

**Table 35 - Emergency Response - FY 2023-2024**

Service area population data is from Florida Estimates of Population, published by the University of Florida, Bureau of Economic and Business Research. The total service area population reflected in the data table does not match the total census population reported in the Florida Estimates of Population. All other data is supplied to the Division of Library and Information Services by public libraries. Data is published prior to national review and acceptance.
