petitions were filled out.

21 A. Oh, I don't know how they filled them out.

22 Q. Okay.

23 A. I just -- my responsibility was to sign my
24 name. Put my signature.

25 Q. Got it.

1 A. Anything else, I wasn't responsible for that
2 part.

3 Q. Okay.

4 A. I just had to sign my name. I got \$5 per
5 every paper I signed.

6 Q. Okay. So, I'm going to show you some
7 petitions. Your attorney hasn't seen these yet because
8 I just got these yesterday from Miami. But just so
9 we're clear, these are just some petitions from Miami,
10 okay. And I'm just -- I'm going to show them to you.
11 I'm going to just pass you one.

12 MS. PAPAKOS: So, for purposes of the
13 recording, we are showing Ms. Harriel and petition
14 with voter information for a last name of [REDACTED]
15 [REDACTED]. And first name [REDACTED]
16 And we're showing this to counsel first. Okay.

17 MS. BIRRIEL-SANCHEZ: So, do you recognize
18 that form generally?

19 THE WITNESS: Yes.

PROFFER STATEMENT NO. 2.

17 Q. Okay. So, all you would do to clarify, is
18 sign your name on that form?

19 A. Yes. That's all I would have to do.

20 Q. So, you never met [REDACTED]?

21 A. I don't know who that is.

22 Q. Okay.

23 A. I don't have a clue who [REDACTED] is.

24 Q. And you don't know -- okay. I'm sorry, where
25 would you sign the forms? No, I'm sorry, but where were

1 you physically? Like, right now --

2 A. Oh, home. In my house.

3 Q. You were in your house?

4 A. Yes.

5 Q. You never went for example to Miami-Dade
6 County to have this form signed?

7 A. Oh no. No, ma'am.

8 Q. Okay.

9 A. No, ma'am.

10 Q. So, you have -- I'm just using this as an
11 example so that I --

12 A. Uh-huh.

13 Q. -- because I'm a visual person.

14 A. Yes, ma'am.

15 Q. So, all you would do is sign a blank form?
16 So, you never even saw who wrote [REDACTED] on the
17 form?

18 A. I can't tell you.

19 Q. Okay.

20 A. No. I have no clue as far as that. I'm
21 admitting what I did which was sign my name on it.

22 Q. Okay.

23 A. And the agreement was to give me \$5 per each
24 one I signed.

25 Q. Okay. Does anybody have any problems in

1 reference to that?

2 BY INSPECTOR RATLIFF:

3 Q. Let's go back a little bit. You said finding
4 names. Were you responsible at any point in time for
5 just looking like you said at the Clustrmaps or the
6 State of Florida --

7 A. Oh yes.

8 Q. So you --

9 A. Yes, sir.

10 Q. So, what would you do as far as when you would
11 get on the -- I'm assuming it's on a computer.

12 A. Yeah, I would look and get the names.

13 Q. So like, what would you do? Like, walk us
14 through that. Like once you get a name --

15 A. Uh-huh.

16 Q. -- what is your responsibility?

17 A. I would write them all out --

18 Q. Okay.

19 A. -- on the papers.

20 Q. Uh-huh.

21 A. -- and give them to her.

22 BY MS. BIRRIEL-SANCHEZ:

23 Q. But not on this paper?

24 A. No. Not on that paper. No, ma'am. Not on
25 that paper. I wrote them on paper, straight out. Any

1 one that I seen that was registered --

2 Q. Okay.

3 A. -- I gave them to her.

10 Q. So, to get anymore so, what kind of
11 information would you provide other than a name?

12 A. Just people who's registered to vote.

13 Q. So, if you go on there and you see Joe Smith
14 is registered to vote --

15 A. Right.

16 Q. -- what information do you get for Joe
17 Smith?

18 A. His name and address. They have his name
19 and address on there.

7 Q. Okay. And again, just to reiterate, none of
8 the voter information of the person who would have
9 signed the petition or purported to sign it --

10 A. Uh-huh.

11 Q. -- none of this was filled out when you got
12 the forms?

13 A. Oh no. Blank forms. Five hundred at a
14 time.

15 Q. Okay.

16 A. They bring five hundred at a time. Blank
17 forms.

PROFFER STATEMENT 4

The following proceeding was transcribed from an audio file as follows:

INSPECTOR RATLIFF: So, was the voter information look up?

THE WITNESS: Yes, sir.

INSPECTOR RATLIFF: On the Florida Department of State Website. Florida.

MS. PAPAKOS: Okay, question for you.

THE WITNESS: Yes.

MS. PAPAKOS: On this form -- and again, for the record, we're looking at Ms. Harriel's phone. In order to determine if someone is a registered voter, you have to provide three things?

THE WITNESS: Hm-mm.

MS. PAPAKOS: The first name, their last name and their date of birth.

THE WITNESS: Hm-mm.

MS. PAPAKOS: How would you get that information?

THE WITNESS: I would get it from Clustrmaps.

MS. PAPAKOS: Can you pull up Clustrmaps on your phone?

THE WITNESS: It's taking a second, but it's coming up. (Inaudible)

1 MS. PAPAKOS: So can you walk us through how
2 -- and for the record, we're looking at the
3 Clustrmaps site.

4 And inspector, if you could read the website
5 out loud?

6 INSPECTOR RATLIFF: It's says, "free website
7 Clustrmaps, C-L-U-S-T-R Maps, M-A-P-S, all one word
8 dat com.

9 MS. PAPAKOS: Thank you.

10 So, Ms. Harriel, can you just walk us through
11 from that, the home page of Clustrmaps,
12 Clustrmaps.com, how you would find someone first
13 name, last name and date of birth?

14 THE WITNESS: Okay. Okay. See how it says
15 public records encyclopedia?

16 MS. PAPAKOS: Okay.

17 THE WITNESS: Like say for instance if you
18 doing the State of Florida, so you're going to
19 put --

20 MS. PAPAKOS: I'm sorry. How did you get to
21 that page? That one with -- with that on the home
22 page, you just scroll down?

23 THE WITNESS: No, you know, how you have the
24 bars on the side.

25 MS. PAPAKOS: Okay.

1 THE WITNESS: Yes. So where it says search
2 the name or address or whatever.

3 INSPECTOR RATLIFF: Florida?

4 THE WITNESS: Yeah, I put Florida right there.

5 INSPECTOR RATLIFF: Got it. 14/19?

6 THE WITNESS: Yes, yes, sir. There it is.
7 Address, people.

8 MS PAPAKOS: So what would you put, people?

9 THE WITNESS: Yes, ma'am.

10 INSPECTOR SHEPHARD: And I assume this process
11 didn't take place on your phone. You had a
12 computer. Was it your personal computer, or did
13 they supply you with one?

14 THE WITNESS: No, mine.

15 INSPECTOR SHEPHARD: So you had a personal
16 computer. Was it a laptop or?

17 THE WITNESS: Yes, sir, laptop.

18 INSPECTOR SHEPHARD: And then you would sit at
19 home?

20 THE WITNESS: Yes.

21 INSPECTOR SHEPHARD: And do this?

22 THE WITNESS: Yes.

23 MS. PAPAKOS: Okay, I want to clarify. Had
24 you ever been to Clustrmaps.com before you started
25 petitioning?

1 THE WITNESS: I have never even heard of
2 Clustrmaps.

7 INSPECTOR RATLIFF: Okay. And how did you
8 narrow it down when you were in Clustrmaps? So
9 you're sitting at your computer. You just type in
10 Florida, and then I would assume you would work
11 down. How would you work down to get the
12 information that you forward about?

13 THE WITNESS: Well, it went by wherever she
14 say we have to work at the time.

15 INSPECTOR RATLIFF: By ZIP Code?

16 THE WITNESS: No, she would say by County.

17 INSPECTOR RATLIFF: So by County.

18 THE WITNESS: It goes by County. I need this
19 amount for this County.

24 INSPECTOR RATLIFF: And then what would you do
25 from there once you were in Clustrmaps in a

1 particular County? Can you walk us through that?

2 THE WITNESS: When -- okay, you're in that
3 County, it's going to look like -- it's going to
4 say, do you like basically want college graduates,
5 or basically like poor area. It's broken down like
6 that.

7 INSPECTOR RATLIFF: What's broken down like
8 that?

9 THE WITNESS: The way they --

10 INSPECTOR RATLIFF: In Clustrmaps?

11 THE WITNESS: Yeah.

12 INSPECTOR RATLIFF: Okay, so then it breaks
13 down different categories.

14 THE WITNESS: Hm-mm.

15 INSPECTOR RATLIFF: Showing college students?

16 THE WITNESS: Hm-mm.

17 INSPECTOR RATLIFF: Minorities?

18 THE WITNESS: Yes.

19 INSPECTOR RATLIFF: What else does it break
20 down in there?

21 THE WITNESS: What else was it? Oh,
22 apartments. Mainly if it was apartment, if you
23 wanted the apartment sections or if you wanted a
24 home, just home sections or whatever and then ZIP
25 Codes.

1 INSPECTOR RATLIFF: Then ZIP Codes. And then
2 what would you do to get to the information that
3 you would provide? Would you pick one of those
4 particular subjects out of there?

5 THE WITNESS: The ones that I honestly went
6 for were the ones that had the most populated
7 areas.

8 INSPECTOR RATLIFF: Okay. And what did that
9 generally fall under as far as those categories?

10 THE WITNESS: Mainly, the people that was
11 college graduates and stuff.

12 INSPECTOR RATLIFF: So college graduates?

13 THE WITNESS: Yes, mainly the college, college
14 graduates.

15 INSPECTOR RATLIFF: Was there any other reason
16 why you were targeting just college graduates other
17 than that was the most?

18 THE WITNESS: You know why? Because majority
19 of them when I was looking were registered to vote.

20 INSPECTOR RATLIFF: And out of those
21 demographics that you talked about --

22 THE WITNESS: Uh-huh.

23 INSPECTOR RATLIFF: Did they have more
24 information under them, under their name?

25 THE WITNESS: It led to -- I notice it led to

1 other people.

2 INSPECTOR RATLIFF: So it led to other people,
3 but you were getting the information as far as the
4 date of birth and complete names and everything?

5 THE WITNESS: Hm-mm.

6 INSPECTOR RATLIFF: Out of that college
7 demographic?

8 THE WITNESS: Oh, yeah.

9 INSPECTOR RATLIFF: -- when you're in
10 Clustrmaps?

11 THE WITNESS: All of that would come up.

12 INSPECTOR RATLIFF: Okay.

13 THE WITNESS: And it would lead to other
14 people that was in like similar. It just had links
15 right up under the other.

16 INSPECTOR RATLIFF: And then you would what,
17 go down --

18 THE WITNESS: Just click it.

19 INSPECTOR RATLIFF: Get the information?

20 THE WITNESS: Just keep clicking.

21 INSPECTOR RATLIFF: And each time you click,
22 would you always find their names and other
23 personal information like their date of birth? Or
24 was it a name and address, or was it just a name
25 and age? What did that look like?

1 THE WITNESS: All of those that you just said.

2 INSPECTOR RATLIFF: All of them?

3 THE WITNESS: Hm-mm.

4 INSPECTOR RATLIFF: And then after you
5 retrieve that information from Clustrmaps, walk me
6 through the process that happened after.

7 THE WITNESS: After you retrieve this
8 information from Clustrmaps that's when you have to
9 go to that voter registration and look up things
10 for the State of Florida.

11 INSPECTOR RATLIFF: And you're still utilizing
12 the same computer, your personal computer at home
13 when you're doing this?

14 THE WITNESS: Yes.

15 INSPECTOR RATLIFF: What does that look like
16 when you go to that?

17 THE WITNESS: Well, you have to put in the
18 information that they ask for the voter
19 registration.

20 INSPECTOR RATLIFF: And you already had that?

21 THE WITNESS: And the only stuff that I have
22 to put on the paper is the ones that are registered
23 to vote.

24 INSPECTOR RATLIFF: And you were able to
25 decipher through Clustrmaps whether or not they're

1 registered to vote once you put their information
2 in and confirmed that they're a voter?

3 THE WITNESS: In the State of Florida
4 registration lookup.

5 INSPECTOR RATLIFF: And then that name after
6 that process, you put on a sheet or a register or
7 something that you then --

8 THE WITNESS: Paper. I have to -- the only
9 names that I give her were the ones that were
10 registered to vote.

11 INSPECTOR RATLIFF: Now, on that paper, did
12 you also include their personal information like
13 their date of birth or anything?

14 THE WITNESS: Yeah, I had to write their name.

15 INSPECTOR RATLIFF: Okay.

16 THE WITNESS: And their date of birth.

17 INSPECTOR RATLIFF: Any other information,
18 personal information?

19 THE WITNESS: No, it's just whatever needed to
20 go on the form.

21 THE WITNESS: And what did that form look
22 like? Was a just a sheet of paper?

23 THE WITNESS: It's this.

24 INSPECTOR RATLIFF: So you're putting that
25 information on here or you're putting them

1 separately?

2 THE WITNESS: No, no, sir. On a regular sheet
3 of paper, I'm going straight down the road with all
4 the ones that are registered to vote.

5 INSPECTOR RATLIFF: Okay, that's what I was
6 asking.

7 THE WITNESS: Oh, okay.

8 INSPECTOR RATLIFF: And then you take that
9 information. You make a list. So I assume you
10 would probably maybe have two lists or you have one
11 running list after you -- you go in the Clustrmaps.

12 THE WITNESS: Hm-mm.

13 INSPECTOR RATLIFF: You're making one list of
14 people?

15 THE WITNESS: Hm-mm.

16 INSPECTOR RATLIFF: Correct me if I'm wrong.

17 THE WITNESS: Yeah.

18 INSPECTOR RATLIFF: So you're putting that
19 information down, right?

20 THE WITNESS: Right.

21 INSPECTOR RATLIFF: And then the next stage in
22 the process is, you're then taking that --

23 THE WITNESS: Right.

24 INSPECTOR RATLIFF: -- using the same computer
25 and then plugging that information in to find out

1 who's the voter.

2 THE WITNESS: And who's ever registered to
3 vote that's who's going on this page.

4 INSPECTOR RATLIFF: That's going on the next
5 page?

6 THE WITNESS: Yes.

7 INSPECTOR RATLIFF: And then that final
8 page --

9 THE WITNESS: Hm-mm.

10 INSPECTOR RATLIFF: -- is the information
11 that's forwarded out to Kelly or who do you give
12 that to?

13 THE WITNESS: Because they're already checked
14 out and they're registered to vote.

24 INSPECTOR RATLIFF: And that was your task in
25 this particular process, right?
